V. Daily Proceedings

First Day

Monday, June 6, 1994

PHYSICAL EDUCATION CENTER, CENTENARY COLLEGE

1:30 p.m.

The Twenty-fourth Session of the Louisiana Annual Conference began at 1:30 p.m. with The Service of Memorial and Holy Communion in the Physical Education Center at Centenary College, Shreveport.

The celebrant was Bishop William B. Oden with Bishop Dan E. Solomon and Dr. Tom W. Boyd as co-celebrants. Pre-Service Music was provided by the Broadmoor United Methodist Church, Baton Rouge Brass Choir directed by Mr. Sidney Montegudo. The service began with the processional hymn, "Lift High The Cross." Afterwards, Rev. William Peeples gave the Call to Worship and the Call to Confession. The Litany of Thanksgiving and Remembrance was delivered by Rev. and Mrs. Peeples ending with the hymn of remembrance, "For All the Saints."

The word in music, "Joy in the Morning," was delivered by the Shreveport District Choir with the scripture reading from Hebrews 12:1,2,3. Rev. Marva L. Mitchell, the preacher for this service, delivered the sermon, "God's Cloud of Witnesses." After Bishop Oden and Rev. Mitchell gave The Great Thanksgiving and Rev. Judy Loehr delivered the Communion special music, "I Come With Joy." Rev. Loehr was the songleader for this year's session of Annual Conference. She is executive director of Worship and Outreach Ministries, Scarrit-Bennett Center in Nashville, as well as pastor of the 61st Avenue United Methodist Church in that city.

Following this service, Bishop Oden declared the Twenty-fourth Session of the Louisiana Conference to be in order. He expressed his appreciation to all those who had contributed to the celebration of the Service of Memorial and Holy Communion.

Bishop Oden presented Rev. Richard Hoffpauir, Dean of the Cabinet, who made the following motions: "I move that the main floor of the Physical Education Center of Centenary be designated as the bar of the conference; that the printed program be the agenda for the Annual Conference; that the Bishop be empowered to make changes in the agenda necessary to complete the business of the conference and that the printed material distributed at the Annual Conference session be cleared through the Conference Secretary prior to distribution. I further move that Wednesday's Orders of the Day be set at 11:15 a.m. for the Retirees to address the conference, and at 2:30 p.m. for the Ordinandi to address the conference. The motion was seconded and approved.

Dr. Stone Caraway, Conference Secretary, nominated Rev. Carolyn Volentine, Rev. Mary Baugh, Rev. Bertrand Griffin, Rev. David Fortuna, Rev. Jack Phelps, Rev. Stuart Sherman and Mrs. Lusinda Warren to be Assistant Secretaries. Rev. Vernon Fairley and Mrs. Beverly Hogue were nominated as Head Tellers. The nominations were accepted.

At Bishop Oden's request, Mr. Sidney Montegudo introduced Mrs. Lusinda T. Warren and Mrs. Carolyn Orr Foster as persons recommended to the conference by the Board of Diaconal Ministry to be recognized as new members of the Annual Conference. The conference voted approval of this recommendation.

Bishop Oden led the session in a closing prayer. The clergy moved to Brown Chapel for the Clergy Session and the laity remained in the Gold Dome for the Laity Session.

The Clergy Session began with Bishop Oden inviting all elders, deacons and full-time local pastors to participate in this session. He then called upon Rev. Ed Boyd, Chair of the Board of Ordained Ministry, to lead the body into the business of the meeting.

Rev. Boyd began by reminding the assembly of the covenant that exists within the relationship of one another as brothers and sisters in Christ in the United Methodist Church. He stated that United Methodists believe baptism, confirmation and responsible membership in the church are visible signs of acceptance of ministry. Since the practice of homosexuality is incompatible with Christian teachings, homosexuals are not to be accepted as candidates, ordained as ministers or appointed to serve in the United Methodist Church. He then urged the session to read Paragraphs 401 and 402 of the Book of Discipline and embrace that great spirit in to which is given to us, as a uniting factor, something that bonds us as God's people.

Rev. Don McDowell was asked to give the Word of Grace. He spoke on the covenant church and us, as covenant people. He stated that covenant is about intimacy but it is also about justice. Justice means to hold accountable and we are still trying to figure out how to do that in the church and in the Annual Conference and it is more than sexual indiscretion which must gain our attention. What about the sin of spiritual laziness or the wilting of our minds? Justice also means being committed to be a community of reconciliation. He stated that an offender must be punished, but to punish and not restore is the greatest of all offenses. Rev. McDowell ended by stating that ours is a life of covenant and as we rediscover, reaffirm and are remade in that covenant then we discover a courage to be a church, a courage to be those who are called to word, sacrament and order. Take thou authority.

Bishop Oden asked Rev. Ed Boyd to give the report on the definition of a "self-avowed homosexual" and the definition of "status." The definition of a self-avowed homosexual stated as recommend by the Cabinet and Board of Ordained Ministry in consultation with Bishop Oden is: a person who engages in and openly acknowledges genital sexual behavior with a person or persons of the same sex. Homosexual behavior shall mean interaction involving the genitals with a person or persons of the same sex. Rev. Boyd moved for the adoption of this definition. Dr. George Calvin asked for clarification of who has the authority to acknowledge a homosexual. Rev. Boyd responded with saying that the session is only focusing on determining the definition. Then Dr. Calvin moved to table the definition until the general church gives a definition back to the Annual Conferences. It was seconded. The motion to table the definition did not pass. A vote was called for and the definition as presented was approved.

The definition stating that "status" is a legal relationship of legal condition of a group of persons based on race, gender, or national origin, which concurs with the recommendation of the Council of Bishops was then reviewed. Rev. Boyd moved for the adoption of this definition. Rev. Bob Dyke asked why wasn't marital status in the list. Rev. Boyd responded by stating that the marital status issues simply had to do with the appointment of marital couples to preserve the rights of these clergy couples. The term is used by the Council of Bishops as simply a clarifying term. No other questions were entertained. A vote was called

for and the definition carried. (Please see Addendum No. 2 of Daily Proceedings for complete text).

Rev. Boyd referred the assembly's attention to the document pertaining to covenant of clergy regarding sexual ethics, misconduct and harassment, for approval and adoption. Bishop Oden reminded the session that this document has been re-evaluated and revised for two years. Rev. Tim Lawson expressed appreciation to the committee for improvements to the document. He moved to amend the document to delete the word "unwanted" in the sentence, "Sexual harassment is any unwanted sexual advance or demand, either verbal or physical, which is demeaning, intimidating or coercive." It was seconded. Speeches were made for and against the motion. The session did not pass the amendment. Next, Rev. Lawson moved to delete the sentence, "Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue." The amendment was seconded. A speech was made against the amendment. The assembly did not pass the amendment. Rev. Lawson then made two further motions to amend the document, both of which failed for lack of majority. Next, Rev. Jack O'Dell moved to change the word "may" to "shall" in the beginning sentence of No. 3 under C. to read, "3. If the alleged victim, district superintendent and bishop choose not to pursue the grievance or complaint procedure, a note without prejudice and any written grievance shall be placed in the clergy person's permanent record by the bishop in the Bishop's office. . ." The amendment carried. Dr. George Calvin moved to delete the word "client" in the statement under Common Ground which reads: "Clergy sexual misconduct is sexual conduct or activity in which the clergy person violates the free choice or abuses the vulnerability of any person, including a minor or adult parishioner, client, church staff person, or colleague." The amendment was seconded but defeated. Bishop Oden called for a vote on the entire document as amended. The assembly passed the document. (Please see Addendum No. 1 of the Daily Proceedings for complete text.)

Dr. Rodney Kennedy presented to the assembly the Disciplinary Questions, found in Section VI. of the 1994 Journal. The assembly accepted his report. Bishop Oden gave the benediction and the Clergy Session was adjourned.

The Laity Session began with a greeting from Dr. Anita Crump, Conference Lay Speaking Chairperson. She announced that Judge Carl E. Stewart, Conference Lay Leader, would not be able to be present for this Laity Session of Annual Conference but that Mr. Fred Loy, Associate Conference Lay Leader, would preside over the meeting.

The scripture lesson coming from Romans 12:4-9 was given by the Conference Youth Representative of the Alexandria District, William Bridges. The Laity Litany was lead by Mrs. Margie Morrish also of the Alexandria District.

Mr. Fred Loy introduced the guest speaker, Mr. Timothy E. Moss, Director of Development of Lay Leadership for the Ministry of the Laity of the General Board of Discipleship, to the session. Mr. Moss spoke of the Ministry of the Laity.

Dr. Gerald Richardson and Rev. Ed Boyd of the Conference Board of Ordained Ministry, presented to the Laity Session a document regarding the definitions of "a self-avowed practicing homosexual" and "status". Discussion ensued and both the definitions were adopted by a wide margin of the Laity Session. The meeting was then adjourned.

The Louisiana Annual Conference convened for the Evening Worship Service at First United Methodist Church. The Conference Youth Choir provided the Pre-Service music with Dr. Sara Lynn Baird as director and Mr. Micky Cloud as accompanist. The sermon entitled, "Trying Again Is Christyle," was given by Bishop Dan E. Solomon of the Oklahoma Area with the scripture text from Mark 8:22-26. The song of commitment, "When the Poor Ones," was sung by Gabe Cate & Scott Gerardy with Joel Gardner as guitarist.

Tuesday, June 7, 1994
Physical Education Center, Centenary College
8:30 a.m.

The morning worship music was as led by Rev. Judy Loehr. Dr. Tom W. Boyd, the preacher for the morning worship, delivered his sermon entitled "The Promise of the First Sanctuary", with the scripture lesson from Genesis 7:15, 17-24. Dr. Boyd holds the Kingfisher Chair in the Philosophy of Religion and Ethics at the University of Oklahoma. Currently he is devoted to two areas of inquiry: dialogue among world religions and dialogue between religion and science.

Bishop Oden asked Rev. Bobby Potter to lead the opening prayer. Mayor Hazel Beard of Shreveport brought greetings to the conference. As a United Methodist, she welcomed everyone to Shreveport and stated that the city looked forward to Annual Conference every year. Bishop Oden presented Dr. Kenneth L. Schwab, President of Centenary College, to welcome the conference. He recognized the Centenary maintenance and the courtesy staffs and thanked them for their hard work. Dr. Pat Day, senior pastor at First United Methodist Church in Shreveport (co-host of Annual Conference), welcomed everyone and personally thanked them for making him feel welcomed in Louisiana after his transfer into the conference last year.

The report of the **Committee on the Journal** was made by Rev. Freddie Henderson who stated that the minutes of the conference were in order and moved that they be accepted. The assembly accepted the report.

Bishop Oden gave his sixth **Episcopal Address**. He began by announcing "God Is Here" as the theme for this year's Annual Conference session. He said, "He is here in a diverse ever and ever more fragmented world. God is in the seams that are tearing apart. God is in all these hurts, the pains, the angers, the frustrations. This is the world God loved so much that the very heart of God bled and died. God is here, in the church, in our celebrations, our songs, our joy, our prayers, our vision. In our diversity!" Bishop Oden stressed the importance of this diversity in Christ. He warned that we must be more at ease with our diversity or we will splinter. He also warned that our culture is in a time of very rapid change. He stated that to ignore the need of each layer of society is to be unfaithful to our mission. Bishop Oden asked, "How can we be faithful to our Mission?" He stated that one reality is certain, our connectedness is our essence and it must be made stronger! He brought before the conference the need to continue support for the United Methodist Church in Ekaterinburg. Then Bishop Oden recognized Mrs. Carolyn Dove's retirement and reflected on her accomplishments as the Conference Youth Coordinator. He drew the conference's attention to the position that

"gambling has added a new and demonic power to our state. The church has not had the money power to lobby the legislators as the gambling industry has." He stated that "the church must make two responses at the same time: 1) we must continue to oppose gambling with all our strength, focusing on our legislators and leaders; and 2) we must reach out with compassion toward the victims of this evil--and provide support as they seek to rise out of the quagmire of this addiction." He ended the address by thanking the conference members for their continued love, prayer and support of him and Mrs. Oden.

Bishop Oden introduced Judge Carl E. Stewart, who was retiring from his position as Conference Lay Leader at this session of Annual Conference. In his **Lay Address**, Judge Stewart stated that we are united by our baptism in Christ. He read from Luke 10:2, his favorite verse, "The harvest is plentiful, but the laborers are few;". Judge Stewart announced that the laity theme for this year's session is "Partners in Ministry." He stated that all God's people are called to love and that clergy and lay must work together. He reflected on the four conference emphases (serving, nurturing, inviting & celebrating) as best realized through teamwork and committed partnership of laity and clergy. Judge Stewart closed with expressing thanks and appreciation for the support given to him by everyone. He then read his favorite poem called "It Isn't The Church, Its You," by an unknown author. The floor responded with a standing ovation. Mr. Fred Loy then presented Judge Stewart with a certificate of appreciation on behalf of the Board of Laity.

Bishop Dan E. Solomon was invited to the platform to bring a word of greeting to the conference. He began by speaking of his presiding over the Oklahoma-Indian Mission Conference. He is presently the Chairperson of the World Division of the General Board of Global Ministries. Bishop Solomon informed the assembly that Bishop Oden is held in high esteem in the Council of Bishops. He expressed gratitude and thanks to the Louisiana Conference for its leadership in the area of world missions. He then reflected on three insights: 1) that we are connected to Christ; 2) we are connected in community; and 3) we are connected toward mission. He saluted the Louisiana Conference for their participation in the establishment of the Ekaterinburg Church. He stated that it may be the first United Methodist Church in Russia but not the last. He then encouraged every congregation in Louisiana to establish a partnership-relationship with another congregation somewhere around the world.

The **Committee on Episcopacy** report was given by Dr. Nancy Carruth, Chairperson. She presented Bishop Oden with a t-shirt of Africa University. Rev. Richard Hoffpauir was then asked to escort the first lady of our conference, Mrs. Marilyn Oden, to the podium where Dr. Carruth presented her with a corsage. Dr. Chris Andrews then escorted Mrs. Solomon to the podium where she was also presented with a corsage. Dr. Carruth referred everyone to her report in the Pre-Conference book and expressed appreciation to Bishop Oden for all that he has done for the Louisiana Conference.

Bishop Oden introduced Rev. Carl Rhoads who gave the report on **VISION 2000**. He stated that over 100 United Methodists, several weeks ago, went to a television station in Baton Rouge and shared their experiences with Vision 2000. The result was a 20 minute video which was shown to the assembly. He informed the conference that a longer version of the video will be available at a later date. He then called attention to a hand-out regarding upcoming Vision 2000 events. He reminded the conference of funds that have been and will continue to be distributed to various churches for the four ministries (serving, nurturing, inviting and celebrating).

The **Russian Initiative** report was introduced by Dr. Donald Cottrill. He reflected on the achievements Louisiana has made relative to the Russian Initiative. He recognized Mrs. Marilyn Oden, who gave her response. She expressed her gratitude for Louisiana's support and expressed appreciation to Dr. Dwight Ramsey for his vision and tenacity in the opening of doors to United Methodism in Ekaterinburg. She presented Ms. Julia Istomina (Pastor Lydia Istomina's daughter) to the conference and gave her a bouquet of roses as the giving of flowers is a custom of honoring persons in Russia. Ms. Istomina brought greetings from Ekaterinburg and expressed thanks for everything Louisiana United Methodists have done. The conference responded with a standing ovation. Mrs. Oden announced that Ms. Istomina will be a student, along with two other Russian youths, at Centenary College this fall, then called on Mr. James Gillespie, Mr. Jim Waddle and the Honorable Carl Stewart for the report.

Mr. James Gillespie told of last summer's educational training seminars in Russia by a mission team from Centenary College, Caddo parish school system and various other persons. Ten Russian pastors and lay leaders will travel to Nashville to participate in a retreat for training in spiritual formation. A video showed the Ekaterinburg mission. Mr. Jim Waddle reported on the construction of a new church, the first United Methodist Church that will be built in Russia. Louisiana United Methodists are asked to raise \$100,000 in contributions for this cause. Judge Stewart then encouraged support for the special offering.

Dr. Cottrill asked Mr. C. A. "Hap" Martin, Chair of the Conference Council on Ministries, to respond on behalf of the CCOM. He made the following motion, "We move that the local churches of the Louisiana Conference of the United Methodist Church receive a special offering on Sunday, September 25, 1994, with the goal of \$100,000 to help defray the cost of the first building to be constructed for the use of the Ekaterinburg United Methodist Church of Russia." The motion was seconded. Rev. Dickie Hoffpauir, Baton Rouge District Superintendent spoke for the motion that the Conference Council on Ministries and the Conference Council on Finance and Administration had previously endorsed. The motion was approved by the assembly.

Rev. Vernon Fairley made a presentation of \$1200 for the building of the church in Ekaterinburg from the following Louisiana United Methodist churches: Kentwood, Mt. Hermon, Wesley Ray, Live Oak, Mary's Chapel, Elizabeth Sullivan Memorial, Thirkield, Harry's Chapel, Centenary, Fisher, Winan, Hayes Chapel, Varnado, Sun and Bush.

Mr. Martin then introduced the **Unified Report of the Conference Council on Ministries**. A humorous skit of the game show "This is Your Life" was presented with the Louisiana Conference being the guest. The skit highlighted the various ministries that fall under CCOM. Everyone was invited to visit the booths represented by these ministries.

Bishop Oden presented greetings from the Florida Annual Conference which is in its 150th session. A word of greeting from Rev. Julius Jefferson, who was unable to attend this session due to the situation in Africa, was received by the conference. It was announced that the October School of Evangelism, due to scheduling conflicts, had been moved to February, 1995, to the First United Methodist Church in Alexandria. Dr. Phil Woodland, Monroe District Superintendent, requested the conference send greetings to Mr. Jack Dew, Monroe District Lay Leader, absent due to major surgery. Dr. Woodland announced that Mr. Dew has been a conference member for 20 years. Rev. Randall Campbell requested greetings be sent to Ms. Inez Chrisentery who has also been a long time member of Annual Conference but was unable to be in attendance.

Dr. Stone Caraway then made appropriate announcements. The conference was grieved to hear of the death of Mrs. Nora Moore, wife of the Rev. Levi Moore. The Rev. Tom Crosby requested that greetings be sent to Rev. Ira Robinson, who was ill.

Bishop Oden then dismissed the conference for lunch recess.

Tuesday, June 7, 1994
Physical Education Center, Centenary College
2:00 p.m.

Rev. Judy Loehr began the session with the hymn, "Come Christians Join To Sing." Bishop Oden asked Dr. Don Cottrill to introduce Dr. Ray & DeLaine Dehainaut, Peace With Justice Educators, and to invite them to open the session with prayer.

Dr. Tom Matheny, Chair of the Conference Center Board of Trustees, reported on the **Conference Center** project. He reported that the primary land has now been purchased and paid for. The cost of financing the construction was met in 1993 with the successful completion of a \$6,000,000 campaign. Dr. Matheny told the conference that a low interest loan from Hancock Bank had been obtained as interim financing for the construction. He then informed everyone that the Conference Center is within the city limits of the Village of Woodworth which has provided a grant for water and other benefits. Immediately following this session of Annual Conference, the board will begin reviewing bids for construction. He then asked for the adoption of the report and the re-election of the 1996-1997 Board of Trustees. Dr. Matheny encouraged everyone to meet the challenge before us to complete the Conference Center project.

Dr. Matheny then introduced Dr. Rodney Kennedy, Chair of the Follow-Up Committee, who thanked all for their present and future contributions. He announced that the committee is available to anyone who may need them and he then recognized the committee members. A video was shown on the Groundbreaking ceremony which was held on May 28th, 1994. Dr. Matheny recognized the board members and questions were entertained. The report was accepted by the assembly.

A shovel that was used at the Groundbreaking was presented by Bishop Oden to Dr. Harvey G. Williamson for his hard work on the Center, to be placed on the wall of the Conference Center after its completion. Dr. Matheny was also presented with a shovel. Both shovels had plaques of tribute and commendation.

Mr. Hap Martin was asked to continue the **Conference Council on Ministries' action reports**. He referred the assembly to the Pre-Conference report book as he thanked the CCOM staff for its wonderful work. The action regarding the formation of a Committee on Planning and Research to consider future needs of ministry within the scope of the Louisiana Conference (found in the report section of the Journal) was approved.

Mr. Brian Mercer, a Youth member, was asked to escort Mrs. Carolyn Dove, Conference Youth Coordinator, to the podium for recognition of her retirement. Miss Kristin Hunt, Conference Youth President, and Mrs. Betty Smith recognized work that Mrs. Dove had done. Miss Hunt read a heart-felt appraisal of Mrs. Dove's work and presented her with a certificate of appreciation made by the youth of the conference. Mrs. Smith shared with the conference her experiences in working with Mrs. Dove and the youth. The conference expressed their

feelings with a standing ovation. Then Dr. Cottrill presented Mrs. Dove with a poem entitled, "She's Here, She's There, She's Everywhere."

Mr. Martin referred the conference to a document dealing with staffing changes, which included the Dissolution of CrossLines and the formation of a new position of Director of Serving Ministries. Discussion followed. Questions were raised on reasons for dissolution. Speeches were made for and against the motion. The vote was called by Bishop Oden. The motion to dissolve CrossLines Ministry carried. Discussion on the motion regarding the Director of Serving Ministries followed. Speeches were made for and against the motion. Dr. George Pearce called for the question. The conference approved. The motion was restated and a standing count was taken. The vote was 388 for and 293 against. The motion passed. The new position of Director of Serving Ministries under the Conference Council on Ministries was approved.

Rev. Jim Jones, Chair of the **Commission on Archives and History**, recognized Calvary United Methodist Church celebrating its 127th birthday. Members of that church were presented with a certificate of recognition.

Mr. Martin asked Mrs. Kay Irby to give the **Clergy Housing** report. She recognized the members of the committee. She referred to the Pre-Conference report and noted a few changes to the report: Under the heading Transition to Partially Furnished Parsonage System #1, to read: By June 1995, the clergy family will be responsible for providing furnishings for master bedroom and the family room. Under the heading Responsibilities of the District Superintendent: Blank forms for Fall Annual Inspection, Moving Inspection and Move Day Inspection will be kept in each district office for the convenience of local churches and pastors. Fall Annual Inspection forms should be included in the charge conference packet. Moving Inspection forms and Move Day Inspection forms should be provided to clergy and churches by District Superintendents when there is a move. In the Pre-Conference report change "excellent" to "good" and "average" to "fair" regarding the grading of the parsonage. Discussion followed. Vote was called for. The total report carried.

Rev. James Poole made the report on **Volunteers In Mission**. He asked the assembly to omit the line which stated, "*Denotes without voting privilege." The report was approved.

Rev. Dick Humphries gave the report on the **Board of Church and Society**. He presented the Sarah Schoeffler Award to Dr. Hilda Arndt who was unable to attend conference but was accepted in her behalf by Delaine & Ray DeHainaut. Rev. Humphries then brought the conference's attention to the **Environmental & Justice Committee** report including announcements about workshops. He handed out an informative sheet entitled "Universal Access to Health Care in the United States and Related Territories," for the individual members own personal information and action. Rev. Humphries applauded local churches which are continuing to take stances against gambling. He referred to the Pre-Conference report "**Resolution on the Homeless**". Bishop Oden called for discussion. It was noted that the Salvation Army should be listed as a denomination in the list which included agencies worthy of support. The assembly passed the corrected resolution. Next, the **Resolution on Gun Control** was presented for discussion. No questions were raised and the resolution was passed. Dr. George Calvin requested the board consider, if at all possible, presenting to the conference a resolution drawing attention to the need for efforts to be made in behalf of peace in Rwanda and Burundi.

The report of the Board of Higher Education and Campus Ministry was accepted.

Dr. Stone Caraway made appropriate announcements and Rev. Ben Santana offered the closing prayer.

Mr. Loy called on Mrs. Anita Crump, **Lay Speaking Chair**, to give her report. She referred everyone to the Pre-Conference report on Lay Speaking. She highlighted the events of the past year and recognized the district lay speaking chairpersons. She commented that the greatest job a lay speaker could have is to witness for Christ and bring people to Him.

Mrs. Jane Blackwell announced that the **Daughenbaugh-Matheny Scholarship** went to three students at Centenary: Lynd Matt, Gaela Youngblood, Samantha Earl; and two students from Dillard University: Inga Patterson and Sholanda Gilyard. She informed the assembly that the scholarships were increased by \$100 this year, however, because of limited funds only five scholarships were given instead of six as last year. Ms. Blackwell concluded by stating that Ethel Seagraves will be the new Director for the Daughenbaugh-Matheny Scholarship Fund.

Mr. Loy asked Mr. Cecil Bland to report on the **Bob Lay Memorial 1000 Club**. The club raised funds for Memorial United Methodist Church of Simsboro in the Ruston District. Three areas concerning youth were recognized: 1) Jon Richardson highlighted the Youth Service Fund; 2) Thomas Wright highlighted spiritual growth; and 3) Miss Hunt recognized the need for peace with justice. She presented Dr. Ray and DeLaine DeHainaut with a box of shoes to symbolize the need of youth in much of the world. John Wesley Williams, IV, shared a fictitious letter from Jesus while a video was shown on the call for discipleship. The Board of Laity report was accepted by the assembly.

Bishop Oden announced the offering from Monday night totalled \$2,536.25 which will go to the Russian, Cuban and Africa University causes.

Dr. Lovett Weems, President of St. Paul School of Theology, brought greetings from the **United Methodist Theological Schools** across the United States. He expressed appreciation for contributions made to the seminary funds. He shared the importance of these seminaries to the local churches.

Mr. David Rodriguez, Principal of **Lydia Patterson Institute**, brought greetings from Lydia Patterson. He expressed appreciation to the Louisiana Conference for all its support. Mr. Rodriguez then highlighted the changes at the institution and reported on some statistics: 45 seniors graduated from high school last year; 90% of those graduating went on to college; and 175 adults are taking evening classes. Afterschool classes are being offered for students lacking credits and summer school is also underway. He reported on students that are working around the United States in various jobs. He extended an invitation for everyone to visit Lydia Patterson Institute.

Kelly, add Wilson H. Brent; Board of Higher Education and Campus Ministry, remove Beth Watts and Tiffany Hincks, add Andy Moore and Brigitte Bearden; Commission on Religion and Race, remove John G. Hankins, add Brad Yonley; and on the Committee on Episcopacy, remove Don Avery & Stone Caraway, add Warren Blakeman & Randall Campbell. The report was accepted.

Dr. Caraway then offered the report on nominations that are not the responsibility of the Conference Committee on Nominations. He reminded the body that changes resulting from Annual Conference action will inevitably result in some updating of this report. Without objection appropriate agencies will make such corrections as needed. The assembly accepted that report.

Dr. Rod Kennedy asked that a letter of sympathy be sent to Rev. Kathy Dauphin upon the death of her father. It was also announced that the Daughenbaugh-Matheny Scholarship Fund will donate \$200 to Centenary College for the students coming from Russia.

Bishop Oden called for a short recess.

After the recess, the session was called to order. Bishop Oden presented Ms. Jackye Waiters Lee for the report on Black United Methodists for Church Renewal. She emphasized the accomplishments of the past 27 years. Ms. Lee highlighted the programs implemented such as the Black Pastors Institute, the Harambee, and the Laity Academy. She announced the theme for the next two years as "Renaissance of Empowerment." She closed with saying that there is no waiting for tomorrow. . . our time under God is now!

Rev. Abraham Davis requested a letter of concern for Dr. Carl Lueg, retired pastor, former district superintendent and a member of the conference for 63 years, who was unable to attend Annual Conference.

Rev. Robert Young, Administrator and Chief Executive Officer, gave the report on **Mt. Sequoyah**. He reported that Mt. Sequoyah continues to move forward after 72 years of service. He highlighted the new programs upcoming at the retreat center. There will be a special offering from Louisiana United Methodists in 1996 for Mt. Sequoyah. Rev. Young showed the conference a hand-painted stole given to him depicting the different seasons of Mt. Sequoyah.

Rev. Tim Lawson began his report on the **Committee on Rules**. He referred the conference to the Pre-Conference book. In regard to Article I, Section A, No. 2, 5, 6 and 7, Dr. Jack O'Dell moved to amend that number 2 be exempt from this change. After discussion, the amendment to remove number 2 failed resulting from a standing vote of 303 for and 210 against (must be 2/3 majority vote). Dr. Gerald Richardson proposed a substitute motion to

change Article I, Section A, No. 2, 5, 6 and 7: that the district committees in each of the areas elect their own chair, and that the chair be a member of the related conference board. This matter is to be brought before the Conference Committee on Nominations and structured into the Conference Nominating policy. This substitute motion passed. The report on the Rules Committee was delayed for completion until a later time in the conference.

Bishop Oden then called for the report on the **Conference Board of Pensions**. Mr. Welton Brumfield, Chair, referred the assembly to the Pre-Conference report. Rev. Tom Howe reported on the health insurance section of the report. He highlighted five important aspects of the report: 1) he encouraged generic drug use; 2) he encouraged the use of SMA (last year there was a 24% savings under SMA, this year only a 21% savings); 3) he encouraged everyone to please pre-certify before hospitalization; 4) the deductible and co-payment reimbursement allowed for the program to become solvent; and 5) he encouraged local churches to pay at least 50% of the insurance premium but urged a 100% payment by the church.

Rev. Marie Williams reported on pension service records. There were over 60 requests for service record changes. Twenty-five of those were reported on at this time. She informed the conference that the rest of the requests would be dealt with as soon as possible.

Mr. Brumfield made corrections in the report as follows: under Report II, number X., change Jamie Chavanne's name to Naomi Scrivener and under Report III, B., change 1993 to 1994 and 1994 to 1995. Also change 1992 to 1993 on Report IV. He announced that the 1995 annuity rate recommended increase is \$330 per service year for years prior to 1982. This is a \$20 increase. The conference past service liability for those clergy based on the 1994 rate is \$10,481,851. The conference apportionment for pensions has been set at \$750,000 for the fifth consecutive year. Other income is generated from the Woolworth Foundation, the Pension Crusade and other special contributions. He then reported that the current assets found in Report IV. of \$10,017,326.54 is the largest sum ever held by the Conference Board of Pensions. The report was accepted.

Bishop Oden presented the **retirees to address the conference**. He began the retirement celebration by asking Rev. Don Ross to introduce the retirees and their spouses. After the retirees' addresses, Bishop Oden informed the conference that together the retirees represented over 444 years of service to our church.

Dr. Stone Caraway made appropriate announcements. Rev. and Mrs. Ken Chapman were unable to attend conference due to Mrs. Chapman receiving cancer treatment at M. D. Anderson Hospital in Houston. Also, a get-well courtesy was requested for Mr. Oscar Johnson, Sr., historian at Calvary United Methodist Church. Dr. Chris Andrews requested a letter be sent to Elizabeth McGowan, former delegate to General Conference, because she was unable to attend conference due to a recent fall. Dr. and Mrs. Albert Hurley, Rev. and Mrs. Alfred Pollar, Sr., and Mrs. Maude P. Harris all unable to attend due to illness, will be remembered.

Bishop Oden closed the morning session.

Wednesday, June 8, 1994
Physical Education Center, Centenary College
2:00 p.m.

Rev. Judy Loehr opened the session with the hymn, "We've a Story to Tell the Nations."

Rev. Willie Jackson led the session in prayer.

Bishop Oden called for Rev. Steve Caraway to introduce the Louisiana United Methodist ministers that are appointed beyond the local church (see Section VIII. Appointments of the 1994 Journal).

Dr. Ken Reed was asked to give the Louisiana Conference **United Methodist Foundation** report. He presented Mr. Leroy Harvey to report on investments the Foundation maintains. He also announced Bridger Eglin as the new Board of Trustees Chair and encouraged continued support for the Foundation. Dr. Reed introduced Mr. Ray Caraway as the newest staff member of the Foundation. Mr. Caraway gave a word of greetings to the conference and discussed some of his responsibilities as a staff member. Dr. Reed urged local churches to form an endowment committee if there was not one already. He reflected on significant instances throughout the year such as a grant for Russian students, Pendleton Memorial Methodist Hospital in New Orleans and Dulac Cooperative Ministry for their library. He then referred the assembly to the Pre-Conference report and the average rate of return on the long term over the past nine years. He closed by introducing Mrs. Stacie Schneider, a staff member, and praised her for her effective work with the Foundation. He challenged members to invite the Foundation staff to their churches. The report was accepted.

Bishop Oden called on Rev. Ed Boyd,, Chair of the **Board of Ordained Ministry** Committee on Training and Orders to present those to be ordained (see Section VIII. Appointments of the 1994 Journal) at the evening worship hour. Rev. Ken Irby commended the Ordinandi to the love and care of the conference. The lay observers and clergy members of the Board of Ordained Ministry were recognized by Rev. Boyd. The report was accepted.

The Bishop called on Mr. Sidney Montegudo, Chair, to give the report of the **Board of Diaconal Ministry**. He made a few changes in his Pre-Conference report as listed: insert; Associate in Youth Ministry, Carolyn A. Dove; Director of Youth Ministry, John Edd Harper; Minister of Youth, Thomas E. Dolph; and Business Administrator, Lamar H. Zeigler. He presented two certificates, one to Ms. Ann King, as Associate in Music and one to Ms. Melanie Starkman, as Director in Music. He presented Ms. Carolyn Foster and Ms. Lucinda Warren, both to be consecrated as diaconal ministers, to give their addresses to the conference. Next, he recognized the members of the Board of Diaconal Ministry. The report was approved.

Bishop Oden asked Rev. Tim Lawson to continue with the **Committee on Rules** report. Regarding the rule change Article I, Section A, Rule 6 allowing for a representative of each of the Conference Health and Welfare agencies to participate on the Conference Board of Health and Welfare Ministries as "Ex-officio, with vote (except on financial matters directly effecting said agencies)." Discussion followed. The vote was taken and the rule change passed. Bishop Oden postponed the rest of the report until later in the conference session.

Bishop Oden asked Mr. Fred Loy, President of the **Conference Council on Finance and Administration** to present his report. Mr. Loy began by highlighting a few significant changes. He shared results of the District Apportionment Fairs. He noted the Lydia Patterson Institute

special offering date of May 21, 1995, the Mt. Sequoyah date of May 26, 1996, the Conference Center Sunday to be November 6, 1994 and February 26, 1995 and the special offering on Sunday, September 25, 1994, for the first United Methodist Church building in Ekaterinburg, Russia. He noted that local churches are recommended to pay up to \$2,000 of the minister's moving expenses and that beginning in 1995 the amount be increased in increments of \$200 each year through 1999 to a maximum then of \$3000. He then also noted that the World Service & Conference Benevolence budget amount for 1995 should be reduced to \$1,369,500, decreasing it by \$50,000 and add that amount to the Conference Administration Fund increasing it to \$699,000 as a result of conference action to add the new Director of Serving Ministries and to delete the CrossLines Ministry. He also noted that the District Superintendent's base compensation at their own request would be frozen for 1995. Mr. Loy noted a typographical error to change December 21, 1993 to December 21, 1994 as the date all financial officers shall submit final vouchers of various boards and agencies. He made the recommendation on behalf of the Conference Council on Finance and Administration that a sub-committee be established to select a conference insurance broker. It was also recommended that a cap be placed on out of state travel expense to be set at \$500. He informed the conference that some funds are still maintained in a minority bank as requested last year. Dr. George Calvin made a motion of referral for CFA to study an increase of Centenary Archivist and Dillard Fine Arts & Communications Center giving by \$10,000 each. It was decided that CFA will address this in 1995. Rev. Jack O'dell moved to suspend the Conference Rule for this year only concerning the district superintendents' salaries to uphold the decision by the District Superintendents to freeze the salaries. The motion carried. Then Rev. O'Dell moved to accept salaries as printed. That motion carried and the CFA report was accepted.

Bishop Oden recognized Dr. Stone Caraway for the **Conference Treasurer's** report. He referred the assembly to the Pre-Conference report as he highlighted some significant differences from 1993. He informed the conference that Louisiana United Methodists have been the recipients of almost \$2 million from UMCOR funds. He also shared with the assembly that the Conference Center has received in excess of \$1,300,000 which is the approximate figure where the giving should be in the four year financial campaign. The Pension and Benefit fund indicates a \$157,060 or 12% increase in operating budget since 1992 but a \$452,588 or 4.73% increase in total conference held assets from a year ago. He stated that 1993 turned out to be a good year for returns on our invested funds.

Dr. Caraway then reported that at the close of 1993, membership numbered 127,500, a 1% decrease from 1992. Average attendance at the Principal Worship Services was a fraction of 1% below the previous year, and we experienced a small decrease in the number baptized. However, there was a good increase in preparatory members, number enrolled in confirmation classes, number of church school members joining on confession of faith and total joining on confession of faith. World Service and Conference Benevolences showed a significant decline of 4.16%. A national report indicated that Louisiana per capita income in 1993 increased 4.6%, faster than 40 others. Total personal income increased 5.0%. Pastors' compensation here in Louisiana United Methodist churches increased 3.43% in 1993. Only 2 years out of the past 10 years has the compensation of Louisiana United Methodist pastors exceeded that of the entire denomination. However, they were above the denominational overall average compensation until this past year when it dropped down to 1.4% below the national average. Next year, because these averages are calculated two years in advance, it is known that the pastors will drop below the denominational average by 2%.

As has already been noted in the CFA report in 1993 the nine financial items included in the apportionment formula increased just over 5% in our local churches. This represents the total

operating costs of all of our churches excluding benevolences and capital expenditures. The total disbursements of all of our churches in the Louisiana Conference increased by 5.59% in 1993. This indicates that United Methodist Churches in Louisiana in overall receipts and expenditures are staying well ahead of the Consumer Price Index which was 2.7% in 1993.

Dr. Caraway stated that the people and projects we collectively support are our hands and voices, reaching and calling out in the name of Jesus Christ to our brothers and sisters in need. Let's learn all we can and then give all we can.

Information pieces "1994 Louisiana United Methodist Budget" and "Louisiana Conference Administration Fund" were distributed to complement materials distributed at the Conference Council on Ministries booths.

Dr. Caraway closed his report by introducing his staff members: Mrs. Naomi Scrivener (the newest member), Accounts Officer and Insurance; Mrs. Nanci Youngblood, Controller and Pensions ; Mrs. Belinda Bourgeois, Executive Secretary, Data Entry Operator and Assistant Journal Editor; and Ms. Lou Alexander, retired conference staff member who frequently volunteers her time and help.

Mrs. Anita Crump took a moment of personal privilege and commended Dr. Caraway and his staff for all the work they do. She then encouraged the laity that the apportionments be paid fully and in a timely manner. The report was accepted.

Rev. Spiller Milton, Chair, reported on the **Commission on Equitable Compensation**. He recognized members of the committee and thanked the Conference Treasurer's office for all their help. He then referred the conference to the Pre-Conference report. The report was reviewed and accepted.

Dr. Caraway made appropriate announcements and included expressions of concern. Mr. Earl Cobb, husband of Mrs. Pat Cobb the Conference UMW President, returned home on Tuesday of Annual Conference after being hospitalized on that Monday evening. Rev. John Coker had surgery and was unable to attend conference. Rev. David Dietzel's father had heart surgery at Rapides Hospital in Alexandria and Rev. Dave Fortuna's wife, Annette, had surgery. Congratulations to Rev. Alonzo Campbell on his Doctor of Ministry degree. Evelyn Deich suggested that the Committee on Rules consider printing the Conference Rules in the Pre-Conference reports for the benefit of laity who do not have conference Journals.

Dr. Jimmie Caraway gave the closing prayer and Bishop Oden adjourned the session.

Wednesday, June 8, 1994
First United Methodist Church
7:30 p.m.

The Service of Consecration and Ordination of the Louisiana Annual Conference was held at First United Methodist Church. Pre-Service music was led by Rev. Judy Loehr and accompanied by Mr. Stephen Distad. Bishop Oden officiated. The Word in Music was delivered by the Conference Ministers' Choir with the scripture reading from Acts 27:13-38 by Rev. Linn Caraway. Dr. Tom W. Boyd preached the sermon, "Pastoring in the Fractured Sanctuary."

Following the worship, a reception honoring the new Ordinandi and Diaconal Ministers was given in Bain Hall.

Thursday, June 9, 1994
Physical Education Center, Centenary College
8:30 a.m.

Bishop Oden invited Rev. Graham Matthews, newly transferred from the CME denomination, to open the session with prayer.

Rev. Richard Hoffpauir moved to suspend the rules limiting three speeches, one for each side of an issue, and limiting speeches to no longer than two minutes each. The motion carried.

Bishop Oden expressed concern regarding the debate on District Superintendents' salaries during the report of the Conference Council on Finance and Administration the afternoon before. He ruled that the motion to suspend the Conference Rules on Wednesday in order to vote on the District Superintendents' salaries was out-of-order and the decision of the District Superintendents to freeze their salaries was also out-of-order. He explained the formula for the salaries and commented on the reasons the District Superintendent decided to freeze them. Bishop Oden then asked for permission from the body to appoint a committee to study the rule by which the salaries are set for the District Superintendents and report back to the 1995 Annual Conference. The committee would consist of one District Superintendent appointed by the Dean, one member of CFA appointed by the Chair of CFA, two persons at-large appointed by the Bishop and the Conference Treasurer. Rev. Don Avery moved acceptance of the three phase proposal of Bishop Oden. The body accepted the motion.

Rev. Freddie Henderson gave the report of the Journal Committee stating that the minutes of the conference were in order. He moved that they be accepted. A vote was taken and the minutes were accepted.

Bishop Oden introduced his new secretary, Mrs. Kathy Moore, a member of First United Methodist Church of Baton Rouge.

Dr. Tom Matheny gave the report of the **Conference Board of Trustees**. Dr. Matheny reminded pastors of local churches to examine their church documents to make sure they are in good order and that they contain the necessary trust clauses. He then urged all local churches to be incorporated and fully insured. The twelve reports of the board were presented and accepted. These reports have become a part of this Journal and are found in Section XII. Reports. He then announced the officers of the board. The assembly accepted the report.

Bishop Oden asked for the completion of the **The Committee on Rules**. Rev. Tim Lawson reviewed the rule change regarding Article IV pertaining to the number of districts in the conference. Dr. Jack O'Dell offered an amendment to add to the rule change: "This rule would take affect at Annual Conference 1995." The amendment carried. Dr. Ray Branton moved that the Bishop appoint a committee to study the number of districts in the Louisiana Conference and report to the next regular session of Annual Conference. The motion was seconded and approved. The substitute motion became the main motion and was adopted.

Next, Rev. Lawson reviewed the rule change Article 6, Rule 13 regarding terms of membership in conference agencies. The proposal was designed to exempt along with the Conference Board

of Trustees the Conference Board of Ordained Ministry from the limitation of any number of years not to exceed eight (8) served in two consecutive quadrennia. After debate, a vote was taken and the proposal failed.

Rule change regarding Article I, Section A, number 9 which would have been an addendum to the previous proposal was no longer relevant and required no action.

Rev. Larry Norman then gave the report on the **Committee on Petitions**. He reviewed the Petition No. 1 regarding Sophia worship. Rev. Norman stated that a committee of the Board of Global Ministries has been appointed to study the petition. Speeches were made for and against the petition. Rev. James Humphreys moved to have the Board of Global Ministries form a committee to study the Re-Imagining Conference and Sophia Worship and report back to the next Annual Conference. The substitute motion carried replacing the main motion. A vote was taken on the new motion and it carried.

The Petition No. 2 regarding Homosexual Behavior was reviewed and discussion followed. The Committee on Petition's recommendation was non-concurrence as the rationale was not keeping with broader concerns on this issue. A standing vote was called for. The motion to approve the committee's report on non-concurrence was sustained by a 313 for and a 233 vote against.

Rev. Norman reviewed Petition No. 3 regarding an Environmental Sunday. The committee voted concurrence with two changes recommended by the Conference Council on Ministries. The intent of the petition was to promote greater awareness of and involvement in environmental concerns. Mr. John Porter expressed concern for the number of Sundays that are now approved for special offerings or emphases. He recommended the petition be given to the Council on Finance and Administration for study and possible future action.

Rev. James Poole moved a substitute motion to the petition to have The Board of Church and Society and Town and Country Ministries join Environmental Awareness with Rural Life Sunday and celebrate Soil & Environmental Stewardship on the fourth Sunday in April. Speeches were made for and against the substitute. The substitute carried. The substitute became the main motion and carried.

The Petition No. 4 regarding the Women's Division was brought before the conference. Discussion followed. Rev. Don McDowell moved to amend the petition by deleting paragraphs 3, 4 & 5 and to place in the concluding sixth paragraph a period following Women's Division, then deleting the remainder of that sentence. Speeches for and against the amendment were made. Dr. George Pearce called for the question. The conference approved the call for the question and then voted on the amendment. The amendment carried. The conference then approved the petition as amended. (See Addendum III of Daily Proceedings for complete text.)

Dr. Ray Branton gave the report on the **South Central Jurisdiction and Volunteers In Mission**. He expressed thanks to the conference for their support. He referred the assembly's attention to a brochure that was shared with the conference. He then reported on his different experiences working with the networks of the jurisdiction. He listed some of these networks and their importances. He informed the conference that the jurisdiction office now has up-to-date lists of the different missions that are available.

Dr. Don Cottrill recognized Ms. Mary Lou Cassingham to present the **Sojourner Truth Award**. The recipient was Mrs. Seola Callahan, Lake Charles District Lay Leader.

The **Youth Serving Ministries** report was given by Mr. Ray Owens. He announced the new name as Youth Engaging Services. He then presented the **Torch Award** to recipients Mr. Jerry Hammond, Rev. Ray Holt and Mr. Doug T. Smith. The Bishop's Award of Merit was presented to Troup 236 of Hammond United Methodist Church with Rev. Charles Humphreys accepting.

Dr. Cottrill called Rev. Tommy Bergeron to present the **Town & Country Ministries** report. The Charter For the Rex Squyres Chapter of Louisiana was presented to Rev. Darryl Tate by Rev. Hail Williams of the Texas Conference. He then presented Bishop Oden with an honorary membership in the Rural Ministry.

Rev. Leslie Akin presented the Sunday School Teacher Equipping Process Team (SSTEP) to the conference. She called attention to the Directory for S.S.T.E.P. Task Force explaining how the process works. The conference then participated in a Litany of Commissioning Leaders of The SSTEP.

Dr. Cottrill called upon Rev. Greg Ligon, Campus Minister at SMU, to present the work with campus ministry. He highlighted community and individual steps toward Christ. Rev. Ligon referred the conference to a brochure available to the conference.

Bishop Oden asked Mr. Ron Patterson, Editor, to give the report on the **United Methodist Reporter**. He brought greetings from the Reporter in Dallas.

A personal privilege from Rev. Levi Moore, Newlight Charge, expressing gratitude to various persons of the conference for the conference theme "God Is Here" as represented by the logo and thanked the conference for the words of comfort in the recent loss of his wife.

Rev. Dan Krutz, **Louisiana Interchurch Conference** Director, presented his report. He brought greetings from the thirteen denominations of the LIC. He expressed appreciation for the Louisiana Conference's financial support of LIC. He announced that LIC will celebrate its 25th anniversary in March of 1995.

Rev. Freddie Henderson requested greetings be sent to Rev. & Mrs. Ameal D. Ennis of Baton Rouge.

Bishop Oden asked Rev. Abraham Davis, Chair of the Committee on Courtesies, to make the **Courtesy Report**. Rev. Davis expressed thanks to all the various people that made the 1994 Louisiana Annual Conference a success. He closed his report with the admonition that lives of United Methodists be a journey of service through grace, responding to Christ, seeking to be faithful to his will now and in the years to come!

Dr. Kenneth L. Schwab of Centenary College and Dr. Pat Day of First United Methodist Church in Shreveport gave invitations for the Louisiana Annual Conference to return in 1995. The motion was made to accept the invitations. It carried.

Bishop Oden then gave a word of appreciation to the Conference Worship Committee. Afterwards, the service of sending forth began.

The Service of Sending Forth liturgist was Mr. Leroy Crump with Rev. Loehr providing special music and Mr. McCoy Ransom at the organ.

Bishop Oden read from Galatians 2:20, "I am crucified with Christ. It is no longer I who live, but Christ Jesus lives in me; and the life I now live in the flesh I live by faith in the Son of

God, who loved me and gave himself for me." Bishop Oden lifted up this scripture to remind the conference that, "we have been challenged this week of Annual Conference in everything we have been about to be the body of Christ serving the world."

"There are three kinds of truth: 1) Courtroom truth. Persons see the truth in different ways. 2) Classroom truth. Theories cause debate and deliberation. We learn much that becomes very useful. But ultimately neither of these truths have the final answer. 3) Gospel truth. We all want to know and follow the truth of God. There is a core within our diversity that Wesley called, 'in all things essential have unity,' and that's the scripture before us. 'I am crucified with Christ. It is no longer I who live but Christ lives in me and the life I live in the flesh, I live by faith in the Son of God who loved me and gave himself for me.' This is the foundation upon which all other truth is based."

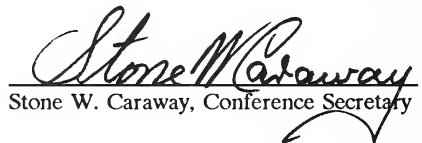

"This truth," the Bishop went on to say, "has been demonstrated in the spirit of giving and loving at Conference this week. God is here. God is here in all that we are about. In our debate as much as in our worship. In our struggles as much as in our structures. God is here because we are those who have been crucified with Jesus Christ and we seek to have Christ live in us. Amen."

The service of worship was closed with Bishop Oden leading in the liturgy of "Fixing of the Appointments and Sending Forth."

Bishop Oden delivered the Benediction and declared the twenty-fourth session of the Louisiana Annual Conference, adjourned.

Bishop William B. Oden, President

Stone W. Caraway, Conference Secretary

ADDENDUM NUMBER 1

The following document, "Theological Reflection" is a covenant of the clergy of the Louisiana Annual Conference in the form of a theological reflection regarding sexual ethics, misconduct and harassment. The Board of Ordained Ministry presented the procedural statement to the Executive Session of the Annual Conference on June 6, 1994, at which time it was adopted.

Theological Reflection

We are a people of covenant. The Hebrew scriptures give witness to a creator God, holy and righteous, who desires to live in community with humanity. God makes covenant, inviting human beings to live in relationship with the covenant God and forming a covenant community. While God made covenant with Abraham, it is in the wilderness at Sinai that the community is given form and shape with the Ten Commandments. This covenant is not by coercion, but by invitation. God sets before the covenant community life and death. In other words there are ways in which we choose to order our life together which bring life and wholeness, and ways which bring about de-humanization.

In the Christian scriptures, Jesus the Christ is the fulfillment of covenant, giving us the symbols of covenant with baptism, and bread and wine. At Pentecost, recalling the event of Sinai and law giving, the Holy Spirit creates a community of understanding and harmony among a people who speak different languages. The Church becomes the Body of Christ, living in covenant with God through Christ and in covenant with each other. The relationship to God and to the community cannot be separated from each other.

United Methodist have historically expressed this covenant in a variety of ways in our Church order. For our purposes, we are perhaps more than any other Christian communion mindful of our covenant as clergy in that we have joined in connection. It is appropriate that we continue in various ways through our life together to affirm that covenant of connection and most especially in response to issues which threaten the very nature of the covenant we share.

In our day, issues about sexuality, power, authority, and sexual harassment have been brought to our attention in ways never before experienced. In attempting to avoid legalisms, we suggest that the best way for these issues to be addressed is by being reminded of our covenant with God, with the whole covenant community and the United Methodist connection for clergy. The witness of scripture is clear in the Ten Commandments, the Sacrament of Baptism, the Sacrament of the Lord's Supper, the Rite of Ordination (take thou authority) and the coming of the Holy Spirit at Pentecost. The issue of sexuality must be dealt with in the context of that covenant community, sacramental and communal, in an atmosphere of mutual respect and trust and in the best sense of the word "agape".

Covenant of Clergy
Louisiana Conference, United Methodist Church
Regarding Sexual Ethics, Misconduct and Harassment

Common Ground

In the Annual Conference, clergy are bound together by a freely entered, mutually binding covenant with one another. As persons called of God to be clergy persons of Word, Sacrament, and Order, we are aware of our responsibility to the people entrusted to our charge. We acknowledge that it is our responsibility to maintain the integrity of interpersonal relationships with our parishioners and each other and to avoid sexual misconduct.

Clergy sexual misconduct is sexual conduct or activity in which the clergy person violates the free choice or abuses the vulnerability of any person, including a minor or adult parishioner, client, church staff person, or colleague. Clergy sexual misconduct may range from overt use of physical force or intimidation to covert and subtle harassment. In addition to inappropriate physical acts, in certain circumstances, the inappropriate use of sexually suggestive language or humor might constitute clergy sexual misconduct.

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical, which is demeaning, intimidating or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment also includes the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender.

Covenant

1. We renew our covenant to follow the teachings of the Holy Bible and the Book of Discipline, and to seek holiness of life and heart.
2. We covenant to hold in sacred trust information, confessions and personal stories told in confidence.
3. We covenant to speak the truth in love to one another and to all persons believing that it is the truth which sets us free.
4. We covenant together to respect the concerns and needs of alleged victims.
5. We covenant together to assume a person innocent until proven guilty.
6. We covenant to hold each other accountable in love:
 - a. When we learn of the sexual misconduct of another clergy, we will discuss the misconduct with him/her.
 - b. If the misconduct continues, we will prayerfully consider communicating this knowledge of the sexual misconduct to the District Superintendent and/or the Bishop.
 - c. When misconduct has occurred, we covenant together to provide access to means of a redemptive and healing process.

Procedures

A. Assumptions underlying procedures

1. Allegations will be taken as worthy of full investigation.
2. Presumption of innocence shall be maintained until completion of the process. After that, the conclusion reached in the process will apply.
3. The protection of those involved, including the alleged victim or victims, the accused and the accused's family, and their congregation or institution shall be sought until all facts have been carefully considered and appropriate actions determined.

B. Investigation when sexual misconduct is alleged.

When sexual misconduct is alleged, the following procedures shall be followed:

1. The allegation shall be brought to a district superintendent, or the bishop by the alleged victim, or by someone who has knowledge and is willing to pursue a resolution.

2. Both the alleged victim and the accused may bring to any meeting or hearing a person to accompany them and shall have the right to advocacy. (§454.1c)
3. A District Superintendent shall promptly share the grievance with the bishop.
4. The Bishop or designated representative shall:
 - a. explain to the alleged victim in the presence of another person chosen by the bishop the process and the procedures to be followed in response to the grievance. One of these persons shall be the same sex as the alleged victim.
 - b. request and assist the alleged victim to provide a written grievance stating the allegations and the related facts.
 - c. request permission from the alleged victim to use a written grievance in discussion with accused.
 - d. meet with accused clergy (§454.1a) and share the allegations made:
 - 1) share with him/her the formal written grievance where permission has been given to use it.
 - 2) explain the process to be followed (§454) and its purpose, emphasizing the presumption of innocence and the right to fair process. (§2622)
 - 3) request an oral or written response from the accused after informing the accused that he or she may respond to the allegations at a later date, if desired, after consultation with an adviser.
 - 4) make available a summary of the accused's response to the alleged victim for comment.
 - 5) seek to substantiate the allegation and ascertain sufficient reason for pursuing or not pursuing the allegations further.

C. DETERMINATION OF SUFFICIENT CAUSE

When the bishop and supervising district superintendent determine there is sufficient cause for a complaint of sexual misconduct, the bishop or the designated representative shall ask the alleged victim(s) if they wish to participate in or will allow their written grievance to be shared in the Joint Review Process (§454.1c). One of three courses of action shall then be taken:

1. If a complaint is to be filed with the cooperation of the alleged victim(s), a written signed complaint shall be filed by the district superintendent or bishop, with the Chair of the Board of Ordained Ministry (§454.1b);
2. If there is substantial evidence, but no written grievance from an alleged victim to be used, the superintendent or bishop may file a complaint with the Chair of the Board of Ordained Ministry (454.1b);
3. If the alleged victim, district superintendent and bishop choose not to pursue the grievance or complaint procedure, a note without prejudice and any written grievance shall be placed in the clergy person's permanent record by the bishop in the Bishop's office that potentially serious offenses have been alleged, but were neither

conclusively substantiated nor disproved. Any written statement by the accused may also be placed in the file. Any clergy person has access to his/her file.

D. AFTER A COMPLAINT IS FORMALLY FILED

When a complaint is formally forwarded to the Chair of the Board of Ordained Ministry (§454.1), the following steps will occur expeditiously:

The Chair of the Board of Ordained Ministry calls the Joint Review Committee into session and refers the complaint thereto:

- In order to protect the rights of the accused and to protect the alleged victim(s) and congregation from possible harm, the accused may be placed on Leave of Absence (§448.1).
- The clergy person is encouraged to use fair process accorded by the Joint Review Committee. However, throughout the process, the clergy person may withdraw from membership in the Annual conference under (§453.4 & §2628.2.) If withdrawal takes place before formal charges are filed, the credential will be inscribed by the Bishop "withdrawn under complaint of sexual misconduct" and deposited with the Secretary of the Annual Conference. After formal charges have been filed, the credentials will be inscribed "withdrawn under charges of sexual misconduct". This withdrawal is reported to the Board of Ordained Ministry for confirmation by the Clergy Session of the Annual Conference at its next session.

E. THE JUDICIAL PROCESS OF THE UNITED METHODIST CHURCH

1. Joint Review Process

The Joint Review Committee is charged with the responsibility of seeking a resolution of complaint brought against clergy. Its duties and procedures are outlined in (§454.1c). The Joint Review Committee is not a trial procedure, but a hearing. Those against whom charges are brought and the aggrieved are urged to use this avenue of resolution.

2. The Right of Trial

Those against whom allegation or complaints are brought are innocent until proven guilty and may choose a trial when charged with offenses. The trial procedure is outlined in (§454.1d and §2622-2627).

F. RECORDS

When credentials have been surrendered, the Clergy Session of the Annual Conference shall receive a report (§454.11). Full information of sexual misconduct and subsequent actions taken shall be kept in the clergy person's permanent record in the Bishop's office.

ADDENDUM NUMBER 2

In response to the Judicial Council and Council of Bishops, the Louisiana Conference in Clergy Session and in Laity Session approved the following:

I. Definition:

A self-avowed practicing homosexual is a person who engages in and openly acknowledges genital sexual behavior with a person or persons of the same sex. Homosexual behavior shall mean interaction involving the genitals with a person or persons of the same sex.

Rationale

This proposal follows the definition established by the Illinois Conference and differs somewhat from that proposed by the Council of Bishops. It was decided that since the practice and profession of homosexual behavior (Paragraph 402.2 of the 1992 Book of Discipline) were the key issues. Any definition must be explicit in addressing what constitutes sexual behavior. It was our concern that the definition not lend itself to broad interpretation in the area of sexual behavior. Therefore, the use of the term "genital sexual behavior" was proposed.

II. Definition:

Status is a legal relationship or legal condition of a group of persons based on race, gender, or national origin.

Note: This definition concurs with the recommendation of the Council of Bishops.

Rationale

The intention of the use of the word status was to identify a legal relationship or conditions of a group of persons and had nothing to do with behavior or orientation. The original definition had nothing to do with altering the position of the United Methodist Church concerning the practice of homosexuality (Par. 71 (F) and the prohibition of candidacy, ordination, or appointment of "self-avowed practicing homosexuals" (Para. 402.2) which was reaffirmed by the 1992 General Conference. There seems to be no evidence that the amendment to Para. 4 in the 1992 Book of Discipline was intended to relate to behavior or orientation. Research by the Council of Bishops revealed that the intent of the authors of the amendment arose from concerns regarding discrimination on the basis of marital status as it relates to housing, salary, and other benefits made available or unavailable in the appointment process to clergy couples.

ADDENDUM NUMBER 3

PETITION TO THE LOUISIANA ANNUAL CONFERENCE

REASONS FOR THE PETITION (WHEREAS): Whereas the Women's Division has been charged with the responsibility "to give visible evidence of oneness in Christ by uniting in

And whereas the funds which they derive from undesignated giving are "for the fulfillment of the responsibilities of the division." (§1428)

PROPOSED ACTION (BE IT THEREFORE RESOLVED): Be it therefore resolved that the Council of Bishops and the General Board of Global Ministries conduct a thorough examination of the theological focus of the Women's Division.

Each Board of Directors of the Wesley Foundations shall elect a Methodist student member of the Wesley Foundation for each campus minister who received over one-half their salary through the Wesley Foundation. The District Superintendent shall preside at this election.
18. **ELECTION OF YOUTH DELEGATES:** The District Council on Youth Ministries shall nominate a delegate and reserve delegate in the youth category (18 years of age or younger on the opening date of the Annual Conference for which they are elected) after consultation with the District Superintendent, local church youth groups, and pastors in that district, and these nominations may be made from the floor of the District Conference.

The District Young Adult Coordinator shall nominate a delegate and reserve delegate in the young adult category (between the ages of 19 and 25 on the opening date of the Annual Conference for which they are elected) after consultation with a young adult task force composed of campus ministers, young adult leaders in local churches, two young adults, one of whom shall be a student and one a non-student, and the immediate past young adult delegate and reserve delegate in that district and the District Superintendent. In those districts where there is no young adult coordinator, the adult coordinator shall make the nominations in the process as stated above. These nominations shall be presented to the District Conference for their election. Additional nominations may be made from the floor of the District Conference.

19. **LAY AND CLERGY MEMBERS:** In accordance with *The Book of Discipline of The United Methodist Church*, the membership of the annual conference shall be equally represented by clergy and lay. The clergy membership shall consist of members in full connection, probationary members, associate members, affiliate members, and local pastors under full-time appointment to a pastoral charge. All clergy members of the annual conference shall be attached to one of the districts. The Conference Committee on Credentials, in cooperation with the district superintendents, shall ascertain the number of clergy members in each district and shall ascertain the number of laypersons in each district who are delegates by virtue of election or by virtue of their office. Two young persons under twenty-five (25) years of age shall be elected lay members by each District Conference or District Council on Ministries, as outlined in Article VI, Rule 18 of the Conference Journal. The diaconal ministers, the conference president of United Methodist Women, the conference president of United Methodist Men, the conference Lay Leader, the district Lay Leaders, the president or equivalent officer of the conference young adult organization, if applicable, and the conference president of United Methodist Youth shall be counted as members of the annual conference from the districts in which they reside. The Conference Committee on Credentials shall then ascertain the number of additional lay members needed to equalize the lay and clergy membership of the annual conference. The total number of additional lay member slots will then be prorated to the districts based upon the church membership of the districts as reported in the most recently published edition of the Conference Journal. These additional at-large lay members shall then be elected by the respective District Conference or District Council on Ministries upon nomination by the District Committee on Nominations. Additional

nominations may be made from the floor of the District Conference or the District Council on Ministries.

20. **LOCAL CHURCH COMMITTEE ON WILLS:** Each local church shall have a committee of one or more members on wills, trusts and special gifts.
21. **CHANGE IN RULES:** Any recommendation for Rule changes shall be presented to the Chair of the Rules Committee no later than the last day of February. The Rules Committee shall consider and make its recommendations in time to be included in the Pre-Conference Report.

Amendments to proposals to change the Conference Structure and Rules which have been presented to the members of the Annual Conference in the Pre-Conference Report may be considered by the Annual Conference session and shall require a $\frac{2}{3}$ (two-thirds) majority vote for approval. Proposals to change the Conference Structure and Rules shall require a $\frac{2}{3}$ (two-thirds) vote for adoption.

22. **CALENDAR:** In order to coordinate the calendar of the Conference and to be better stewards of money and time, no conference event may be held unless it has first been cleared through the COM Executive Committee at least six months prior to the event. The CCOM Executive Committee shall make necessary changes so that there will be no duplication of major events. Items to be calendared are programs, board meetings, conference events, any scheduled event which involves the Conference, etc. In case of unusual circumstances a meeting could be put on the calendar by a two-thirds vote of the Executive Committee.
23. **ITINERATION:** The Conference Year is from June 1 to May 31. When a minister moves to a new appointment at Annual Conference he/she is to receive compensation and expenses from June 1. When a minister leaves an appointment at Annual Conference, he/she will receive compensation and expenses only through May 31. If the minister lives in a parsonage, he/she is responsible for paying the utilities for the month of May and for leaving the parsonage in good condition. The chairperson of the Pastor-Parish Relations Committee is to certify to the District Superintendent on the form provided by the District Superintendent that the provisions of this rule have been met by the minister before leaving the charge. If a minister is given a housing allowance, the chairperson of the Pastor-Parish Relations Committee is to give to the District Superintendent a copy of the contract for period of time to be covered by the housing allowance. This form, which is to be provided by the District Superintendent, is to be sent to the District Office at the beginning of the appointment.

ARTICLE VII: RULES OF ORDER FOR CONFERENCE SESSIONS

RULE 1. SCHEDULE OF MEETINGS

Morning — Opening Prayer or Devotional Service
Conference Business with a mid-morning recess
Afternoon — Conference Business
Evening — Programs as planned.

RULE 2. ORDER OF BUSINESS: After devotional service the daily sessions of the Conference shall be conducted as follows:

1. Report of Committee on Journal of the previous meeting or meetings.
2. Report of Committee on Courtesies.
3. Report of other standing administrative and special committees.

4. Calendar.
5. Miscellaneous business.

RULE 3. AUTHORITY OF THE CHAIR: The presiding Bishop, or a person designated by the Bishop, shall be the presiding officer of the Annual Conference. They shall decide points of order raised or not raised by the members, as they deem necessary to conform to these rules of order; subject, in both cases to an appeal to the Conference by any member without debate; except that the chairperson and the appellant, in the order named here, shall each have five minutes for a statement in support of their respective positions. A tie vote in the case of appeal shall sustain the chair. When any member raises a point of order they shall cite, by number, the rule they judge to have been violated. The presiding Bishop shall have the right to recess a session of the Annual Conference at any time at his/her discretion and to reconvene at such time as he/she shall announce, with only delegates, authorized personnel and authorized guests permitted to attend such a session following recess.

RULE 4. CALLING THE CONFERENCE TO ORDER: When the chairperson stands in his/her place and calls the Conference to order, no member shall speak, address the chair, or stand, while the chairperson stands.

RULE 5. ATTENDANCE AND SEATING RESERVES: No member, unless hindered by sickness or otherwise from being present, shall be absent from the sessions of the Conference without permission of the Conference; and all absentees shall be reported to the Chairperson.

RULE 6. DIRECTIONS FOR SECURING THE FLOOR: When a member desires to speak to the Conference, he/she shall arise at his/her designated seat, respectfully address the presiding officer, using the term, "Mr./Madame Chairperson," and after recognition, proceed to a microphone and announce the Church or Charge which he/she represents; which, in turn, the Chairperson shall then announce to the Conference.

RULE 7. INTERRUPTING THE SPEAKER: No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for a special order, or to raise a very urgent question of high privilege.

RULE 8. SPEAKING MORE THAN ONCE; LENGTH OF SPEECH: No member shall speak a second time on the same question if any member who has not spoken desires the floor, no more than twice on the same subject under the same motion, no longer than ten minutes unless their time shall be extended by the Conference. This ten minute limit may be reduced by a majority vote of the Conference at any time, and for any period duration.

RULE 9. QUESTION OF HIGH PRIVILEGE: A member claiming the floor at any time for what he/she believes is a very urgent question of high privilege shall be allowed to indicate briefly the nature of the question and if it be adjudged by the chair to be such, he/she may proceed at his/her pleasure or until the chairperson judges that he/she has exhausted their privilege.

RULE 10. VOTING AREA OF CONFERENCE: Only members within the area of the Conference when the vote is taken shall be entitled to vote. All members within the area at the time a question is put shall vote, except such as shall have been excused for special reasons by the Conference.

RULE 11. VOTING PROCEDURES: Voting shall be by a show of hands unless otherwise ordered by the Conference. An "aye" or "nay" vote, if taken, shall be by signed ballot. An "aye" and "nay" vote by secret ballot may be ordered on call of any member, supported by one-third ($\frac{1}{3}$) of the members present and voting. A count vote may be ordered on call of any member supported by one-third ($\frac{1}{3}$) of the members present and voting, in which case the members shall rise from their seats and stand until counted.

No other business shall be in order when a vote is being taken or when the previous question has been called, until the process is completed, except such as relates to the vote itself, or that which can be appropriately fitted into the time while waiting for the report of the secretaries on a count vote, or any "aye" or "nay" vote. The count shall be made by the Committee of Tellers.

RULE 12. DIVISION OF QUESTION: Before a vote is taken any member shall have the right to call for a division of any question, if it is subject to such division as they indicate. If no delegate objects, the division shall be made; but if there is objection, the chair shall put the question of division to vote, not waiting for a second.

RULE 13. VOTE BY ORDER: The ministerial and lay members shall deliberate as one body; but upon a call, by motion of any member, seconded by another member of the same order and supported by one-third ($\frac{1}{3}$) of the members of that order voting, the ministerial and lay members shall vote separately. But when the Conference votes by orders, no measure shall be passed without the concurrence of a majority of both classes of members. In cases of such a vote the order calling for it shall vote first; provided, however, that the Conference may not vote by orders on a proposed amendment to the Constitution. *Discipline* (pp. 64-66)

RULE 14. MOTION FOR ADOPTION OF REPORTS AND RESOLUTIONS UNNECESSARY: Whenever a report of a committee signed by the chairperson and secretary thereof, shall be presented to the Conference for its action, it shall be deemed in proper order for consideration by the Conference without the formality of a motion to adopt, and a second thereto.

RULE 15. REQUIRED FORMS FOR REPORTS, RESOLUTIONS, MOTIONS AND AMENDMENTS: All resolutions and committee reports shall be presented in triplicate; and, when requested by the secretary, motions, including amendments, shall be presented in writing.

RULE 16. ALTERATIONS OF MOTIONS, ETC.: When a motion is made and seconded, or a resolution is introduced and seconded, or a committee report is read, it shall be deemed to be in possession of the Conference, and may not be altered except by action of the Conference.

RULE 17. UNDEBATABLE MOTIONS: The following motions shall be acted upon without debate:

1. To adjourn, when unqualified, except to adjourn the Conference finally.
2. To suspend the rules.
3. To lay on the table.
4. To take from the table.
5. To call for the previous question.
6. To reconsider a non-debatable motion.
7. To limit or extend the limits of debate.
8. To call for the orders of the day.

RULE 18. RIGHTS OF THE MAIN QUESTION: The main question may be opened to debate under the following motions: to adopt, to amend, to commit or refer, to substitute, to postpone, and to reconsider. No new motion, resolution, or subject shall be entertained until the one under consideration shall have been disposed of. The foregoing does not apply to secondary motions if otherwise allowable in the existing parliamentary situation.

RULE 19. PRECEDENCE OF SECONDARY MOTIONS: If any one or more of the following motions shall be made when one or more other motions are pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:

1. To fix the time to which the Conference shall adjourn. (This motion is subject to amendment, or it may be laid on the table).
2. To adjourn.
3. To take recess.
4. To order the previous question.
5. To lay on the table.
6. To limit or extend the limits of debate.
7. To postpone to a given time.
8. To commit or refer.
9. To amend or to substitute (one amendment being allowed to an amendment.)
10. To postpone indefinitely.

RULE 20. TABLING RELATED MOTIONS: No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

RULE 21. REFERRING REPORTS, ETC.: It shall be in order for the Conference to refer to a committee a section or a part of a report or resolution which is before the Conference for consideration, or any amendment offered thereto.

RULE 22. PROCEDURE FOR CONSIDERATION OF SUBSTITUTES: When a resolution or committee report is properly before the Conference for consideration and action, even if amendments thereto are pending, a substitute therefore may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Conference shall then proceed first to perfect the original report or resolution, including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two (2) members to speak on each side of the question of substitution or adoption.

RULE 23. PREVIOUS QUESTION: When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), they shall indicate to what they intend it to apply, if any secondary motion or motions are also pending. If he/she does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds ($\frac{2}{3}$) vote of those present and voting for its adoption; and if it is accepted, the vote shall be taken on the motion or motions to which it applies without further debate.

RULE 24. MOTION AFTER SPEECH: It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

RULE 25. EXCEPTIONS TO MAJORITY VOTE: A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

1. One-third ($\frac{1}{3}$) of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
2. A call for a vote by orders shall prevail if sustained by one-third ($\frac{1}{3}$) of the members of the order from which the call came, present and voting.
3. A two-thirds ($\frac{2}{3}$) vote shall be required to sustain a motion to suspend or amend the rules; to sustain a motion for the previous question; to set aside a special order; to consider a special order before the time set therefor; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person on the final day of the Annual Conference.

RULE 26. RECONSIDERATION: A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

RULE 27. CALENDARS, REGULAR AND NON-CONCURRENCE: The Secretary shall keep a chronological record of orders of the day and of reports of committees, which record shall be called the Calendar, and the matter of business placed on it shall be considered as recommended by the Committee on Agenda (the Cabinet) to the Conference, unless by a two-thirds ($\frac{2}{3}$) vote of the Conference an item is taken up out of its order.

When committee presents a report on a given subject, as part of its report, it must also list the numbers of all petitions relating to this subject on which the committee voted non-concurrence.

RULE 28. MOTION TO ADJOURN IN ORDER EXCEPT: The motion to adjourn when unqualified, shall be taken without debate, and shall always be in order, except:

1. When a member has the floor.
2. When a question is actually put, or a vote is being taken, and before it is finally decided.
3. When the previous question has been ordered and action there under is pending.
4. When a motion to adjourn has been lost, and no business or debate has intervened.
5. When the motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

RULE 29. SPEAKERS FOR AND AGAINST: When the report of a subject is under consideration, it shall be the duty of the presiding officer to ascertain, when he/she recognizes a member of the Conference, on which side he/she proposes to speak; and he/she shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desire to speak on the other side thereof.

Except for undebatable motions, no motion shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for

and two against the said proposal, provided that right is claimed before the chairperson or duly authorized member representing the committee's report or the minority report, if there be such, is presented to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairperson or/and duly authorized member or members presenting a committee's report (and a minority report if there be one) shall be entitled to speak before the vote is taken.

This right of the chairperson and/or other member or members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the report under consideration; provided, that this five minute limit shall not apply to a motion to substitute a minority report for a regular (majority) report of a committee.

RULE 30. EFFECTIVE DATE: All actions of the Annual Conference everywhere shall become effective upon the final adjournment of the session of the Annual Conference at which they are enacted, unless otherwise specified, except as provided otherwise in the *Discipline*.

RULE 31. SUSPENSION OF RULES: The operation of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds ($\frac{2}{3}$) vote of the Conference.

RULE 32. ROBERT'S RULES OF ORDER SUPPLEMENTAL AUTHORITY: In any parliamentary situation not clearly covered by these Rules of Order, the Annual Conference shall be governed by the current edition of Robert's Rules.

META PERSIS MEANS JOHNS (MRS. H. L.)

(1901 - 1993)

Meta Persis Means was born October 17, 1901, in Ida, Louisiana, to James Taylor Means, II, and Delle Bonner Means. The second of eight children, she grew up "a country girl," as she described herself later, tending to little brothers and sisters and helping her mother with numerous household chores. She credited her father with the resolve--unusual in that day--that even young women should receive a college education. So at the age of thirteen Persis made the trip south to Baton Rouge, to live with an aunt, Stella Bonner, while she attended Baton Rouge High School and Louisiana State University.

Henry LeRoy Johns and Persis married on June 14, 1921, shortly after Persis' graduation from LSU (where she had won the gold medal in piano) and began the years of united, dedicated service to the United Methodist Church. Rev. Johns' appointments included Cedar Grove, Natchitoches, Ruston, Lake Charles, Carrollton and Rayne Memorial in New Orleans. He was presiding elder of the Monroe District and later District Superintendent of the New Orleans District. He was named to the Board of National Missions, then situated in Philadelphia in 1953. In 1966, the couple retired to Monroe, where he was Pastor Emeritus at First Church.

They had three children: Persis, Roy and Hope, as well as son, David who died in infancy. Rev. Johns died in 1985. At the time of her death, Persis was survived by two brothers, three sisters, her children, ten grandchildren and seventeen great-grandchildren.

Persis Johns loved scholarship and the arts, especially music. She played classical piano well into her eighties. She applied high standards to all her pursuits, was exacting about formality that balanced her husband's more flamboyant manner. Few were the people who called her anything but "Mrs. Johns!" Yet Persis was open and flexible about larger issues and was not judgemental about other perspectives. Her hospitality, expressed in delicious meals and a calmly inviting living room, reflected not only dignity but also the genuine warmth and interest she felt toward people. In some sense, she was the very embodiment of the old fashioned preacher's wife. Her career--indeed, her vocation--was supporting and extending her husband's ministry and being primarily responsible for their active household. She did this capably, graciously, wisely, frugally and with a dash of humor. As Bishop Ben Oliphint pointed out at her funeral, she was always able to move on short notice (for new appointments used to be kept secret until Conference) she could pack up their household, see to its safe transport, and re-establish it efficiently in its new place. Even in death, Persis Johns knew how to move. She died in bed, on a stormy spring evening, April 7, 1993, between the praying of the Lord's Prayer and the reading of a Psalm.

A friend who wrote the family after her death noted, "You knew where her feet were planted. We need more like her today, to take a firm stand."

ROBERT J. "BOBBY" ADDISON
(1949 - 1993)

The Rev. Robert Addison died on Saturday, August 21, 1993 at his home in Monroe. The world lost a good man, the Louisiana Conference lost a faithful servant, Monroe and Bastrop lost a gentle prophet, and St. James and Mt. Olive United Methodist Churches lost a loving pastor.

Bobby was born September 21, 1949, in Chicago, Illinois to Bessie Butler Addison and James Addison. His father died young, leaving the child-rearing to Bobby's mother. The strong influences in his life included Mr. John Beaver, with whom he shared a home at the time of his death, Rev. A. E. Franklin and Rev. Robert Murray, former pastors in Monroe.

Bobby served as pastor of the Mt. Nebo and Lawson Chapel charge, associate to Rev. Murray at the St. Paul Church and finally as pastor of the St. James and Mt. Olive charge at the time of his death. He was able at St. James, his home church, to overcome the ancient word: "A prophet is not without honor save in his own home..."

I have been friends with Bob since 1969 and found his life a blessing. Bob was not the front person in social change, but his life was lived as if "Christ has broken down the walls of hostility..." In 1970, Bob and I visited Wesley Theological Seminary in Washington, D.C. While there, we met several Black students from that area who helped give Bob a new understanding of what it meant to be Black and a new esteem in being who he was - a Black man. Bob believed that "God hath made of one blood all people." He was always a man of faith. This dominated his life and was readily apparent to all those with whom he had contact.

Bobby had few relatives, only some distant cousins. He had a large family of friends who loved him. Bobby is dead. We who remain have the privilege of continuing his preaching of love, compassion and equality and of allowing the love of Christ to rule lives.

HAZEL LEA NOWELL AILOR (MRS. JAMES W.)
(1911 - 1993)

Born in Shreveport, LA., reared in Mansfield, LA., Hazel Lea attended Mansfield Female Junior College. She served as the first director of the Louisiana Tech Wesley Foundation, and Supervisor of Women at Methodist Home Hospital, New Orleans, where her husband, Rev. Jim Ailor served as Superintendent.

She and Jim were married over fifty years. They have three children, (Bob is deceased), six grandchildren, and two great-grandchildren.

Since Jim entered the Louisiana Conference in 1941, they have served churches in Bernice, Dubach, Alabama, Summerfield, Belcher, Gilliam, Montgomery, Zachary, Downs ville, Lake Charles, Sun, Bush, Tallisheek, Pearl River, Baton Rouge and Slidell. Hazel Lea was Jim's chief assistant at the Methodist Home Hospital in New Orleans.

Throughout her husband's ministry Hazel Lea was involved in the Methodist Women's units of Jim churches. She spent hours in preparation and teaching the many Women's Society study courses, whether political, Biblical or missions.

Very important was her work throughout Jim's ministry as personal counselor. Women of the church or community, who came to Hazel Lea either as teacher, counselor or friend, were of all ages, from college years to retired. Hazel Lea's friendly outgoing ways always made it open-house everywhere they lived. Through all of this Hazel Lea was very much the homemaker, cook, mother, and wife. . . and neighbor.

Among her richest legacies are her writings, -- articles, stories and poems. Her own deep faith and warm love is expressed in her writings in a way that quickens the faith and rekindles the love of her readers. Her writings have been published in "The Christian Home", "Upper Room Disciplines, 1977", "Alive Now", "Images, 1976", "The White Heron, 1937", "The Church School Magazine", "Home Life", and "Guideposts." An anthology of her poems and stories are published in her autobiography, In Black and White.

Her poem "The Light Will Come" is not only an example of her gifted writing, but also an expression of her faith and a message to all as we face the experience of death. Although it was dated 1984, it was found by her husband, Jim, only a few months before her death.

THE LIGHT WILL COME

*Grimly have I viewed the faces of death,
As, one by one, it lures my loves away.
The game I play that mine is endless breath,
Must finally be lost some waiting day.
Yet sometimes in the silences I know,
A warm and caring presence ever waits.
Why should I fear the darkness as I go?
I know the light will come beyond the gates."*

EDDIE CARTER

(1911 - 1994)

&

BESSIE SMALL CARTER

(1906 - 1993)

A husband, Eddie Carter and a wife, Bessie Small Carter, passed from among us in the same conference year of 1993-1994. It seemed befitting to several of us that they should share this memorial space together as just they had shared their life of the itinerant ministry together.

Eddie Carter was a product of Bayou Goula which across the years gave leadership impetus to many otherwise black and impoverished persons who decided that they wanted to make a contribution to the world in which they lived.

Bessie Small Carter was born into the Methodist tradition through the Small family which was steeped in the Wesleyan faith for over 100 years. Marriage to young Eddie simply gave these two a viable sense of service through the appointments they served at Hahnville, White Hall, St. Matthew, Ray Avenue and Mother Wesley in New Orleans which cradled the inception of the early Mississippi Mission Conference and where one of the last acts of former Conference B was held, marked by a large plaque affixed to the walls of Wesley Church which carries clergy names including that of Eddie Carter.

Bessie Carter left us in September of 1993. Eddie Carter, after more than 40 years of marriage, went on to be reunited with his beloved Bessie in February in 1994.

District Superintendent Carole Cotton-Winn officiated at Brother Carter's funeral assisted by Dr. Robert F. Harrington, pastor of Grace United Methodist Church.

Dr. Robert F. Harrington

SALLY ADELLA COTTEN (MRS. C. J. T.)

(1900 - 1994)

Jesus said, "Blessed are the poor in spirit, for theirs is the Kingdom of Heaven." They are the meek, the gentle, the humble. Such was Della Cotten. She married a boy who felt it to be an honor to be a minister and she felt it an honor to be a minister's wife. She supported him in every endeavor throughout the long years of their ministry. They served the hard, the discouraging places and brought the "Love of God" to every place they went. There was never a complaint, never an ugly spirit; their response was always affirmative to whatever their church wanted them to do. The Cottens were Methodist Protestant, and they represented the finest of that great little church. They came from a long line of ministers and represented the best in this noble profession. At the time of her death, she was 94 years old, and while they had no children, she had numerous nieces and nephews.

I for one will rise up and call her blessed and thank God for these lovely people who lived among us. I can hear the Master say, "Well done thou good and faithful servant. . .you have been faithful over small things, I will make thee ruler over greater things, Enter Thou into the joy of thy Lord."

Rev. Jolly B. Harper

JAY VERNON DAIGLE, SR.

(1926 - 1993)

His smiles, broad and generous, were his trademark. It conveyed the message that all was well (or soon would be). He LIVED the optimism he taught. This level-headed, capable man moved about his congregations always reaching out to people. He was definitely a "people person."

An asset to his ministry was his sales ability and experience, having been a successful sales manager in New Orleans, LA. This round-faced, happy man with a rare sense of humor, inched his way into hearts. He possessed such a great capacity of love, genuine and deep. Sickness and grief were his specialty, and he was there weeping with those who wept.

There was absolutely no pretense with Jay Daigle - "You got what you saw." He stood up firmly for what he believed to be right. Most outstanding was the simple presentation of himself to everyone as a human, with desires and weaknesses, a human full of compassion. Need we wonder why he remained pastor until his death, a period of nearly eighteen years at Faithful, and thirteen years at New River? Brother Jay's bout with cancer brought about much soul-searching. He paused during a sermon, and with a brave smile, said "I thank God for my cancer! Yes, I thank Him, because of the cancer I am nearer to God." He had nestled up

closer to the Good Shepherd. He had experienced the green pastures and still waters while in the pain and misery of chemotherapy.

On one Sunday in the month of September, the program listed these hymns: "He Arose", "Christ the Lord is Risen", and "He Lives." It was unmistakably September, not April! His rich and strong voice could be heard as he sang out triumphantly. This was followed by a real Easter sermon. Later, when questions why, his eyes watered as he replied, "I've been resurrected!"

Weeks later over coffee, he reminisced about his and Muriel's youthful days. "Yes, it had to be Muriel, the pretty girl in the choir. Because of her I left the Catholic Church to become a member of the United Methodist Church." Our group of young people had so many good times," He told of a couple; Mom and Pop Freibert, who prepared food each Sunday for the entire group. "We walked and rode the street cars of old New Orleans," he continued. He then told of kneeling at the altar in answer to the call of God to the ministry.

The following is a quote from one of his last sermons: "Death is not extinguishing the light. It is only putting out the lamp because the dawn has come." (Tagore)

We love you Brother Jay. We will so live our lives that we will be worthy of being with you one day where your radiant smiles are.

Mrs. Jessie B. Thompson

MARY ELEANOR KIKER DOUGLAS (MRS. LUMAN E.)

(1910 - 1994)

On May 29, 1910, in Harbin, Texas, Mary Eleanor Kiker was born to David Newton Kiker and his wife, Exa Eleanor Spratt Kiker. Eleanor grew up and attended Tarlton Junior College, which is now North Texas State University in Denton, Texas. After achieving her education and certification as a teacher, she taught school in Dublin, Texas.

It was in Dublin that Eleanor maintained her spiritual guest as a member of the local Methodist Church, and typical of her degree of dedication in any pursuit she was the pianist for the church services. In those early years, few people had personal transportation, and Eleanor made it possible for the young pastor to assume escort duty in addition to other pastoral responsibilities. This he was quite willing to do, and as he, Luman Douglas, later expressed to his friends, "I have taken her for a long, long ride!"

Eleanor and Luman were married on December 28, 1932, and began a family and a ministry together as a beautiful team. Their family circle expanded to include a daughter, Martha Carolyn Douglas, and later her husband, Wayne Fulmer. The Fulmers' three daughters, Marty, Connie and Vicky, added joyful inspiration to Eleanor and Luman. These three with their husbands have now added three great-grandchildren to the family heritage. Eleanor loved her family with a deep and tender glow, and they returned the treasure in their love for their "Munner."

The team that formed the church in Dublin, Texas, carried out a long and fruitful ministry. Eleanor was ever the gracious wife and hostess in every circumstance, whether in the parsonage of the smallest congregation or the center of a district over which she and Luman presided. She assumed varied responsibilities in the church, Sunday School, Women's work, community

service and wherever her abilities were needed and sought. Her's was never a seeking of status but an availability for service, and those of us who were fortunate enough to have her as a personal friend were blessed beyond price.

On February 1, 1994, in Baton Rouge, Eleanor brought her life and ministry to its close, and went to rejoin her beloved Luman, to praise God together without separation forevermore. The afterglow of her life will remain to inspire all who knew and loved her.

JOHN MARSHALL DOWNS

(1953 - 1993)

On November 30th, 1993, at Glenwood Medical Center in West Monroe, Louisiana, Dr. John Marshall Downs finished his course in faith; the strife over, the battle done. Through faith in the Lord Jesus Christ, John has been granted the victory, the Crown of Life.

John was born October 6, 1953, the only child from the union of Marshall Downs and the late Clarice Downs. Through his parents' witness and example, John was led to profess faith in Christ and join the then McGuire Methodist Church in 1965. Active in the local church youth group, as well as in youth ministry beyond the bounds of McGuire, John used his gifts in music and faith sharing, always so in a loving, unassuming manner.

Answering God's call upon his life to enter Christian ministry, John Downs enrolled in Oral Roberts University where he received his B.A. degree. He later received the Master of Divinity degree from Emory University, and more recently had received his Doctor of Ministry degree, also from Emory. While at Emory, John met and later married the former Janie Cobble. Their marriage produced two children, David and Kristen. John and Janie were best friends, as well as marriage partners. More than this, however, Janie was an integral part of John's ministry.

During the last few years, John's struggle with cancer and its complications brought this couple closer to each other, to their Lord, and to their congregation in Lake Providence. Prior to this John had served faithfully as a pastor in the following congregations: Centenary, Rayne, Munholland (Associate), Lecompte Charge, First United Methodist in West Monroe (Associate), LaCombe, and finally First United Methodist Church in Lake Providence.

At the Service of Death and Resurrection for John Downs on December 2, 1993, at his home church, the sanctuary was filled with Lake Providence members, McGuire members who still claimed John as their own, and with many friends and clergy from across the state. Even in their grief, John's family led all of us present as with heads held high, and faith strong, we together sang, "A Mighty Fortress is Our God."

At the time of eulogy, Mrs. Donna Winters, Chairperson of Lake Providence church's Administrative Board, spoke eloquently of how John's ministry had blessed and strengthened his final congregation. Rev. J. Richard Scott-Welch, a longtime friend, and one-time fellow associate pastor at Munholland, spoke of John's quick wit, as well as his complete devotion to his calling. John had planned the service himself, and it was in its totality a powerful statement of his faith in a never-failing God.

Before departing with her children to relocate in her native South Carolina, Janie Downs addressed the Lake Providence congregation at John's request. Speaking on John's behalf, yet with the same deep conviction, Janie encouraged the people to trust the Lord with their whole hearts, to not forget their quiet time with the Lord, to read and study the scriptures regularly, and finally, to know that when one truly seeks the Father, one will find Him. What better parting words for us all! May the Lord grant to us precious memories of His gentle servant, John Marshall Downs.

IRENE DENISE WATSON HALL (MRS. LAURENCE E.)

(1934 - 1993)

A service of Celebration and Thanksgiving was held at Jordan United Methodist Church, Baton Rouge, Louisiana on Friday, August 27, 1993. Loved ones and friends from far and near filled the church and reflected, with profound gratitude, on the life of a good and faithful member of Florida Methodism: namely, Irene D. W. Hall, who died in the peace of Christ on Saturday, August 21, 1993, at the Lane Memorial Hospital in Zachary, Louisiana. She was 59 years of age at her death; born on July 21, 1934, in Clinton, Louisiana, to the late Willie and Carrie Watson.

Officiating at the memorial service were the Rev. Clarence Hillard, the Rev. Willie Lafayette, and the Reverend Wilbur Davis. The hymn of praise and thanksgiving "O Worship the King", was a fitting affirmation for one who had trusted her way to the Lord and followed Him faithfully in a mission of distinguished and dedicated service.

Irene was educated in the public school system of East Baton Rouge and later attended Southern University with a major in Social Studies. Irene accepted Christ as her Lord at a young age and was a faithful and conscientious member of the United Methodist Church. In 1961, she married the Rev. Laurence E. Hall and during the following year they moved to South Florida to serve in the Methodist ministry.

Irene had a life-long love and compassion for the United Methodist Church and invested her time and leadership skills wisely as a hard working and dedicated lay person. It was always a pleasure for her to move from one parsonage to another and to share the love she felt with those who came her way for 29 years. Young people and children were the love of Irene's life and a great part of her calling. She taught in the public school while they lived in Fort Pierce, and served for a number of years in support of the WSCS and the United Methodist Women on the local church and district level. She also spent a great deal of time providing leadership in helping young people prepare for colleges and other institutions of higher education.

SHIRLEY DOUCET HUDSON (MRS. HOWARD L.)

(1936 - 1993)

Shirley was born March 27, 1936, in Kaplan, Louisiana. She was the youngest daughter of the late Mr. and Mrs. Ned Doucet. Two of her sisters and three brothers live in South Louisiana.

She was an avid fisherman and dearly loved it. She discovered her best hobbies late in life. It was after 1988 that she began to make porcelain dolls with a passion. She loved to get a group of church ladies together to work on dolls. Her dolls are scattered over several states.

Then she took her first art lesson and found that she had a gift that was much fun. She painted all types of scenes and flowers both imagined and real. Shirley loved to depict the humorous. She painted a lovely swamp camp with an alligator sitting outside playing his guitar, wearing cowboy boots with spurs.

She had always said that arts and crafts are good for all ages, but especially good therapy for those considered terminally ill.

In August, 1993, Shirley was diagnosed with colon cancer. On September 26, 1993, she went to our Father's House.

On September 28, 1993, a service of death and resurrection celebrating the life and faith of Shirley Doucet Hudson was held at Asbury United Methodist Church in Lafayette where her husband, Howard, had been the first pastor. Dr. Carole Cotton-Winn and Rev. Robert L. Burgess gave the witness with beautiful music and singing by Mrs. Pattye Robertson and Mr. Lee Cooke.

On May 14 and 15, 1994, the first annual Shirley Doucet Hudson Memorial Arts Festival was held at Asbury United Methodist Church, Lafayette under the direction of Mr. Lee Cooke.

Shirley is survived by her husband, Rev. Howard L. Hudson, Jr., Golden Meadow, Louisiana, a son, Howard Timothy Hudson, two daughters, Rebecca Rene Hudson and Gwendolyn Hudson Lemmons, and two grandson, Clayton Hunter Lemmons and Lance Colton Lemmons, all of Houston. Another daughter, Rachel Dawn Hudson lives in Lafayette.

Shirley's friendly smile and winsome spirit will be missed by her family and friends. Our loss is heaven's gain.

NANCY BERNICE HAYES JONES

(1943 - 1994)

Nancy Bernice Hayes Jones was born February 2, 1943, to Rev. L'David Hayes and the late Mrs. Catherine Hayes as one of six siblings who enjoyed a richly familial and developmental life in Lake Charles, Louisiana.

Nancy was educated in the public schools of Calcasieu Parish, graduated from Grambling State University with a B.S. in Elementary Education, and earned the Master of Arts degree from Xavier University of New Orleans. Nancy loved children and was dedicated to the education of children in the St. Mary and Orleans Parish School Systems.

While teaching at the Sager-Brown School located in Baldwin, Louisiana, she met and married Russell L. Jones. They established a temporary home in Atlanta, GA., and cultivated integral life-long relationships with other young couples preparing for service in the ministry at Gammon Theological Seminary.

Upon returning to Louisiana, they served St. Matthews and, Haven United Methodist Churches as the pastoral family receiving the affectionate undergirding of both congregations. The family was then enhanced by the blessing of a son, Russell, Jr.

Delicately, Nancy sought to balance responsibilities as a faithful wife, devoted mother, and a teacher of exceptional children as she ardently struggled with an escalating illness. She was a gracious supporter of the church with presence in the Adult Fellowship and Sanctuary choirs, Ushers, United Methodist Women, and Parsonettes. Nancy enkindled herself in reciprocal relationships with her many friends and colleagues. She supported the Kidney Foundation, Federation of the Blind, and varied civic fellowships with her membership. She shared her compassion frequently with fellow sojourners who were sick and shut-in.

Having enjoyed traveling with her close-knit family in her early life, she continued that pleasure with us and now has travelled ahead of us. She is preceded in life's final transition by her Savior Jesus Christ, her mother, and three brothers, namely, L'David, Jr., Michael, and Terrell.

She is loved, honored, and treasured by her husband, Russell, Sr., and son Russell, Jr.; brothers Benjamin and Ronald; sister-in-law Catherine (Mrs. Benjamin) Hayes and Brenda (Mrs. William) Jones; brother-in-law Rev. William L. Jones; Aunts Nancy Jolivette, Elosia Wells, Azalea Watson, Alverta Hayes, Ninetta Hayes, Louisiana Lanier; God-children Benjamin D. Hayes, Jr., and Alphonsine Crump; and a host of nieces, nephews, cousins, and gracious friends.

We celebrate her spiritual wherewithal, fighting spirit, and the grace God has bestowed upon her as His child.

TALMADGE EUGENE MCELROY, III

(1904 - 1994)

The Rev. Talmadge Eugene McElroy, III, was born on September 6, 1904 in Hattiesburg, Mississippi, to the marriage union of the late Rev. Talmadge Eugene McElroy, Jr., and Mrs. Lelie Ann Standez Sherrod McElroy.

He was an honor graduate of Eureka High School, Hattiesburg, Mississippi. He held a Bachelor of Arts degree from Williams College, Chicago, Illinois. Other higher education degrees were conferred on him from Central Alabama College, Birmingham, Alabama. He was also a graduate of Myers College of Mortuary Science, Springfield, Illinois. He served as Principal of Carrollton School, Mississippi.

He answered the "call" to the Christian Ministry in Lumberton, Mississippi and came to the Louisiana Conference of The Methodist Church in 1932 by request of the late Bishop Robert Elijah Jones.

Realizing that a fruitful and well-rounded ministry needs the love, patience, devotion, concern, understanding, and compassion of a dedicated Christian woman, Rev. McElroy chose as his wife the former Miss Eloise Daniels. They were united in Holy Matrimony on April 23,

1933. To their marriage union four children were born: three sons (now deceased) and one daughter, Mrs. Mattie Louise McElroy Brown, who now resides in Cleveland, Ohio. The McElroys boast and "brag" about their six grandchildren and two great-grandchildren.

Reverend McElroy served more than 15 appointments during his more than 40 years of active ministry. He spoke often about serving at St. Mark in Opelousas where under his administration the church was built and paid for. He also held the distinction of serving as District Superintendent of the Franklin, Lake Charles, Shreveport and New Iberia Districts.

Prior to merger of the former Conference "B" to the now United Methodist Church - Louisiana Conference, Reverend McElroy served with distinction as Chairman of the Board of Missions and the Board of Trustees of the Louisiana Annual Conference.

At the close of the 1976-77 Conference Year, Rev. McElroy retired and along with his lovely wife claimed Walmsley United Methodist Church in Morgan City.

As his pastor he shared with me some words of wisdom which shall always remain with me. In Rev. McElroy's final days his actions summed up his ministry in the words of a song:

*Come thou fount of every blessing,
Tune my heart to sing thy Grace;
Streams of mercy, never ceasing,
Calls for songs of loudest praise.*

He was laid to rest on January 14, 1994 from Brooks United Methodist Church in New Orleans, Louisiana.

My thanks to Mrs. M. Mason Gordon, a family friend, and Mrs. Eloise McElroy, his devoted wife, for their contribution to this writing.

Rev. Dan Washington, Jr.

DOROTHY MAE MCGOWEN

(1932 - 1994)

Dorothy Mae McGowen was born in West Monroe, Louisiana, on March 17, 1932. Her parents were T. J. and Evvie McGowen. Dorothy was one of seven children born to this union. Her brothers and sisters are George McGowen, James McGowen, Jo Ann Dumas, Thelma Aulds, Irma Krawec and Mary Etta Eagleson.

Before going into the ministry at the age of 41, Dorothy attended college at Northeast Louisiana University and graduated with a degree in nursing. She worked at hospitals in Monroe.

Dorothy was originally a member of the Assemblies of God Church, but joined Southside United Methodist Church in 1967 under the leadership and guidance of Rev. Lea Joyner. She made her commitment to the ministry in 1973, and went to seminary from May, 1973 until May, 1975.

Dorothy's first appointment was the Epps-Floyd charge in 1975-76. Other appointments served were Montgomery Circuit, Kinder-Oberlin, Parker Memorial-Felicity, Calhoun, Cedar Grove, Pleasant Hill, Marion, Trinity, and Glenmora.

Because of poor health, Dorothy had taken disability leave in June, 1992.

Dorothy had many struggles through her years, but always loved God and served Him to the best of her ability. I'm sure many lives were touched through her ministry.

ALMA MILEM (MRS. LEWIS ED, SR.)

(1924 - 1994)

If a writer of the Book of Proverbs could have looked far into the future to the twentieth century of our Lord, the inspiration for these words may surely have come from that writer receiving a vision of Alma Milem.

*A capable wife who can find?
 She is far more precious than jewels.
 The heart of her husband trusts in her. . .
 Her children rise up and call her happy;
 her husband too, and he praises her:
 "Many women have done excellently,
 but you surpass them all."
 Charm is deceitful, and beauty is vain,
 but a woman who fears the LORD
 is to be praised.*

Born Alma Velie, June 24, 1924, in West Virginia, she came to the Methodist Church when she met a young preacher named Lewis E. Milem. They wed in December of 1947. Their marriage brought them two sons, Lewis Edmond, II, (Eddie) and David Wesley Milem.

After several years of ministry in West Virginia, they came our way, transferring to the Louisiana Conference in 1963. They served in and enjoyed the fellowship of churches in Collinston, Florian, Chatham, Elizabeth, and Montgomery for eleven years. When Rev. Milem took disability leave in 1974, they moved back to Florian. In 1981, they made their home in Minden. Brother Milem entered the Church Triumphant in 1985.

Alma, always active in her husband's churches, was also a vibrant part of church life in Minden. She devotedly participated in her Sunday School class and was a vital part of United Methodist Women. Also, for as long as she was able, she was the regular song-leader for First Church's weekly "50 Plus" group. Alma attended "50 Plus" the day before she entered the hospital and the last week of her earthly life. She died on Wednesday, March 23, 1994. In addition to her two sons, she is survived by five lovely grandchildren.

A memorial service for Alma V. Milem was held at the First United Methodist Church of Minden on Friday, March 25. Also, a funeral service was held in St. Albans, West Virginia, with interment conducted in Nitro, W. Va., on Monday, March 28.

Rev. Michael D. McLaurin

BARBARA JEANNE NOLAN (MRS. WILLIAM "WISHY" EARL)
(1937 - 1994)

Barbara DeMoss Nolan was born in Shreveport, Louisiana, in 1937, the daughter of Walter and Jeanne Hatcher DeMoss. After attending public school in Coushatta, she met and married a young Methodist minister, William E. (Wishy) Nolan. They were married in the Marlatt Chapel at Perkins School of Theology, Southern Methodist University, Dallas, Texas on December 9, 1955.

Wishy and Barbara produced four children: Julie, Walt, John and Joel, and a family circle in which love prevailed above all else. As the children reached the ages of individual responsibility, Barbara returned to her own educational pursuits. She achieved her BA degree from Centenary College, MA from Louisiana Tech and did additional graduate study at both LSU in Baton Rouge and Northeast University in Monroe.

In addition to home and family responsibilities, Barbara went into professional service in education as a teacher, Special Education teacher, Instructional Specialist, and as a "Least Restrictive Environment Coordinator" in Caddo Parish. At the time of her death, she was on loan to the State Department of Education as an Inclusion Implementation Specialist and Systems Change Technical Assistant. Her emphasis was seeking placement of "Special" children in the best possible environment for maximum learning toward productive and fulfilling lives. Indicative of her influence and success is a letter to her family from the Special Education Services of the Morehouse Parish School Board:

"... She did more to change the minds and attitudes of educators regarding inclusive education than any other person... We shall never forget the mind set she gave us regarding special education as 'a SERVICE - not a PLACE'... She won the respect of every life that she touched."

As a pastor's wife, Barbara shared love with church members and others alike. In addition to professional duties of her own, she taught Sunday School in the Nolley United Methodist Church, was a Certified Lay Speaker in the Alexandria District, and added a deep spiritual dimension to any group in which she was involved.

Great love for and total dedication to her pastor-husband made Barbara and Wishy a team in every sense of the word, both personally and professionally, through their thirty-eight years together. Their children, their children's spouses, their grandchildren and the children of her deceased sister, Patricia Fair, were recipients of her lavish love. Their statements of recollection, along with those of her husband, read like a fairy tale of affection and appreciation.

Barbara was the epitome of a currently popular description as "a beautiful person." She possessed physical beauty beyond most and radiated a beauty of purity, patience, compassion and commitment. The lives of all who encountered her presence were made more beautiful by her touch, and there is no doubt that Heaven itself is more beautiful today because she is there.

The most appropriate tribute that can be offered in her memory will be our living as she lived until we, too, enter into the eternal heritage in reunion with her and our Lord to praise God together forevermore.

Dr. Douglas L. McGuire

WILLIAM B. "JACK" SHAW

(1917 - 1994)

William B. "Jack" Shaw was born May 10, 1917, near Atlanta, Louisiana. Jack, as he was known, answered the call to preach in 1938, and went to Westminster Junior College in Tehuacana, Texas. While at Westminster, Jack was called upon to fill in for a sick pastor in a nearby town. It was this service of the Lord that would lead Jack to meet Margie Seward. They would marry in September of 1939. The Lord blessed this marriage of 54 years with four children, 14 grandchildren and one great-grandchild.

After Jack completed his studies at Westminster he went to Southwestern University in Georgetown, Texas, and then to Perkins School of Theology where he graduated in 1951. He served many churches in the Central Texas Conference while attending to his studies, and would make many return trips to the area for reunions and other events. It was a part of his life that he cherished.

In the years following 1947, Jack served various churches in the Louisiana Conference. He began his service to the conference at the Clay-Ansley Circuit. He would later serve Gibsland, Greenwood, Summer Grove, Cotton Valley, Lakeview in Minden, Newellton, Second Church-New Orleans, Mer Rouge, Gueydan, Chatham, and Eros where he retired. It was in 1973, in Chatham, at the age of 10, that I came to know Brother Jack. My life would be forever changed.

Having grown up under the pastoral guidance of Brother Jack, I am able to say I know what service to the Lord means. It means serving the Lord whatever the cost, because that is the example Brother Jack left me. It means loving just as Christ loved, regardless of circumstance, because that is the example Brother Jack gave me. And it means joy and peace through Christ, even in the midst of trial, because that is what Brother Jack showed me. Yes, to me, and also to everyone else he served so faithfully.

But Brother Jack was even further blessed of the Lord, for his ministry included the beautiful gift of music. Countless are those who listened with appreciation to the magnificent tenor voice as Brother Jack lifted his praises to the King of Kings. Now he sings with the angels, and the music is even more beautiful. Envision the day if you can, when we shall all gather round the Throne and join Brother Jack once again for a verse of "Amazing Grace."

Perhaps the greatest example of the calling God had on Brother Jack's life was as he lay motionless on his hospital bed after suffering from the debilitating stroke in April of 1993. As Brother Jack prayed, his devotion was evident as he told the Lord how overjoyed he was at having the opportunity to preach again. That opportunity never came on this side. But boy, did it ever come!

Rev. Lynn T. Malone

WILLIAM "BILL" GEORGE STEGALL

(1908 - 1994)

A grand salute to one of the grandest of them all. Many of our great United Methodist preachers have gone on to meet their rewards including "Whispering Bill" Stegall, one who depended upon his lovely wife and family, teaching his children their word must be "golden."

William G. "Bill" Stegall was born in Clarksville, Arkansas on February 5, 1908. In 1929 he married Armadie Snow who preceded him in death. Bill passed away on January 13, 1994 in Monroe, Louisiana where a memorial service was held. Interment was in Clarksville, Arkansas. He is survived by four daughters and two sons.

When Bill and I came up we had no public address system and the teachers, whether speech or singing, sent those home whose volume was low. Bill was not backward about speaking loudly. He did not just preach the gospel, however, he lived it.

When he made his retirement speech at Annual Conference, there was that booming voice telling us very loudly of his early days on a charge. This is his story as I remember it: "Money was scarce so churches often paid us in garden food. That year everyone raised corn. One Sunday morning I came into the church yard and a parishioner said, 'Preacher, stay around after church, I have some corn to give you.' I said, 'Now, look here (as he raised his arm shoulder high), I have corn in my living room stacked this high. Just because I bray like a jackass and have ears like a jackass is no sign I eat corn like a jackass."

This great brother believed in preparing (II Timothy 2:15). As I recall, his daughter mentioned that he recorded his sermons, played them back to himself, sat there and said "Amen" and "Praise God" as they stirred his soul before he preached them to the congregation.

Is what we know and believe of the gospel that great? Praise God for Rev. Stegall.

Rev. Homer V. Bailes

RUBY L. SWEAT (MRS. WILLIE B.)

(1934 - 1993)

Ruby L. Sweat was born on October 6, 1934. She was the supportive wife and ministry partner of Rev. Willie B. Sweat to whom she was married on November 3, 1965.

She shared with her husband the joys and challenges of ministry in appointments across south Louisiana. After his death in 1981, she continued to live in the Acadiana area very near to the church that was her husband's first appointment.

She died on July 26, 1993 and was buried in the Godman Cemetery near that church. She is remembered as one of God's beloved children who served with faithfulness and devotion.

Dr. C. Gerald Richardson

JAMES MONROE WILKES

(1921 - 1993)

"Mon" was born in Angie, Louisiana. He finished high school there, and after vocational school went into the ship building industry in 1942. That same year, he and Joyce Brannon of Walker, Louisiana, were married and made their home in New Orleans.

In September of 1942, with World War II in progress, he joined the U.S. Marine Corps. He survived the torpedoing of his ship and after months of hospitalization, returned home in April, 1943. He enrolled at LSU and held various jobs in Baton Rouge. He received a

permanent appointment to the downtown Baton Rouge Post Office in 1948 but he felt the call to a "higher" appointment that same year and encouraged by W. E. Trice, began to prepare for ministry in the Methodist Church.

He served as a pastor forty-three years, including the five years after his retirement. His charges included fifteen churches: Day's, Center, Darlington, Loranger, Cooper's Chapel, Nesom Memorial at Tickfaw, Wesley Chapel, Lee's Landing in Ponchatoula, Faithful, New River, Meadows Chapel, Gonzales, Bluff Creek, Deerford and Carpenter's Chapel in Galvez.

He is remembered as a caring pastor, always there when he was needed. He is cherished as a good friend who could go to any lengths to help.

For twenty-six years his ministry included serving as Superintendent at Camp Istrouma. A "jack of all trades" this former Marine Corporal called upon all his experience to keep the camp going; truck mechanic, tractor operator, swimming pool specialist, first aid expert, carpenter, painter, plumber, electrician, contractor, engineer, cook, counselor, preacher priest, business manager, personnel director, diplomat, explorer, and naturalist. When desperate camp directors called at the last minute, Mon could find an extra counselor. When all the wood was soaked with three weeks of rain, Mon would provide some dry wood he had saved for such a crisis. When a camper got sick at 2:00 a.m., Mon would drive him to the hospital. With always too little money with which to work, he kept the camp in good repair. Across the more than a quarter of a century in which he served as Camp Superintendent, working with twenty-three different District Camp Superintendents, an ever changing Board of Directors, a variety of Camp Directors and local church retreat leaders, Mon provided continuity and direction. Across this quarter of a century, Mon touched the lives of over ten thousand children and youth.

During these years, Mon and Joyce adopted three children, Margaret, Alice, and Russel at different ages and stages in their lives. They had many other young people as temporary members of their household.

In his years of camping, in his several congregations and through his extended family, Mon has had a unique ministry whose influence continues to spread and grow. As a loving husband and father, as a caring pastor, as multi-talented camp superintendent, as a faithful steward of God's creation, Monroe Wilkes fulfilled his calling as a child of God, disciple of Jesus, and a minister of the gospel.

CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION

The Council on Finance and Administration commends the District Superintendents and those who assisted them in the nine excellent "Apportionment For Others" Fairs held this past winter and spring. The approximately 2500 attending were encouraged to share the resources and information with their local congregations. All nineteen of the Conference General Budget causes were presented in interesting and specific formats.

The Council is appreciative of the 394 local churches that paid their apportionments in full and the other churches who placed the Wider Mission of the Church among their highest priorities. This past year the money disbursed by United Methodist Churches in Louisiana for all causes was a 5.59% increase over the previous year. The nine financial items included in the local churches' apportionments increased an average of 5.08%. This category of finances exclusively refers to those expenditures related to the needs of the local church.

In spite of these more comprehensive increases, the statistician's report will indicate a 1.87% decrease in the 1993 giving to apportionments. The average giving by all the churches of the Conference moved from 89.69% in 1992 to 87.82% in 1993. This decline resulted in some significant adjustments in some programs and services.

The Louisiana Conference community of United Methodists has had an enviable well above average record of giving to the church's Wider Mission. With this past year's decrease in apportionments, Louisiana, for the first time in many years, dropped to an average ranking among Conferences of the South Central Jurisdiction. By careful planning in our local churches and commitment to our connectional covenant your Council on Finance and Administration believes these results can be reversed. We look forward to returning to an overall mark above 90%.

Soil & Environmental Stewardship Sunday	April 23, 1995

2. A. Lydia Patterson Institute - The date of May 21, 1995 is designated as the time local churches are asked to receive a special offering for the Lydia Patterson \$2,000,000 Endowment Campaign. Members from their respective churches will be asked to bring the proceeds for dedication at the Annual Conference Worship on Monday night, June 5, 1995. What is raised of this will be the Louisiana Conference's contribution toward our \$150,000 share of the endowment. The \$10,000 which was given in the form of a grant over the past two years from the Louisiana United Methodist Foundation is also considered to be a part of the total contribution. The Conference Council on Ministries is asked to provide promotional materials.

B. Mt. Sequoyah - The date of May 26, 1996 is designated as the time local churches are asked to receive a special offering for the South Central Jurisdictional Conference and Retreat Center \$2,000,000 Team Sequoyah Capital Improvements Campaign. Members from their respective churches will be asked to bring the proceeds for dedication at the Annual Conference Worship on Monday night June 3, 1996. What is raised of this will be the Louisiana Conference's contribution toward our \$150,000 share of the endowment. The \$10,000 which was given in the form of a grant over the past two years from the Louisiana United Methodist Foundation is also considered to be a part of the total contribution. The Conference Council on Ministries is asked to provide promotional materials.

3. The Council recommends a continued emphasis by all churches on Advance Specials, both General Advance and Conference specials. It requests, however, that all churches pay in full the World Service and Conference Benevolences apportionment before appropriating funds for second-mile projects.

4. Each pastoral charge is asked to continue the regular annual support of Mt. Sequoyah, the South Central Jurisdiction Conference and Retreat Center, with a goal of \$35 per pastoral charge. Each district is to raise the amount based on the total number of charges in the district and mail it to the Conference Treasurer.

5. It is recommended that the Hancock Bank, Whitney National Bank, City National Bank and Premier Bank be designated as the principal depositories for funds of the Louisiana Annual Conference. Other financial institutions across the state are to be used for interest-bearing accounts. Authority to open accounts is given to the Conference Executive Director of Administrative Services/Treasurer and the President of the Council on Finance and Administration of the Louisiana Conference. Authorized signatures on the accounts and deposit boxes are to be: Conference Executive Director of Administrative Services/Treasurer, a designated representative of the C.F.A., and the Senior Minister of First UMC, Baton Rouge.

6. The Council has contracted with Reginald H. Pulliam, Certified Public Accountant of the firm Reginald H. Pulliam of Baton Rouge, to audit the books of the Executive Director of Administrative Services/Treasurer. The Council expects to receive from the accountant an

audit report for the year ending December 31, 1993, before the June, 1994, session of the Annual Conference.

7. We recommend that the pastoral charge consider an amount of \$5,100 for Pastor's Travel and \$3,300 for utilities/housing expense for each minister.

8. We recommend that the local churches pay on the moving expenses of incoming ministers an amount up to \$2,000 in 1994 and that beginning in 1995 this recommended amount be increased in increments of \$200 each year through 1999 to a maximum then of \$3,000. Churches are asked to budget this amount each year. Money not used for moving should be placed in an escrow account to assure such funds as needed. When the recommended amount is exceeded by the incoming minister, that minister should pay additional costs.

9. We remind the ministers of the Annual Conference who will move to another charge that they are to accept salary and expense only through May 31, 1994, from the charge they are presently serving. The June salary and expenses will be paid by the new charge.

10. In order to comply with the federal income tax regulations, we recommend that the utilities and other housing expenses on the Conference Directors' residences and the district parsonages be considered a part of their salaries as "Housing Allowance."

2. The Secretary of the Annual Conference shall serve as the Editor of the Conference Journal. The Editor is authorized to eliminate detailed financial and audit reports from the Journal, including instead a statement indicating where the detailed report is filed, and to condense all reports wherever possible.

3. The Annual Conference grants permission to Centenary College and Dillard University to make an appeal for every church in the conference to send a "paid student" to the institutions.
4. The Executive Director of Administrative Services/Treasurer is authorized to pay \$15,000 from the District Superintendents' Fund for expenses of Cabinet Meetings and up to \$1,000 for telephone calls involving appointments. The Executive Director of Administrative Services/Treasurer of the Conference is authorized to pay from the District Superintendents' Fund to the Pension Fund an amount for each District Superintendent to meet the General Board of Pensions' requirement.
5. We recommend that each district provide at least half-time secretarial help for the District Superintendent from district budget funds. The Annual Conference requires that copies of the annual budget and audit for each district be mailed to the Executive Director of Administrative Services/Treasurer for the Council not later than April 15 following the fiscal year.
6. The compensation of all the District Superintendents shall be equal throughout the Conference. Since District Superintendents are appointed by the Bishop as officers of the Conference, their salary, travel allowance, utilities allowance, professional expenses, and the Conference health insurance premium shall be paid by the Annual Conference. We recommend the following income to be paid the District Superintendents from the District Superintendents' Fund: Base Compensation for 1995, \$59,171 (see Conference Rules for the rule concerning salary); utilities allowance - \$3,300; an amount not to exceed \$2,400 to be drawn by voucher and used for professional expenses to cover the expense of Ministers' School, Ministers' Week, Bishops' Week, Annual Conference, Continuing Education and other expenses that the District Superintendent incurs in carrying out the responsibilities of the office. The Council shall provide an automobile travel expense to be drawn by voucher within a budgeted amount of \$7,250 for each District Superintendent.
7. Each Council, Board, Commission, Committee, etc. of the Conference receiving funding from the Conference shall designate one person, other than the chairperson, as the Finance Officer. The Finance Officer shall keep for that board or agency a current record of financial transactions involving the budget receipts and expenditures for that body.

The Finance Officer shall receive all vouchers from members and shall approve and submit same to the Executive Director of Administrative Services/Treasurer. The vouchers must be specific, in detail, accompanied by the appropriate receipts, and must bear the signed approval of the Finance Officer. The Finance Officer shall in turn submit them to the Conference Executive Director of Administrative Services/Treasurer within three weeks. In order to assist the Executive Director of Administrative Services/Treasurer to close out the books and set up books for a new fiscal year, all Finance Officers shall submit final vouchers of said board and agency by December 21, 1994.

Louisiana Annual Conference Official Voucher Policy for Conference Boards and Agencies:

Travel

Within the State of Louisiana - Travel Expense for Conference Boards and Agencies is set at a maximum of 15 cents per mile. When three or more members are traveling together, a maximum of 18 cents per mile will be paid. Regardless of the mode of travel used, the maximum of 15 cents per mile will still apply. Beyond the state, the most economical mode of travel must be used with this new provision: That an amount of \$500 per year be the normal limit for reimbursable travel expense for members of Louisiana councils, boards, commissions and committees who reside outside of the state boundaries to attend regular meetings of their conference agency. This limit applies to funds that come from conference

line item budgets. A conference agency may vote to increase this amount if the members choose to make an exception due to the specific need of participation by a particular member. This limit applies only to travel and not to per diem lodging and meal costs. Air travel must be supported by the air ticket stub.

Lodging and Meals

Reimbursement for lodging expenses will be made for the actual amount of expenses incurred. Moderately priced hotel or motel accommodations are suggested. An itemized bill must accompany the request for reimbursement. Reimbursement will be made for meals for the actual expense incurred, but not for entertainment or room service. Any meals exceeding \$5 must be supported by receipts. The maximum per diem for lodging and meals will be \$60. Exceptions to the policy may be made only by the Executive Committee of the C.F.A.

8. All institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year. (See Conference Rules for Rule on Annual Audits)

9. A balance at the close of the year in the Conference Benevolence Budget of any Conference Board or Agency will be placed in the Conference Benevolences Budget for the next year. The Annual Conference shall continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different Conference Boards and Agencies. The Council shall use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of Conference Funds. The Executive Director of Administrative Services/Treasurer and the President of the Conference Council on Finance and Administration shall continue to serve on the Investment Committee of the Louisiana United Methodist Foundation. Local churches and Conference Institutions shall consider using the Foundation for the investment of their funds.

10. We recommend that the Louisiana Annual Conference Wesley Foundations be given basic support by a decimal item to be apportioned to the churches of the Conference. Amounts of the funds to be given to each Wesley Foundation will be determined by the Board of Higher Education and Campus Ministry. With approval of the appropriate District Superintendents and District Councils on Finance and Administration, local Wesley Foundations may solicit additional funding from churches within the District(s) nearest their geographic location. Should a local church give additional funds to the Wesley Foundation, they should not be accepted until it is verified that the church has paid 100% to the Wesley Foundation apportionment the previous year. Otherwise, the Wesley Foundation must give those funds to the Conference Board of Higher Education and Campus Ministry as payment toward that church's apportionment. The Conference Treasurer will send to the campus ministers at the beginning of each new year data showing each local church's financial record in their district for the previous year. A report must be made by the Wesley Foundation to the District Superintendent and the District Council on Finance and Administration of any churches giving such funds so as to assure 100% payment of the Wesley Foundation apportionments of the local church.

11. The Conference Council on Finance and Administration recommends the following procedure for selecting and continuing with a Conference insurance broker:

Brokers selection is to be based on accessibility, reputation, selection of carriers, cost of product and knowledge of product including United Methodist General Church Insurance. An Advisory/Search Committee of the Council on Finance and Administration will publicize

through the "Louisiana United Methodist" when new opportunities for bidding on Conference insurance are available.

After a broker is selected, the broker will normally be retained for a minimum of three years. This term is considered beneficial because of the multi-faceted types of coverage necessary for a variety of persons, property and equipment. If the selected insurance broker's services are considered unsatisfactory or rates are considered excessive during a given three year cycle, the relationship may be terminated and the broker replaced.

The new selection procedure will become effective January 1, 1995, with an Advisory/Search Committee of C.F.A. beginning the selection process during the summer of 1994. This selection procedure will be utilized for each three year cycle thereafter. The Advisory/Search Committee members will be the President of C.F.A., the Executive Director of Administrative Services, the Cabinet liaison to CFA and one or two others selected by the President of C.F.A.

12. The Council on Finance and Administration reminds all persons, clergy and lay, handling funds in local churches to adhere to Paragraph 270.4E of the 1992 Book of Discipline which states:

Contributions designated for specific causes and objects shall be promptly forwarded according to the intent of the donor and shall not be used for any other purpose.

This reminder is made by CFA although local churches and institutions are presently and have always been responsible for the proper use of funds.

CONFERENCE BOARD OF TRUSTEES

REPORT NUMBER ONE

The Conference Board of Trustees of Louisiana Annual Conference has met a number of times as needed.

The guidance, help and cooperation of Bishop Oden and the District Superintendents has been appreciated.

We are particularly grateful for the assistance of Dr. Stone Caraway and Dr. Don Cottrill in our work.

Most of our work has been involved in the Conference Center and a part of that will be included in the report of the Conference Center which we ask be adopted as a part of this report as though copied herein in extensio.

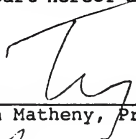

We wish to again remind the District Superintendents and pastors of local churches to examine their church documents to make sure they are in good order and that they contain the necessary trust clauses. If there is any need for assistance, please call on us.

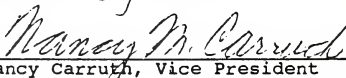

We again urge that all local churches be incorporated and fully insured.

Officers for the coming year are:

President, Tom Matheny
Vice President, Nancy Carruth
Secretary, Donald Hall

This report contains with it a request that the Annual Conference endorse and ratify all actions of the Board of Trustees taken across the Conference year, and particularly all of those in reference to the actions of the Board of Trustees for the Conference Center. This would be in keeping with Report Number Two to the Annual Conference of the Conference Board of Trustees, a copy of which is attached hereto and made a part hereof as though copied herein in extensio.

BOARD OF PENSIONS

REPORT NO. I

I. MINISTERS RESERVE PENSION FUND (MRPF)

We recommend:

- A. That the funded annuity rate for 1995 be \$330.00 per service year. Benefits to surviving spouses of ministers shall be 75% of the annuity rate.
- B. That \$750,000 be apportioned to the charges of the Louisiana Annual Conference.
- C. Total past service liability (prior to 1982) and based on the 1994 rate of \$310 is \$10,481,851. Our 1995 payment, based on a seven year annual deposit, is \$1,877,660 to be funded as follows:

Conference Apportionments	\$750,000
Interest income from Woolworth Foundation,	
Pension Crusade Funds,	
and other sources	\$1,127,660

- D. Payments made to the pension apportionment shall be exactly proportional to the amount paid on the clergy salary or salaries of a given charge. See Paragraph 719, THE BOOK OF DISCIPLINE.

II. THE MINISTERIAL PENSION PLAN (MPP)

We recommend:

- A. That participants shall be all ministerial members of the Louisiana Annual Conference and local pastors under episcopal appointment to a charge.
- B. That Participants Plan Compensation is the sum of: Cash Salary (including tax deferred annuities) received from church-related sources; Housing Allowance, or when a parsonage is provided, 25% (for 1995) of the cash salary as the approximate value of that parsonage.
- C. That the church's contribution base be set at 12% of the Denominational Average Compensation (DAC) as determined annually by the General Board of Pensions (the 1995 DAC is \$34,832.00). However, if a participant's compensation falls below the DAC, the participant's salary paying unit may pay 12% of actual compensation and the Comprehensive Protection Plan (CPP) will make a special allocation so that the contribution credits will be based on the DAC.
- D. Contributions for each participant shall be paid directly by the paying unit to the General Board of Pensions, 1200 Davis Street, Evanston, IL 60201.
- E. Any local church that becomes delinquent in payment will have until September 20th of the following year to make payments.
- F. Participants shall contribute a minimum of 3% of Plan Compensation to the MPP on a regular basis with remittances made directly to the General Board of Pensions. This may be done in either of two ways:
 - a. The minister may send his/her personal check with the General Board remittance form.

- b. The minister may have his/her employer make direct deposit into a salary reduction account, in accordance with Federal Government regulations (further information concerning the tax-deferred deposit plan may be obtained from The General Board of Pensions, 1200 Davis Street, Evanston, IL 60201).

III. THE COMPREHENSIVE PROTECTION PLAN (CPP)

We recommend:

- A. That participants shall all be ministerial members of the Louisiana Annual Conference, and full-time local pastors under episcopal appointment, who have a plan compensation of not less than 60% of the DAC. Part-time ministers, probationary members appointed to attend school, and certain members on sabbatical leave, or leave of absence may become participants under special arrangements.
- B. That the churches contribute, on behalf of each participant, an amount equal to 4.4% of the actual compensation plus 25% housing factor for 1995 up to a DAC maximum. Remittances are made directly to the General Board of Pensions in conjunction with MPP payments.
- C. Based on the Denominational Average 1995 Compensation (DAC) of \$34,832:
 - 1. Minimum Surviving Spouse Annuity Benefits -
The surviving spouse of an active participant is eligible to receive a minimum pension of 20% of the DAC. The CPP will supplement pension payments as needed to assure the required 20% minimum benefit.*
 - 2. Surviving Child Benefits -
Children under the age 18: 10% of the DAC* annually
Children between the ages of 18-25: 20% of the DAC* annually for up to four years, if enrolled in school full time.
 - 3. Death Benefits -
Payable upon the death of a participant: 150% of the DAC (\$52,248 for 1995) if death occurs before age 47. It decreases annually to 38% of the DAC at age 70. At retirement the benefit becomes 20% of DAC (\$6,966.40 for 1995).
Payable upon the death of the spouse of a participant: 15% of DAC.
Payable upon the death of a surviving spouse of a deceased participant: 10% of DAC.
Payable upon the death of a child: \$1,500.
 - 4. Disability Benefits -
40% annually of the DAC*
MPP Church Account Contributions will continue at the rate of 12% annually of the DAC.

* *The amounts are based on percentages of the DAC in effect on the benefit starting date. Once initiated, these benefits increase 3% annually on the anniversary of the benefit starting date.*

The Louisiana Conference Board of Pensions in 1994 began participating in the Basic Protection Plan, a supplement Death Benefit Program of the General Board of Pensions. In addition to the Comprehensive Protection Plan benefits, the designated beneficiaries will receive:

- Upon the death of an Active Participant a sum of \$10,000
- Upon the death of a Retired Participant a sum of \$5,000
- Upon the death of the spouse of an Active Participant a sum of \$5,000

The Louisiana Conference Board of Pensions also provides a Death Benefit under the following circumstances:

1. That upon their death the designated beneficiaries of all active clergy with total compensation (base plus housing) of less than \$10,000 and all clergy with 10 years or more of service who are not eligible for a death benefit under any other death benefit plan be entitled to a \$5,000 benefit through the Conference Board of Pensions. This includes the beneficiaries of clergy with conference relationships of Part-time Local Pastor, Other Denomination, Non-conference, Full-time Local Pastors and Associate Members.
2. That clergy eligible for the Conference Death Benefit of \$5,000 be notified of that policy by letter and that a time period of one year following the death be allowed for a claim to be filed.
3. That all active clergy with total compensation above \$10,000 but below 60% of the DAC be enrolled in the General Board of Pensions Basic Protection Plan beginning in 1994.

The Death Benefit Programs that are a supplement to the Comprehensive Protection Plan are an additional financial obligation of the Louisiana Conference Board of Pensions. The Board has been able to increase these benefits and continue raising the per service year annuity rate as a result of favorable earnings from Pension reserves and without increases in the local church apportionments.

- B. Medical and Hospitalization Program
 - 1. A \$300 individual calendar year deductible must be met before benefits are payable under the Plan (may be waived for certain specified expenses). When three (3) covered persons within a family unit have satisfied their individual deductible for a calendar year within that calendar year, or if the family as a unit has incurred \$900 of covered expenses within a calendar year which were applied toward the satisfaction of the deductible amount, no other covered persons within that family unit will be required to satisfy an individual deductible for that calendar year.
 - 2. After the deductible the Plan will pay 50% (60% if SMA provider is used as outlined in section II. B. 5) of eligible medical expenses. However, if two or more members of a family are injured in the same accident, only one person's deductible must be met. After the deductible has been met, generic drugs will be paid at 100% with the proper labeling "generic" clearly indicated by the pharmacist.
 - 3. As a result of plan payments made at 50% or 60%, when a participant's out-of-pocket expenses reach \$1,000 (\$3,000 family) the Plan will pay 100% of eligible expenses for the remainder of that calendar year.
 - 4. The Plan will pay 50% (or 60% for SMA provider) of eligible expenses for mental and nervous disorders, subject to a maximum benefit of \$5,000 per calendar year.

5. a. Following a \$15 co-payment the Plan will pay 100% of eligible expenses for Southeast Medical Alliance (SMA) physician visits (not subject to the deductible). This is for the physician visit only and does not include any charges for other services performed in the physician's office.
 - b. The Plan will pay 60% of eligible expenses (after the deductible has been met) when an SMA provider is used.
 6. The maximum lifetime benefit payable for treatment of alcoholism and drug abuse is \$10,000. Outpatient drug or alcoholism rehab care is further limited to \$4,000 lifetime with a \$2,000 maximum per approved course of treatment.
 7. The maximum medical benefit payable with respect to a covered person or a covered person's dependents during a covered person's lifetime is \$1,000,000.
 8. Plan participants with a pre-existing condition should consult the benefit booklet to know when coverage for such condition will be accepted under the terms of the Plan. The term "pre-existing" condition means any injury, illness or pregnancy, for which a covered person received medical care, treatment, consultation, or prescribed drugs during the three (3) month period immediately preceding his/her effective date of coverage.
 9. The diagnosis and treatment of Attention Deficit/Hyperactivity Disorder (ADHD/ADD) will be considered eligible expenses to a \$2500 calendar year maximum with initial diagnosis being limited to \$600 and each outpatient visit being limited to \$50. The maximum lifetime benefit payable for diagnosis and treatment of ADHD/ADD is \$10,000.
 10. Counseling services performed by pastoral counselors who are members of the American Association of Pastoral Counselors (AAPC), who are under active supervision as required by the AAPC, AAPC Fellows, or AAPC Diplomates, will be considered eligible expenses and are subject to Plan maximums listed in the Schedule of Medical Benefits.
- C. Managed Care Program
1. Pre-certification: All in-patient admissions must be pre-certified prior to admission. If admission is necessary on an emergency basis, authorization is required within 48 hours or on the first business day following weekend or holiday admissions. Failure to pre-certify will result in a \$300 penalty deductible. This penalty will not apply toward a co-payment limit.
 2. Continued Stay Review: Following the procedure outlined above, a specific number of in-patient days will be allotted at the time admission is approved. If the patient remains in the hospital for longer than the approved number of days, unless the additional days are medically necessary, the Plan benefits will be paid at 50% of covered hospital charges for all non-approved days, however, the 50% paid by the participant will not apply to the calendar year co-payment limit.
 3. Second Surgical Opinion: A second surgical opinion will be mandatory for certain elective procedures (listed below). A second opinion will not be required for emergencies or maternity cases. The cost of obtaining the second

opinion will be reimbursed at 100% with no deductible and will include the physician's office visit and all related charges. The second opinion does not have to concur with the first opinion.

If surgery is performed without obtaining a second surgical opinion the percentage paid by the covered person will not apply to the co-payment limit.

Second surgical opinions are required for the following procedures:

- spinal surgery
- gastrectomy
- gall bladder surgery
- coronary artery bypass
- knee surgery
- nasal surgery
- foot surgery
- tonsillectomy and adenoidectomy
- hernia repair (including hiatal hernia)
- hemorrhoidectomy
- prostatectomy
- hysterectomy
- varicose vein surgery
- cataract surgery
- joint replacement
- breast surgery (other than biopsy)

4. The Plan will pay 100% of eligible expenses (not subject to the deductible) incurred for pre-admission testing, when performed on an outpatient basis, provided such testing is performed within 72 hours of a scheduled hospital confinement at the same hospital where such confinement is scheduled to occur.
5. Outpatient Surgery: If surgery is performed in an ambulatory surgical center or the outpatient department of a hospital in lieu of being performed on an in-patient basis, then professional fees and facility charges will be reimbursed at 50% (or 60% if SMA provider is used) of eligible expenses. The deductible is waived.
6. Private Duty Nursing (LPN/RN): When medically necessary. The limit is 15 shifts per admission with a calendar year maximum of \$10,000.

Surviving Spouse (under 65) - family	\$6,216.00	\$518.00

B. Payment of Premiums

1. The Conference Board of Pensions will pay $\frac{1}{2}$ of the Medical and Health Care insurance premium for a surviving spouse, and dependents, under age 65.
2. It is recommended that at least $\frac{1}{2}$ the Medical and Health Care premium be paid by the local church, agency, or institution being served by a minister in an effective relationship, and that the minister pay the remaining $\frac{1}{2}$ premium. We encourage the local church, agency or institution, when possible, to pay more than 50%. When the full premium is paid, the minister is able to exclude the full amount from income and therefore realizes a significant tax advantage.
3. Remittances shall be sent monthly, IN ADVANCE, to the Conference Office of Financial Affairs, 527 North Boulevard, Baton Rouge, LA 70802-5720. Use the Conference Remittance Report Forms and report premium payments on line 5914. Checks should be made payable to Louisiana Annual Conference.

V. MEDICARE SUPPLEMENT

- A. Retired persons over 65 must be enrolled in Medicare/Medicaid (as applicable) to participate. When a participant retires after the age of 65, he/she must re-enroll with Medicare for Medicare to begin paying claims as the primary insurance.
- B. The General Board of Pensions is authorized to withhold from annuity checks the monthly premium for those enrolled in this program. All shall be enrolled unless they submit a written request not to participate. Written evidence of having other adequate medical and health care insurance programs will be required.
- C. A summary of Medicare Supplement coverage:
 1. One hundred percent (100%) of the eligible Medicare deductible for the first 60 days in hospital.
 2. The per day Medicare deductible for days 61-90 in hospital.
 3. The per day Medicare deductible of the "Lifetime Reserve" for the 60 additional days whenever these days are approved by Medicare.
 4. The (PART A) hospital benefits after the 150 Medicare days are used up. This coverage will pay 90% of eligible PART A Medicare expenses, for up to 365 additional days. (Acute Care Only)
 5. The per day Medicare co-payment for the 21st through the 100th day in Post-Hospital Skilled Nursing Facilities.

6. One hundred percent (100%) of the Medicare calendar year deductible on the PART B benefits.
 7. One hundred percent (100%) of the Medicare co-insurance for physician charges and other health services to a maximum of \$5,000 per calendar year.
- D. Limitations and Exclusions:
1. Benefits will not be provided for charges covered by or available under the provision of Medicare.
 2. Charges for routine dental care, prescription drugs, eyeglasses, hearing aids or for nursing care are not covered.
- E. It is recommended that you retain a copy of all claims and bills for your personal records.
- F. Current premiums for Medicare Supplement and the Prescription Drug Program as of January 1, 1994 are as follows:

Classification	Annual	Monthly
Minister or Retired Employee	\$1,032	\$86
Spouse of Minister or Retired Employee	\$1,032	\$86
Surviving Spouse	\$1,032	\$86

VI. PRESCRIPTION DRUG PROGRAM

This is administered by The Conference Board of Pensions for persons over 65 who are retired and enrolled in the Louisiana Conference Self-funded Medicare Supplement plan.

- A. The Conference Board of Pensions will pay 80% of prescription drugs (self administered) after a \$100 annual deductible per person. After the deductible has been met generic drugs will be paid at 100% with the proper labeling "generic" clearly indicated by the pharmacist.
- B. Prescription drug claims are to be mailed to The Conference Office of Financial Affairs, 527 North Boulevard, Baton Rouge, LA 70802-5720. Send a copy of the bill from the drug store with your individual name and RX number on the bill (a drug store computer printout, signed by your pharmacist is acceptable). Cash register receipts or cancelled checks are not acceptable as prescription drug claims.

VII. CANCELLATION OF BENEFITS

- A. If a participant in any of the Conference insurance programs becomes three (3) months in arrears on payment of premiums, his/her coverage will be discontinued.
- B. Reinstatement will not be permitted for one full year. Payment of the amount in arrears plus one month payment in advance must be remitted before reinstatement.
- C. Participants who have been discontinued for non-payment may not be reinstated without the approval of the Executive Committee of the Conference Board of Pensions. The filing of a current medical report will be required. A participant should be aware that such a report might deprive him/her of coverage for certain existing ailments, or may even make him/her ineligible for reinstatement.

VIII. REPORTING CLAIMS

Claims are to be sent to Employee Benefit Services, Inc., P. O. Box 70100, Shreveport, LA 71137-0100. Only one complete claim form per family member per year is necessary; any additional claims only need a note indicating the employee's name, employee's social security number and group number 1108. **DO NOT SEND CLAIMS TO THE CONFERENCE OFFICE.** Should you need to talk with a claims representative, call Employee Benefit Services at (318) 424-1996.

III. Resolution Relating to Rental/Housing Allowances for Retired or Disabled Ministers of this Conference

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous active service, and disability benefits are considered payments in lieu of compensation for active service;

WHEREAS, the Internal Revenue Service has recognized that the Louisiana Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

- A. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister during the current year be, and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Louisiana Annual Conference at the time of his or her retirement or disability;
- B. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities. Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984."

MINISTERS' EMERGENCY AID FUND

The Ministers' Emergency Aid Fund is supported by conference ministers who contribute one-half of one percent of their base salary annually. At the beginning of 1993, there was a balance of \$17,690.51 in the fund. During the year, 33 ministers received a total of \$22,789.91 from the fund to help meet various emergency needs. Since most contributions are received at the end of the year, some requests could not be fully funded because of severe cash flow problems in the fund. The total receipts for 1993 were \$20,989.73. The balance at the end of 1993 was \$15,890.33.

We recommend the following guidelines for the Ministers' Emergency Aid Fund:

1. That each minister under appointment in the Louisiana Annual Conference be asked to give an amount equal to one-half of one percent of the minister's base salary for 1994 to the Ministers' Emergency Aid Fund.
2. That this fund be used to provide emergency benefit aid to the ministers of the Louisiana Conference and their immediate families who may be in special need; and that this emergency aid be given subject to the following limitations:
 - A. The maximum amount allowed for a single emergency shall be \$1,000.
 - B. Exceptional situations may be given special consideration by the Cabinet.
3. That each pastor and local church be requested to provide an adequate medical insurance program for family protection.

B. CONFERENCE COUNCIL ON MINISTRIES

The 1993-94 conference year has been another year of challenges, joys and accomplishments. As the reports which follow this introduction show, your Conference Council on Ministries has been active in striving to be better able to minister to the needs of not only United Methodists, but the unchurched as well. But the Council can only give direction and guidance, it is the boards and agencies that perform the real work and as can be seen from what follows, are where "the rubber meets the road" in truly providing mission and service to others.

The work of VISION 2000 is ongoing with continued training events in the ministry emphasis selected by each local congregation and in the continuing grants for specific projects which further the VISION 2000 initiative. As can happen when the people of God put their hearts and minds to a task, good things come out of what many would consider a disastrous situation. This is true of the continued aftermath of Hurricane Andrew and the new life which has been given to the Sager-Brown School and its continued mission in reaching out to persons in need.

You will see many exciting ministries being performed in the name of The United Methodist Church of Louisiana. Some are directed to our almost 600 local churches - others are done as an outgrowth of the connection of our churches. You will see new church development; training in evangelism; experiences for Christian education; ministries through our church-related institutions of health and welfare, higher education, and serving ministries; training for laity and clergy; spiritual development opportunities, activities related to our social welfare. These, of course, are just a few of the many ministries of our Conference Council on Ministries.

We should be proud, not only as United Methodists, but as Louisiana United Methodists, as our conference has been recognized as being a conference which is innovative and moving forward in bringing its ministries to the local congregation. In this light, we have had persons seek us out to see what it is that these Louisiana United Methodists are doing, and why they are doing it so well.

But we cannot rest our laurels. There is much to do and much more to be done in our mission. As the boards and agencies show in their reports, there is much to be accomplished. It is worth your time and effort to review what has been done this conference year by boards and agencies and what the future holds for us because of their ministry.

I cannot close this introduction without telling you of the blessing we have in our Council on Ministries staff. Their dedication and continuing hard work make our conference stronger and able to meet the needs of our local congregations. I am deeply grateful for their assistance, without which I would be lost.

For Action:

The Conference Council on Ministries recommends that the Annual Conference form a **Committee on Planning and Research**. The purpose of the committee would be to consider future needs of ministry within the scope of the Louisiana Conference. Such recommendations would include: reconsideration of our vision and mission as an Annual Conference, which would give direction to our corporate ministry; Conference ministry programming; financial planning; clergy and laity leadership recruitment, training and development; organizational and connectional issues; ministry to our society and world.

The committee would utilize methods of research, demographics, listening and focus groups and broad participation of Conference membership.

The committee would be composed of:

- The Chairperson of the Conference Council on Ministries
- The Chairperson of the Council on Finance and Administration
- The Conference Lay Leader
- The Dean of the Cabinet
- The President or representative of the Conference Council on Youth Ministries
- The President or representative of the Conference United Methodist Women
- The President or representative of the Conference United Methodist Men
- Four persons appointed by the presiding bishop to care for inclusive representation of race and gender.

Ex-officio members would include the presiding bishop, the Director of the Conference Council on Ministries and the Director of Administrative Services.

The committee would be free to utilize other conference leadership as required.

The bishop would convene the committee.

Vision 2000 - Forward In Faith

Celebration of ministries implemented during the first year of the local church phase of Vision 2000 was the highlight of the 1993 charge conferences. Each church also selected the second of four ministry emphases to be pursued during 1994. Each year of the 1993-96 quadrennium, a different ministry will be emphasized until all four will be pursued by every church of the conference.

This past January in Lafayette and Shreveport churches sent leadership teams to be trained and resourced in the ministry emphasis which they had selected. Presently the nearly 600 congregations of the Louisiana Conference are seeking to be Serving congregations (Mission/Outreach), Nurturing congregations (Christian Education), Inviting congregations (Evangelism), and Celebrating congregations (Worship).

A consultant for each of the four ministry emphases is available in each district to assist churches in the implementation of ministries which emerge as a result of the Vision 2000 training sessions. Training events in the four ministry areas will be held once again in January, 1995 in Shreveport and New Orleans. The first Vision 2000 Grants and Revitalization Grants were awarded during 1993-94 to conference agencies and local churches to enable ministries consistent with Vision 2000 goals.

As the mid-point of the quadrennium nears, it is evident that many new ministries have resulted from the Vision 2000 emphasis. It is with great expectation that Vision 2000 moves forward in faith in the years ahead.

Communications Committee

At the very heart of the work of the church's mission to God's world is to tell the Good News (Gospel) of God's love. We must tell the Good News within the church, but we have an imperative to tell the world outside the church of what we have seen and heard of the risen Christ.

This task has many facets. Internal communication within our fellowship is essential. The way we tell the news in bulletins, newsletters, signs, bulletin boards, telephone committees, face-to-face sharing, and witnessing must supplement the preaching and teaching that communicates Christ's message to each other and our visitors.

As we confront the world outside the church, we must be willing to spend time and money and effort to tell those who could be prospects and those who may never consider coming to church of the Good News. The way we care for our property, the signs that tell who we are and how to get to our church building, the way we present ourselves in formal visits and informal encounters with our neighbors, business associates, friends and relatives can all be tools of evangelism (telling the Good News).

With gifts of modern technology we have some wonderful tools to aid us in spreading the word. Radio, t.v., direct mail, newspapers, yellow pages, and telephone all afford us marvelous ways to project our message that John Wesley could never have dreamed about. Modern Circuit Riders and lay witnesses have a glorious chance to witness.

Your Committee on Communications has sought to assist you to use all of the tools you have used before more effectively and to add some more to broaden your ability to communicate.

On August 28th we offered a workshop at Broadmoor United Methodist Church in Baton Rouge that featured Dr. Barry Bailey of First United Methodist Church in Fort Worth as keynote speaker. Different workshops were offered to give you new ideas, methods, and encouragement to churches wanting to do a better job in sharing Christ.

There will not be another workshop until 1995, but our committee will seek to make some resources available to churches in the Conference. Sample videos and audio spots are going to be available through the Conference and District offices. Print mail pieces for direct mail campaigns as a part of Vision 2000 are available through our committee and the Conference and District offices. Contact Allan Crow or John R. Johns for information on how to conduct a direct mail campaign using our print resources or those you might develop.

Jesus told us "Go therefore and make disciples of all nations". The same imperative is on us as it was for Peter or John Wesley. We have better tools. Let us use them well.

Louisiana CrossLines

In 1993 and early 1994, CrossLines ministry continued to assist local churches throughout the conference address the needs of their communities through outreach and service. Of

particular note, CrossLines has facilitated over six communities to begin an Interfaith Caregivers Program. The Caregivers Program recruits, trains and matches church volunteers with low income homebound elderly and disabled persons. Churches in Alexandria, Lafayette, Mandeville and Shreveport are in various stages of project development.

In New Orleans, CrossLines worked with a committee of the New Orleans Urban Ministries to create a Black Community Developers' Project. The result is a collaborative effort of Thompson United Methodist Church and three community schools. "Impact" (as the project is named) expects to be designated a community developers' site by the national office. As such, New Orleans will receive an ongoing grant to help fund the project.

CrossLines staffs the Serving Church sector of the VISION 2000 initiative. Follow-up consultation with "Serving Churches" has provided an important avenue for CrossLines work with local congregations. The resulting projects (after-school tutoring projects, mentoring and work with battered women) are clearly a response to both the Serving Church initiative and the CrossLines mandate to address the needs of poor families in Louisiana.

Other projects include ongoing consultation with the Friends of Families project in Baton Rouge which has expanded to over 100 mentors for some 40 families. CrossLines supports Friends of Families by training incoming volunteers and assisting with the organizational expansion of the project.

In February, 1994, CrossLines coordinated a program on violence for the CCYM Senior High Retreat. Over 250 conference youth attended the three-day retreat. Seven trustees from Angola performed several plays and shared their experiences of violence with conference participants. An ex-prisoner and current manager of a transitional home for other ex-prisoners also shared in depth his story of poverty and violence. Finally, the youth themselves developed skits to dramatize the issues of conflict and its resolution.

Highlights of the coming year include work with Serving Church congregations, exploration of a shelter and mentoring project in St. Francisville, new outreach programs in Monroe and Ruston and continued work with New Orleans Urban Ministries.

In conclusion, CrossLines' goal is to help churches understand the centrality of mission and outreach to the life of the United Methodist Church. In responding to the needs of Louisiana's poor families, both within and outside of one's own congregation, United Methodists are not called to an extra or added dimension of faith. Rather, the church's social mission is a critical measure of the vital faith we seek to live.

There is much we can learn from those churches in Louisiana and elsewhere who are leading the way in making community outreach central to their ministry.

Elizabeth Irvine, Director

Disaster Preparedness and Relief Committee

The Conference Committee on Disaster Preparedness and Relief more or less returned to business as usual this past conference year. That is, our response to Hurricane Andrew became that of supporting the daily, ongoing ministry of Sager-Brown in Baldwin, Louisiana and our Dulac, Louisiana combined ministries. Thus, we turned our attention to other needs, both locally and around the country.

The committee responded in person and financially to tornadoes in both North and South Louisiana. We responded to a devastating freeze in North Louisiana. (All financial assistance was given in accordance with the guidelines printed in the 1991 Journal.)

In conjunction with Sager-Brown and the Baton Rouge District, as well as a number of other lay-persons around the conference, we delivered several thousand gallons of water to folks suffering the horrible floods in the Midwest. At the present time, we are in contact with the Anniston District of the United Methodist Church in Alabama waiting for the most opportune time to respond to the tornadoes that hit back in March.

Our committee is also excited to be involved in the work of Rev. James Poole and the Volunteers In Mission. This renewed emphasis will create a wonderful resource of trained volunteers to respond in Disaster.

Finally, as Conference Coordinator, I was elected (in a terribly hard fought campaign!) to the executive board of LAVOAD (Louisiana Volunteer Organizations Active in Disaster). Active representation on this executive committee will greatly enhance our ability to work with folks around the state in a myriad of organizations to better bring relief in disasters.

Louisiana Legislative Liaison Committee

The Legislative Liaison Committee works in connection with other agencies of The United Methodist Church to express Methodism's historic affirmation of "social holiness." The Committee identifies issues in a legislative session that have relevance for the moral and social fabric of society. It works to make the Legislature aware of The United Methodist Church and its position as expressed in The Book of Discipline and The Social Principles.

In 1994, the Louisiana Legislature is limited to consideration of fiscal matters. Since gambling and gaming have become the choice of state government for generation of revenue, we feel it important to consider certain issues. We offer the following for the endorsement of Louisiana United Methodists in the hope that our church can offer guidance to the State of Louisiana in a difficult and confusing time:

Legislative Issues 1994

- Issue #1:** Propose a local referendum every five years on the continued suitability of maintaining the gambling activities within the local area. The purpose of this referendum is to provide citizens an opportunity to undo the gambling activities if serious social problems do develop. The very threat of a referendum will also encourage the gambling enterprises to behave very responsibly.
- Issue #2:** Propose that all gambling enterprises, including riverboats and the land-based casino, be strictly prohibited from providing any funds or financial assistance, either directly or indirectly, to the construction or operation of child care facilities. The purpose of this suggestion is to prevent young children from being exposed to gambling activity. Slot machines, roulette tables, etc. are adult activities. This proposal will not allow the gambling enterprises, with the assistance of some parents, to promote gambling by children. We understand that the child care facilities will not contain any gambling devices, but the atmosphere is inappropriate for young children.

- Issue #3:** Propose that the State develop a socio-economic information center regarding the characteristics of those who gamble, any consequences of this gambling, and the social costs of such activities. The State will collect the revenues that the State is getting from the gambling activity. These "benefits" will be discussed and praised. The social costs of gambling are not so easy to see, but they are still as real. One university or a coalition of universities could serve as this information center. The State should provide appropriate funding.
- Issue #4:** Propose that the State's economic development incentives, including the use of JTPA and other training resources, NOT apply to the gambling industry. Economic development incentives are meant to attract industries to a state. The gambling industry is suggesting that such incentives are not necessary to attract it. In fact, all that a state needs to do is to make it legal. In addition, the state has created a monopoly land-based casino in New Orleans and has limited the number of riverboats in each region. Hence, the state has already given a substantial benefit to those who get the permit to have the gambling enterprise. Reductions in local taxes or state taxes should not be necessary; and, if they are, then the gambling activities should not exist.

The Legislative Liaison Committee hosted a breakfast for members of the Legislature. Bishop Oden was the speaker for this event, which was held in Baton Rouge on May 11, 1994.

The Legislative Liaison Committee has sponsored a one-day seminar on state government.

United Methodists are urged to be informed about issues in our state and to participate in the political process in ways that enhance the quality of life for all the people of Louisiana.

Media Resource Center

The Conference Resource Center would like to thank you very much for your continued support and interest. Through your cooperation, the Media Resource Center is indeed an asset to the Louisiana Annual Conference.

The Center is continuing to work to bring countless ideas which will create an even better and complete resource center, a center which will always strive to meet the needs of those who use the audio-visual library.

Great response was received from recent flyers which were included in the "COVERAGE" mailings informing our United Methodists on what the center has to offer, as well as how to become a member and receive these benefits at such a low cost.

I am pleased to report that membership to the library has continued to increase. The overall use of the center has also increased. I encourage churches which have yet to join to do so soon. It is to your advantage. The annual fee to the center is based on the size of your church. Becoming a member of the library will allow you to reserve all materials in the resource center at no rental fee. The only cost to you would be postage. The fee for membership is as follows with churches having membership from: 1-199 - \$15; 200-499 - \$20; 500-999 - \$25; and 1,000 (+) - \$30.

We have added a number of new resources to help you in various ways. Additional resources are continually added to the center. Please be advised that we are constantly working on adding yet more materials to the library which will help you with your endeavors.

The Media Resource Center is located in the Conference Headquarters Building at 527 North Boulevard, Baton Rouge, LA 70802; (504) 346-1646. Current hours for the center are: Monday - Wednesday - Friday - 9:00 a.m. to 1:00 p.m. However, the Conference Office will continue to receive Resource Center requests during the office's regular business hours.

Judy Brewer, Director

Special Ministries Committee

The guidelines of the Special Ministries Committee calls for the Committee on Special Ministries to develop a comprehensive plan for 1993-1996 for ethnic local church concerns. A consultation on ethnic church concerns was held at St. Mark United Methodist Church in Baton Rouge on March 12-13, 1994. The consultants for this event were Ms. Helen Bell, Director of Ethnic Ministry Resourcing and Mr. Herbert Mather, Assistant General Secretary of the Board of Discipleship. The information shared at this consultation was very helpful in the development of the document called 1993-1996 A Comprehensive Plan For Strengthening The Ethnic Churches in Louisiana, compiled by Dr. George W. C. Calvin, Director of Special Ministries/Institutional Development.

The Highlights of the consultation of the ethnic church concerns are as follows:

- * Morale
- * Making the Connectional System Work
- * The need to grow and develop new leadership (We see the same names year after year.)
- * Financial constraints--the need to deal with the cost of being a part of the United Methodist system when people are unemployed and underemployed.
- * Churches with small membership feel they should "do it all."
- * Identity issues:
 - The need to celebrate our gifts and graces
 - We need to be comfortable with who we are as Black United Methodists
 - There is a need for learning healthy conflict management.
 - A concern for ownership, equality, justice, and fair representation.
 - Developing new leadership
 - Helping persons hear the call into pastoral ministry
 - Dealing with financial constraints

An outgrowth of the consultation was the Louisiana Conference Gifts Discovery Workshop for ethnic churches held on March 11-12, 1994 at the Wesley United Methodist Church in Baton Rouge, La. The resource persons for this event were Ms. Helen Bell, Director of Ethnic Resourcing and Special Constituencies, General Board of Discipleship and Ms. Marilyn Magee, Executive Director of Office of Family Ministries and Conference Relations of the General Board of Discipleship.

The more than one hundred participants were uplifted in music by the Mandrigals of Camphor United Methodist Church and the voices of Joy Choir from Neely United Methodist Church. The featured speaker at the worship service was Dr. Donald Cottrill. The workshop dealt with developing new leadership in ethnic local churches and also learning with leaders for

ministries with singles and young adults. These events served as building blocks for future leadership training events.

At the January meeting of the Committee on Special Ministries, the funding guidelines for 1994 and allocations of funds were approved.

GRANT FUNDS
Policies/Procedures 1994

1. That Grants be made on a one time basis for a specific program/project in the local church. Grant requests for other types of needed programs/projects are welcomed. Exception is made for this guideline for ethnic Institutions/Agencies, Native American, Korean and Hispanic Ministries and special emergency cases in the local church.
2. That all approved grant funds, be sent to the District Treasurer for management and distribution to the local church/agency, as approved by the District Superintendent.
3. That a written report be filed annually in the Special Ministries and District Superintendent's offices, concerning the use of the grant (budget) and a report and evaluation of the effectiveness of the program/project. If this is not done, that local church/agency will not be granted funds in the future as needed.
4. When a grant request is submitted, the local church or agency should allow a site visit to be made to determine the need, and that a training seminar be conducted in that local church before the grant is approved.
5. That grant application request be made to the Special Ministries Office, and all applications must be filed no later than October 1. All requests after October 1 will be processed the following year.

Report from the Task Force on Clergy Housing Standards and Guidelines for Clergy Housing

Introduction

This report is a follow-up that was requested by the action of the 1993 Session of the Louisiana Annual Conference. It is intended to become a parsonage handbook, to guide churches and clergy as they deal with parsonage matters. The survey concerning clergy housing in the fall of 1992 indicated very clearly that housing for clergy is an issue that generates strong feelings from many persons, both clergy and lay. This proposed handbook is an attempt to address the many issues raised by survey respondents, and has as its goal a better parsonage system for everyone.

Please read the report carefully. Even though there are some things that are set rules (standards), there are also many things that are recommendations (guidelines). It is the committee's sincere hope that clergy and laity will take the report in its entirety seriously. We feel that the guidelines could prove just as helpful as the standards in improving our parsonage system.

The last set of parsonage standards for Louisiana Annual Conference was passed in 1978. Survey results in the fall of 1992 indicated a need to update conference standards and policies and address some new issues. To help in the task, the Task Force on Clergy Housing researched what other annual conferences have done in this area, taking the best of those policies and formulating appropriate ones for this conference. Much deliberation has gone into these suggested guidelines. With hundreds of clergy and churches involved in the parsonage system, obviously every special circumstance could not receive consideration. However, the Task Force has tried to address the major issues regarding parsonages and believes that these proposed policies will be fair and helpful to everyone.

The committee is also aware that moving toward a partially furnished parsonage system has increased the cost of moving. The Committee on Finance and Administration and members of a special committee have worked hard to come up with a fair recommendation. The Task Force on Clergy Housing supports the CFA proposal to increase the local church moving expense recommendation in increments of \$200 a year until 1999.

Members of the Task Force are: Mrs. Kay Irby, chairperson; Rev. Charles Humphreys, Mrs. Ginger Horton, Mrs. Kathleen Conrad, Mr. Robert Middleton, Rev. Marie Williams, Rev. Charles Langford, Rev. Larry Martin, Rev. Larry Maddin, and Dr. Don Cottrill.

Annual Conference Policy Regarding Clergy Housing

- 1) The Louisiana Annual Conference policy is to encourage churches to provide parsonages.
- 2) "The parsonage is to be mutually respected by the pastor's family as the property of the church and by the church as a place of privacy for the pastor's family." (1992 Book of Discipline Paragraph 270.2f4)
- 3) Under some circumstances, the unusual needs of a particular clergy family or local church may warrant the choice of housing other than a church-owned parsonage. Such a choice may be pursued only under the supervision of the District Superintendent.

4) In some cases, churches provide housing for senior pastors but not associate pastors. It is important in such cases that the housing allowance be sufficient to rent or make payments toward purchase of a house similar to one described in the standards below.

Location

Parsonage location is an important consideration. When building or relocating, the following factors should be considered:

- a safe and stable neighborhood
- patterns of growth in the area
- convenient to good schools, shopping, and medical care
- availability of visitor parking
- convenient to the church(es), but probably *not* next door to the church (see section on "Building or Purchase of a New Parsonage")

When existing parsonages fail to conform to the above, churches may need to consider building or buying another parsonage.

Design

Standards for the parsonage should be similar to the housing of the church membership and community being served. When a parsonage falls below these standards, the pastor, the chairperson of the Board of Trustees, or the District Superintendent may request that the District Board of Church Location and Building evaluate the parsonage and make recommendations.

Below are recommendations to assist churches and District Boards of Church Location and Building when making decisions on building or buying parsonages. These standards also may assist parsonage committees when assessing the adequacy or planning for upgrade of existing parsonages.

Minimum Standards

- Three bedrooms and preferably four with one bedroom of at least 168 sq. ft. and the others of at least 144 sq. ft.
- Two bathrooms of 45 sq. ft., one accessible to visitors (or an added half bath for visitors).
- Formal living room of at least 280 sq. ft. and dining area of at least 150 sq. ft.
- Family room of at least 180 sq. ft.
- Kitchen of at least 120 sq. ft., with an additional informal dining area of 100 sq. ft.
- Laundry room/area of 50 sq. ft.
- Ample closet space in each bedroom. Additional closets should be provided for linens, cleaning supplies, and equipment.
- Substantial bulk storage space provided in a floored attic or in a storage closet accessible from the carport.
- Two-car garage or carport of 400 sq. ft. with storage for equipment and tools
- Central air conditioning (heating and cooling) unit.
- Exterior walls and ceiling insulated; also insulated floors if wood suspended above ground.
- Adequate attic and under floor (if suspended) space ventilation.

- Weather-stripping at all exterior doors, including thresholds.
- Carpeting adds insulation value and is desirable.
- Adequate capacity water heater, with a pressure relief valve, over a drain.
- One telephone that stays with the house, with additional phone jacks in appropriate rooms throughout.
- TV antenna or cable hookup.
- Larger homes may include a study with built-in bookshelves.
- Exterior features should include:

Sufficient fencing and shrubbery to provide for the privacy of the parsonage family and safety for children and pets.

Yard with adequate play areas for children.

Shade trees that do not threaten house foundation, driveway, or walks.

Landscape plantings that enhance the attractiveness of the home.

Yard that provides drainage away from the home.

Freeze proof water hydrants.

Safety Features

These features will provide a safe home for the clergy family and could possibly reduce insurance premiums.

1. Smoke and fire alarms in sleeping and cooking areas.
2. Fire extinguisher in cooking areas.
3. Dead bolt locks on all outside doors.
4. Adequate fire exits from all areas of the home.
5. Adequate, safe play area suitable for small children.

Accessibility

The entire house should provide complete access to persons in handicapping conditions. This will include such basic provisions as a ramp with a slope not exceeding 1 to 12 to an exterior door; all doors of a size to permit 28" clear width when open; and a telephone within 48" of the floor. In a two-story parsonage, there shall be a ground floor bedroom and bathroom.

In the instance of remodeling, purchase of a new home, or when the need arises, the church should be sensitive to making accommodations for persons who are physically disabled. In such cases, the church might also consider other housing options.

Maintenance

Responsibilities of the Church

- Repair or replace items that are property of the parsonage in a timely manner.
- Maintain service contracts for pest control and termite inspection.
- Maintain service contracts for maintenance and repair of provided appliances or a list of preferred repair persons for routine maintenance and emergency repairs.
- Maintain a yearly contract for the maintenance and repair of heating and cooling systems.
- Regular cleaning and painting of exterior surfaces.
- Regular interior painting, at least every four to six years.
- Monitor the condition of the roof, with repairs or replacement as needed.
- Clean carpets and upholstery at least every two years and when parsonage families move, scheduled in consultation with parsonage family.

- Budget funds for repair and maintenance of house and furnishings (recommended yearly amount: 2% of the replacement value of the parsonage and contents).
- Adequate insurance for parsonage and church-owned contents.
- Conduct an annual on-site evaluation of parsonage.
- Conduct moving inspections when there is to be a move.
- Furnish the district superintendent with an accurate floor plan of each parsonage owned, drawn to a scale of $1/8" = 1'$, so that he/she may provide this to an incoming pastor soon after the appointment is agreed upon.

Responsibilities of the Clergy Family:

- Promptly report needed repairs.
- Make restitution for damage done by pets or beyond normal wear and tear.
- Maintain insurance for family's possessions.
- Help schedule and participate in annual on-site evaluation of parsonage and moving inspections.
- Leave parsonage clean for the next family when moving.
- Maintain a neat, orderly appearance on the outside of the home.
- Keep a parsonage book (see "Parsonage Inspection") up-to-date concerning repairs, new appliances, etc.
- Suggestion: The congregation enjoys seeing the parsonage. Therefore, it is suggested that open house be observed from time to time.

Decorating

A church can avoid faddish styles and extreme approaches in architecture without being overly bland. Neutral colors for walls and floor coverings can be done very tastefully in order to accommodate the varying color schemes and tastes of parsonage residents. Churches may wish to seek professional assistance in color selection. The District Office has several "color cards", prepared by an architectural firm, that may be loaned to churches that wish to gather ideas for color schemes.

The parsonage family should be allowed to paint and wallpaper in family areas with the understanding that they will restore these areas to their original color prior to moving. (unless the incoming family desires for them to be left as is).

Furnishings

The report approved by the 1993 Session of the Louisiana Annual Conference established a five year transition period during which clergy families will assume increasing responsibility for the furnishings in the parsonage. There will still be furnishings that the church will provide. Effective June 1995, the following is the policy for parsonages:

A. Each parsonage shall be furnished with all major appliances, including washer, dryer, stove, and refrigerator. The kitchen must also have hot and cold running water, a sink, built-in cabinets, a storage or supply closet, counter work surfaces, and adequate, properly grounded electrical outlets. It is strongly urged that a built-in garbage disposal and dishwasher be provided where possible and adequate telephone outlets throughout the home be provided.

B. The parsonage living room and dining room furniture will continue to be provided by the church/charge.

C. All parsonage wall-to-wall floor coverings or rugs will continue to be furnished by the church/charge.

D. Window shades or blinds shall be provided in all rooms. Window treatments shall continue to be provided by the church/ charge for the living room, dining room. Other window treatments may be provided by the clergy families to accommodate their personal tastes.

E. Churches that do not provide lawn maintenance services for the parsonage shall furnish lawn care equipment necessary to maintain the yard, including power mower, weed cutter/edger, and hedge trimmers.

F. Use and placement of church-owned furnishings within the living areas of the parsonage shall be at the discretion of the parsonage occupants.

G. Storage of excess furnishings during the transition time shall be the shared responsibility of both clergy family and church/charge.

Transition to Partially Furnished Parsonage System

As of June 1999 all clergy families will provide furnishings for all bedrooms, family room, and kitchen dinette. The church/charge will be asked to continue furnishing all major appliances, including washer, dryer, stove, and refrigerator. In addition, all formal living and dining room furnishings should continue to be the church/charge responsibility.

The following timetable shall be followed as a guideline by the clergy family and church during the transition period between "church owned" and "pastor owned" furnishings:

- 1) By June 1995, the clergy family will be responsible for providing furnishings for master bedroom and the family room.
- 2) By June 1997, the clergy family will be responsible for providing furnishings for the second bedroom.
- 3) By June 1998, the clergy family will be responsible for providing furnishings for the third bedroom.
- 4) By June 1999, the clergy family will be responsible for providing furnishings for the kitchen (excluding major appliances) and any other bedroom/home office area.

Disposition of excess church-owned furnishings shall be the responsibility of the local church/charge. In the event of transfer of church-owned furnishings to the minister, either by sale or gift, any such transfer shall be conveyed in written form. (Prior to implementing a plan for the local church/charge, those responsible for such decision-making at the local level should seek tax counsel. In so doing, the local church/charge may avoid possibly creating undue tax burdens for the pastor.)

It is recommended that any money derived from the sale of the furnishings not be absorbed into the general fund of the local church. It is suggested that it be used to set up a fund to maintain or replace the required furnishings of the parsonage.

The responsibility for the administration and supervision of the transition from the church-owned furnishings to the clergy owned furnishings shall be assumed by the Pastor/Staff Parish Relations Committee and the trustees on the local level. During the transition years, a report shall be filed with the district superintendent at each Charge Conference stating the progress that has

been made. The cooperation of the churches and the clergy family in closely following these guidelines is vital to implementation of this transition.

The responsibility for administering the transition on the district level for the district parsonage shall be assumed by the district trustees and the Committee on District Superintendency in conjunction with the district superintendent.

Suggestions

The 1993 report to Annual Conference from the Task Force on Clergy Housing listed several helpful suggestions:

- Early and open communication between the pastor and the committee will facilitate the change.
- The pastor should not assume that current parsonage furnishings will be offered as a gift.
- The church should not assume that current parsonage furnishings offered as a gift will be accepted by the pastor.
- All clergy will follow the plan as outlined so that it will be phased in with uniformity.
- Where specific details are not given, the good will and good sense of both the pastor and people will provide direction.

The Task Force on Clergy Housing offers these additional suggestions as well:

- Individuals need to understand that any gifts that come to the church are property of the church and not the individual who gave them. It is strongly recommended that a church not accept gifts that cannot be given away or sold.
- Any furniture or other items given by an individual or group to the parsonage need to be identified as to whether they are given to the pastor or the church.
- Any furnishings or other items given or sold to the pastor should be in writing and signed by the Board of Trustees and the pastor.
- Any transfer of ownership of master bedroom or family room furnishings cannot take place before June, 1995. Transfer of furniture in any other rooms must follow the timetable.
- During this time if a minister and his or her family purchase furnishings ahead of the deadline, it is the shared responsibility of the church and the minister to work out storage arrangements.

Annual Parsonage Inspection & Moving Inspections

Many responses to the surveys collected from clergy and laity asked the Task Force on Clergy Housing to come up with a plan for taking better care of parsonages. The fall inspection is recommended as a better system of accountability for clergy who are abusing parsonages and churches that are neglecting parsonages.

Paragraph 2533.4 in the Book of Discipline states, "The chairperson of the Board of Trustees, or the Chairperson of the parsonage committee if one exists, the Chairperson of the

Committee on Pastor-Parish Relations, and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance."

This annual review (parsonage inspection) is to be made 30 days prior to the annual fall Charge Conference and reported to the Charge Conference using the form found at the end of this report. (This form should be filed with other conference reports.) The Committee on District Superintendency is asked to be responsible for an annual review of the District Parsonage. In addition to annual reviews, where there is to be a change of appointments, inspections are to be made (a) at least four weeks before moving day, using the annual review form, and (b) on moving day, using the moving day form. The date for all parsonage inspections should be scheduled with the parsonage family at least one week in advance.

During the years 1995-1999, the report filed at Charge Conference should include a progress report on the transition from church owned to clergy owned furnishings.

If a parsonage inspection is denied by the clergy family, it is recommended that the minister's utility allowance be withheld (or a comparable amount from the base salary in appointments where churches pay the utilities directly) until such inspection is made.

If the parsonage family has been negligent and abuse of the house is apparent, the pastor will be held financially responsible for any necessary repair or replacement. Damage by pets is considered beyond "normal wear and tear".

A parsonage book (folder or file) should be permanent in every parsonage, and regularly updated, containing:

- 1) A complete inventory of all furnishings, furniture, and equipment (a second copy kept on file with parsonage committee and/or board of trustees).
- 2) Warranties and guarantees.
- 3) Instruction manuals.
- 4) List of appliances and equipment including dates of purchase, purchase price, and any repairs performed.
- 5) List of preferred service personnel for maintenance and repairs.

Building or Purchase of a New Parsonage

Since parsonages become out-dated more rapidly than do churches, most churches/charges in time will want to acquire a new parsonage. Parsonages located on a church campus are not easily sold. This often necessitates the demolition of the parsonage. These factors often justify the extra expense of purchasing a separate lot for the parsonage.

When the condition of a parsonage is in question, the pastor, Chairperson of the Board of Trustees, or the District Superintendent may request the District Board of Church Location and Building to evaluate the parsonage and make recommendations.

Listed below are some references from the 1992 Book of Discipline that may be helpful reminders:

(Para. 257.3g) "The Administrative Board shall review the recommendation of the Committee on Pastor-Parish Relations regarding the provision of adequate housing for the pastor (s); and report the same to the Charge Conference for approval. Housing provisions shall comply with Annual Conference housing policy and parsonage standards. Housing shall not be considered as part of compensation or remuneration."

(Para. 2521.1, 2544) The parsonage is acquired and maintained by the charge under the authority of the Charge Conference. The District Board of Church Location and Building must approve the location, purchase, and/or building of a parsonage.

Responsibilities of the District Superintendents

- Follow up one month after charge conference with local church Parsonage or Trustees Chairperson, if Annual Review report is not filed at Charge Conference.
- See that all churches are following the conference timetable for transition to partially furnished parsonages.
- It is not intended that the District Superintendent be involved in cases where a parsonage inspection is denied by a clergy family. However, there may be situations that will need the assistance of the District Superintendent if a local church is unsuccessful in making these arrangements.
- Blank forms for Fall Annual Inspection, Moving Inspection, and Move Day Inspection will be kept in each District office for the convenience of local churches and pastors. Fall Annual Inspection forms should be included in the Charge Conference packet. Moving Inspection forms and Move Day Inspection forms should be provided to clergy and churches by the District Superintendent when there is a move.
- Completed copies of Move/Moving Day Inspections should be kept on file for one year from the time of move in each District Office.
- While it is the responsibility of each local church and pastor to complete all required inspection forms, the oversight of the District Superintendent is important in helping maintain a parsonage system that respects the interests of both clergy and churches.
- The District Superintendent will comply with all Annual Review and Move/Moving Day Inspection procedures for the district parsonage, utilizing the District Parsonage Committee or the District Board of Trustees.

B. REPORT OF PROGRAM BOARDS

BOARD OF CHURCH EXTENSION

The Conference Board of Church Extension has been working hard over the last year to develop a quadrennial plan for Church Extension throughout the Conference. The Conference Board, working with District Boards of Church Extension, identified areas of transition and growth throughout the Louisiana Conference. At the Convocation of Boards, the following projects were given priority over the next four years:

1. New congregation at Mandeville
2. Student Center/congregation at Grambling
3. A congregation in South Baton Rouge with First UMC, Baton Rouge
4. Relocation of Mallalieu UMC

There is much to celebrate in Church Extension! Since Conference met last year, a new congregation has been started in South Monroe. The congregation, under the leadership of Rev. Larry Martin, will officially organize in September, 1994. Also, Rev. Ben Santana has given great leadership and rebirth to the Hispanic congregation and ministries in the metropolitan area of New Orleans.

In 1994, Church Extension will spend \$165,155.50 in pastoral support of nine congregations throughout our state. A total of \$336,229.50 will be spent by Church Extension to extend the body of Christ. There is more that could be done but our task is limited by available resources.

The Conference Board of Church Extension encourages District Boards to be actively involved with church extension on a district level.

For Action: Approval of the Board of Church Extension to enter into a loan agreement with the Foundation for purchase of property.

In 1993 the Louisiana Annual Conference passed Report #3 of the Conference Board of Trustees providing the option for the Conference Board of Church Extension and the Conference Board of Trustees to become a guarantor for church mortgage loans through the United Methodist Development Fund. In order to allow for the purchase of land for the development of the new congregations identified above, the Board has entered into negotiations with the Louisiana United Methodist Foundation to borrow funds for the purchase of these properties, to be repaid by the apportioned funds to Church Extension over the next five years. The Conference Board of Trustees will present a report for approval of this loan agreement.

M. Jack O'Dell, Chair

BOARD OF CHURCH AND SOCIETY

First of all, on behalf of the Louisiana Conference Board of Church and Society, I wish to thank the United Methodists of Louisiana for their faithful support of Conference initiatives, including the work of this board. We also deeply appreciate your increasing response to and support of the annual Peace With Justice Sunday offering. Last year (1993) your gifts enabled us to sponsor Dr. Carol Walker as a Peace With Justice educator for eleven months. We were extremely pleased with the work she did throughout the conference.

Because of Dr. Walker's progress and this board's continuing commitment to addressing current social and moral issues from a faith perspective, the General Board of Global Ministries has made available to our conference for 1994 a Peace With Justice educator couple. They are Dr. Ray and Delaine Dehainaut, former United Methodist missionaries to the Dominican Republic. They are currently accepting invitations to churches, districts, and conference-wide events coordinated through Rev. Ellen Alston, current Peace With Justice coordinator. (Please see your March 1994 Conference Coverage mailing for a general publicity flyer.)

Because of strong, concerned leadership from the other members of our board, we are poised to move forward in faith, assisting Louisiana United Methodists in interpreting the Social Principles of our great church.

As a part of the larger society, our church continues to wrestle with the social ills which daily plague our communities. Escalating violence in homes, schools, streets, and neighborhoods must be addressed prophetically by both laity and clergy from the biblical mandate of peace with justice. It is past time for serious Christians to stand up and, in the words of Sister Margaret McCaffrey of Shreveport, "Just say NO to violence, to killing, to fear of our neighbor, to bigotry and prejudice; NO to hatred of ourselves or others, and NO to despair." The hopelessness of our times demands that we preach and live out the Gospel of hope.

Our board applauds any and all ecumenical efforts at addressing the issues of crime and violence. Programs like the Alternative to Violence Project (P.O. Box 4223, Shreveport, LA 71134-0223) are needed statewide. We recognize the valiant efforts of Pax Christi (Shreveport Chapter) for their LOVE CAN BUILD A BRIDGE walk against crime in Shreveport-Bossier.

In the area of Health and Welfare, our board, along with the conference Board of Health and Welfare, will be attending a regional training event on: Developing Local Substance Abuse Ministries. This training is sponsored by the General Board of Church and Society. We are trying to involve all nine districts in this event. The first of five possible training dates is September 21-24, 1994 at Gulfside Assembly Center in Waveland, MS.

We encourage local churches, through Adult Sunday School classes, study groups, Council on Ministries, and Administrative Boards or Councils to begin the dialogue about how their churches can play an active role in working and praying for God's Shalom, peace with justice, to become more of a visible reality in our midst.

In an effort to improve communication between our board and conference leaders, our 1995 budget will allow for a quarterly mailing, updating you on areas of concern, as well as ways local churches and individual Christians can respond to issues such as: violence, conflict resolution, hunger, homelessness, health issues, and economic justice.

The General Board of Church and Society publishes a monthly magazine, Christian Social Action, at \$13.50 per year. Address: 100 Maryland Avenue, N.E., Washington, D.C. 20002, which we recommend for your consideration.

Finally, our board wishes to recognize outgoing Peace With Justice coordinator, Dr. Hilda Arndt for her many years of faithful service to the church, and particularly for her work in bringing about peace with justice.

Following are the important and timely reports from the chairpersons of our various committees, including two "for action" items, resolutions from the Peace With Justice committee.

Richard H. Humphries, Chair

Environmental Justice and Survival

Daily, individuals contribute to waste on this earth that comes from unlimited and varied sources. These sources may be items least expected such as wrappers, boxes, junk mail, cardboard boxes and other paper goods.

In addition to the previous list, clothes, shoes, discarded toys, bicycles, appliances, and cars are also major sources. The largest landfill cannot hold all of the solid waste.

Because of the many diseases and effects such as leachate and toxic fumes, communities prohibit the commencing of landfill sites near their living areas.

Therefore, it is imperative that each individual becomes accountable to reducing, reusing and recycling.

A Suggested List of Activities

1. In preparing for church activities or functions, use the least paper containers possible. Instead, use fabric tablecloths, napkins and beautiful dishes and utensils.
2. The local church should encourage the observance of "Environmental Sunday."
3. Encourage local church members to organize an Environmental Committee.
4. Local church congregations continue adopting a street or block and specific sections of the highway.
5. Christmas Trees may be:
 - A. Mulch for gardening
 - B. Planted for beauty
 - C. Placed in fish ponds and lakes for a refuge and feeding area for young fish
6. During Christmas Season, tons of Christmas wrapping paper are used for the "perfect or special gift." Yet, the beautiful paper and matching bows add to the "landfill crisis." It may be an excellent idea to use less Christmas wrapping paper and use ONLY Christmas bows on some gifts.
7. Reuse plastic Christmas bags for wrapping, etc.
8. Grocery bags are ideal for trash can liners. In Sunday School classes, boys and girls can use these same kind of bags for decoration.
9. It appears people of color and low income communities encounter a higher level of environmental exposure and risk than the majority population. As reported by the Environmental Protection Agency Official, the U.S. Government is working to reverse the effects of such "environmental racism."

10. Read the newspaper regularly and participate in community environmental meetings to become better informed on important issues.
11. Gradually build an Environmental Library in your local church.

Our Committee is planning to sponsor an ENVIRONMENTAL AWARENESS WORKSHOP on Saturday, November 19, at First United Methodist Church in Alexandria for local church leaders and interested members. We will have experienced consultants from both the church and secular fields to resource this timely event. We strongly encourage your church's participation.

Winderlean S. Lewis, Chair

Health and Human Welfare

As the Health and Human Welfare Committee of the Conference Board of Church and Society we join with congregations in placing a strong emphasis on general health care in our country. We pray for those who are responsible for developing our health care system, that they will create a program that is effective, efficient, and fair for all people.

Substance abuse and its related violence continue to be a major concern of our country. Thought has been given toward developing a task force that would be available to congregations to help teach families and congregations how to better recognize substance abuse that exists, learn where help is available, and what we as individuals and churches can do.

The high level of addictions in society leaves behind many victims. We must seek new and better ways of prevention as well as healing the wounds that are present.

Let us pray for God's guidance and strength to see us forward in developing and accomplishing these vital plans toward health and wholeness.

Ann Wideman, Chair

Peace With Justice Committee

We have been blessed this past calendar year to have Dr. Carol Walker as our Peace With Justice educator in Louisiana. We thank Dr. Hilda Arndt for her efforts in initially securing Dr. Walker. Dr. Arndt has worked tirelessly for this area of the church's life, and we pray God's health and wholeness will be hers as outgoing Peace With Justice coordinator.

We are pleased that the Rev. Ellen Alston, an able and energetic leader, has assumed Dr. Arndt's former position. She is currently assisting in our plans to make available to the conference our new Peace With Justice educator couple, Dr. Ray and Delaine Dehainaut. Ray has roots in Louisiana and they both are excited about the work they will be doing on our behalf.

Our committee also wishes to recognize all congregations who are making progress in becoming actively involved in the cause of peace with justice. In particular, we want to recognize the efforts of Baker United Methodist Church in becoming a Covenant Congregation

based on the General Board of Church and Society's guidelines (See the 1993 Conference Journal for more information). Mrs. Margaret St. Amant has been instrumental in these local church efforts.

Below are two resolutions to be presented before the Annual Conference session of 1994. We respectfully request their passage.

W. C. Patterson, Chair

Resolution To The Louisiana Annual Conference On The Homeless

WHEREAS, there has been neglect of individuals and families who are homeless in urban and rural areas,

We respectfully request members and leaders of this Annual Conference to petition for stronger support by individuals, churches, and government agencies in terms of food, shelter, and clothing for these persons.

This should include support for such agencies as the Salvation Army denomination, the Red Cross, and other local agencies.

We also encourage all churches to organize by communities across denominational lines to assist the homeless.

W. C. Patterson, Chair

Resolution To The Louisiana Annual Conference On Gun Control

WHEREAS, there have been senseless and random injuries and deaths because of the careless use of handguns at homes, in the streets, schools, and places of business;

WHEREAS, in the United States, every three hours another child is murdered (source: Children's Defense Fund);

WHEREAS, institution of the "Brady Bill" has already shown signs of reducing the availability of handguns to criminals,

We respectfully request the Louisiana Annual Conference to work and pray for stricter enforcement of present laws, and, where possession of handguns and other firearms already exists, to encourage members' and other citizens' participation in firearm safety courses.

W. C. Patterson, Chair

Political and Human Rights

One segment of our society which we sometimes would like to forget, is the population in our prisons. Many views are held by people and by United Methodist Christians concerning prison issues. For example, the official United Methodist position found in our Social Principles is against the use of capital punishment; yet, many United Methodists agree with the death penalty in certain circumstances. Or for example, many people are for longer prison sentences without paroles with the emphasis on punishment in order to serve as a deterrent against crime; yet, many others believe that the key role of our prisons should be more of a rehabilitative one, helping the inmates, preparing them to not merely exist but live productive lives in society.

We realize that most all inhabitants of our jails and prisons belong there paying for their crimes. They do not "deserve", nor do they get special treatment. A prison life is a difficult experience. And it can be an experience without hope, love, or peace. As Christians, we have a call, even a mandate (Matthew 24), to reach out to others, including those in prison. This call is ours no matter what our views are and no matter who the prisoners are or what they have done.

"But, what can I do?" There are prisons and juvenile institutions in every region of our state. Each one has needs and opportunities for ministry. Over the past year, I have received information from several of these which reveal some of the needs. Some of the specifics are available if you contact me at: P.O. Box 249, Ringgold, LA 71068; (318) 894-4767.

Here are a few tips and bits of advice for ministering in a prison or institute:

1. Of most crucial importance, work with the prison chaplain. Ask him/her what you are allowed to do.
2. You need permission from both the chaplain and the warden for any visitation and perhaps even for any materials you send.
3. Bibles are always needed (but check with the chaplain for a specific translation).
4. Devotional resources and books (like Upper Room) are usually needed.
5. Regular reading books and literature are always in need.
6. If groups are permitted to visit in Ministry:
 - A. Mixed groups may not be allowed (i.e. only male in a male institution or female in a female institution).
 - B. Mixed groups, if allowed, may still not be a good idea.
7. You might be able to work with organizations which are already ministering in a prison (such may be United Methodist Churches, Ministerial Alliances, interdenominational groups, etc.)
8. When visiting, obey; all rules, the warden, the guards on duty, the chaplain, and wise, spiritual judgement.

There is much need in prison ministry. If you feel so led to participate in someway, don't put it aside. Find out what you can do. . .and with the grace of God, do it.

Steven J. Porter, Chair

Political and Human Rights Committee

Due to an administrative oversight, a report on organized gambling in the State of Louisiana was not included in last year's report. The United Methodist Church is opposed to gambling (The Book of Discipline, ¶ 73 G, Social Principles).

In the midst of the rapid proliferation of gaming facilities, lottery, casinos, poker machines, there is one bright light shining in the darkness. Through an ecumenical effort, the Monroe community was successful in calling a referendum and developing support to defeat the

proposed Riverboat Casino in their community. If you want help in getting organized to resist gambling in your community, contact the United Methodist Churches of Monroe, particularly First UMC, Monroe, c/o Mr. Fred Huenefeld, Jr., P.O. Box 4627, Monroe, LA 71121. If you think gambling is not adversely affecting the state's economy, consider the reports in local newspapers of business owners experiencing declining business since gambling came to their communities -- which translates into loss of jobs, and consider that the lottery commission deposits are in banks outside this state.

Get involved with your local government representatives and begin to oppose gambling for the social blight that it is.

Jim Huber, Chair

BOARD OF DISCIPLESHIP

The Board of Discipleship continued in the second year of this quadrennium to define and refine our mission (primary task) of the developing leaders for Christian discipleship. Besides the surveys, workshops, retreats, lab schools, etc. (see following committee reports) conducted throughout the districts and conference by members of the Board; significant movement was made by the group as a whole to move toward an integrated, vital, flexible, and focused system of service delivery for our local churches.

Task forces were developed to implement a new conference emphasis on confirmation classes (children and adult), a planned School of Evangelism, and an effort to consolidate most BOD training events into a three-day "school" entitled "S.T.O.R.E." (Spirituality-Training-Organization-Renewal-Evangelism) slated for September 1996.

Additionally, the decision was made to restructure the board when it became apparent that there were gaps in ministry to the local churches. Accordingly, Diane Wilkinson, chairperson of the Education Committee, headed a task force to take a fresh look at age-level ministries on the conference level. Their work was the starting point for more intensive analysis of BOD form and function. Our vision is that a reorganized board will act more effectively in response to the challenges of new issues and old sins.

As we "are spent" in the service of our Lord and His church, the members of the BOD ask for your continued help. Please continue to pray for us as we pray for guidance and strength for this important work.

Sarah S. Kreutziger, Chair

Camping

Camp is an unequalled opportunity to experience God in special and critical ways, and to experience the community of discipleship in its most primitive form. Camp is a place in which the distractions of today's world, especially those coming from technology, are absent, and we can experience God's presence in a "pure" way through nature and one another.

The Louisiana Conference of the United Methodist Church has three district camp sites: Caney Conference Centre, Istrouma and Uskichitto, that strive to provide the best camping

programs possible for children and youth. The camps are also utilized for retreats, reunions, workshops, and fellowship by all ages.

During 1993, Caney Conference Centre, supported by the Shreveport, Ruston and Monroe Districts had 242 participants in their summer camping program. More than 2400 persons utilized the camp during the year.

Istrouma Camp, supported by the Acadiana, Baton Rouge, New Orleans and North Shore Districts, had 409 participants in their camping program with 65 churches represented.

Uskichitto Retreat Center, supported by the Lake Charles District, had over 200 participants in their camping program.

This is the second year for a Conference-wide mailing concerning camping. Many persons are now aware we have three sites they may use for their camping needs. Camping is one of the areas where God's ministry is meeting the needs of United Methodists and non-United Methodists.

Charlie Baker, Chair

Education

I. GOAL - To assist the networking of local churches' worship and educational ministries.

RESPONSE: Booklets with creative ideas for the church seasons were made available to churches in our conference. The ideas were accumulated from programs that had worked in local churches and shared by Christian Education and worship leaders.

II. GOAL - To establish an effective Christian Education committee for the conference.

RESPONSE: Conference Coordinator positions have been created for specific age level/interest ministries. These coordinators will chair task forces which will deal with issues facing local churches in each ministry area. These coordinators will comprise the Education Committee. The Conference coordinators will work with the district age-level persons in responding to the needs and gifts of each area. A job description of the task force is available.

III. GOAL - To encourage the local church to use Cokesbury Curriculum.

RESPONSE: 1. Following a positive response to the "VBS: Which curriculum is best for our church?" Workshop held in February, 1993; a similar workshop was held March 5, 1994 at First UMC in Alexandria.

2. A Confirmation workshop using the new Cokesbury materials "FOLLOW ME" was conducted in Baton Rouge in November and District resource persons were trained to aid local churches in using this new material.

3. A Conference Preview Event showcasing the new Cokesbury curriculum was held at FUMC, Alexandria May 19, 1994 from 1:30 - 4:30 p.m. The education committee worked as a team to encourage local churches to come view this material and see why we are excited about Cokesbury material.

IV. GOAL - To provide optimum teacher training for the local church.

RESPONSE: 1. Sunday School Teacher Equipping Process was greeted with enthusiasm at the CEF fall retreat and workshop. Each district will have a trained team of educators who will be available to go into the local church to help them determine needs and respond to those needs with specific workshops which will enhance the Christian education of that congregation. At this time, a task force is preparing materials that will be used to help train the leaders at a workshop to be held May 5 & 6 at Tall Timbers in Alexandria. This program will be implemented with a service of dedication of these educators at Annual Conference, and they will be available to go into the local churches after that time.

2. A Lab School was held in Shreveport at Broadmoor UMC Feb. 19-21 for Shreveport, Ruston and Monroe Districts. Training for all age levels plus a special one-day event for Singles Ministries was available.

3. District Workshops have been developed and well attended. In the Lafayette District, over 100 persons attended a workshop in August conducted by Leslie Akin, Carolyn Dove and Dianne Wilkinson.

The New Orleans District had a workshop focusing on inner-city ministry on February 26, 1994.

4. A creativity workshop was held at the conference office on April 12 led by Barbara Bruce. This one-day event was designed to help persons, lay and ordained, to get "unstuck" and begin to explore new avenues for church growth and organization.

V. GOAL - To encourage local churches to support the Christian Education offering.

RESPONSE: 1. A packet of information about Christian education was sent in coordinated mailing to highlight Christian Education Sunday and ways it might be celebrated.

2. A new Christian education brochure outlining the use of C.E. funds was developed and distributed.

3. Envelopes to be used as inserts on Christian Education Sunday are available to local churches contacting the conference office.

Evangelism

Plans for two major Evangelism Workshops in Louisiana have been launched:

- ONE DAY TRI-DISTRICT MEETINGS - SPRING 1994:

"Leadership for Evangelism: New Paradigm for a New Century"

with Dr. Roger K. Swanson

April 20th - North Area at Arcadia, LA

April 21st - S.W. Area at Opelousas, LA

April 22nd - S.E. Area at Baton Rouge, LA

- THREE DAY CONFERENCE SCHOOL - WINTER 1995:

"Offering Christ Today: A Workshop on Excellence in Evangelizing"

February 15-18, 1995 -- Hosted by First UMC, Alexandria

Outstanding National Leadership: Sang E. Chun, Shirley F. Clement,
Terrence Hayes, David W. Kerr, Craig K. Miller and Roger Swanson

This major event is sponsored by our Louisiana Conference Board of Discipleship, the Program Unit on Evangelism of the General Board of Discipleship, and the Foundation for Evangelism. The cost will be kept at a minimum because it is partially underwritten by the sponsors. Scholarships for tuition will be available for ethnic and small membership congregations with limited financial resources. Early registration, by August 1, 1994, is important, especially for scholarship applications.

This school is for TEAMS from the local church. It is strongly recommended that two or more lay people attend with each pastor. Evangelism is a ministry for all. This event is designed for laity and clergy.

Two (2) CEU's will be awarded for full participation pastors and laity who request them.

Dr. Don Cottrill and Rev. Jon Telfiero have been key leaders in developing these events. We appreciate the help of First United Methodist Church, Pineville, their staff and facilities for production of the publicity, registration flyers and for hosting the School of Evangelism in October. Special rates at area motels/hotels have been arranged for us.

This three-day School of Evangelism is one of the most promising efforts to have a profound effect upon the direction of our Conference and its growth/loss record in recent memory, along with our Conference Church Extension efforts.

Our goal is that following this training experience the Conference will have ONE NET GAIN in membership in each and every congregation next year! Some other Annual Conferences in the South have already had a turn around from NET LOSS to NET GAIN in membership. We in the local church need all the help we can get to bring this about. Our responsibility on the Conference level is to aid/equip the local church in its PRIMARY TASK in faith development.

Our PRIMARY TASK: to follow the Great Commission of Jesus to "... make disciples ..."

We anticipate that the previously proposed Evangelism Academy will be a follow-up to this year's evangelism events.

Larry D. Robertson, Chair

Leadership Development

When Jesus was preparing His disciples for their future role, He displayed a superb training method. He taught them by example as well as precept, and His teaching was incidental rather than formal.

One of our greatest challenges is Leadership. Leaders must be doers and not just dreamers.

According to Lem Tanksley, the best leaders are those who love the church and have deep feelings about operating it well and helping it grow. They are persons with vision who seek change to deliver that vision, and they not only have vision but work unusually hard to execute it well.

Our Conference Board of Discipleship has provided workshops, seminars, retreats, training and educational opportunities for local, district and conference leaders to receive adequate information to assist them in the development of their leadership skills.

The New Orleans District held three training session to equip its leaders. They were:

1. Laity Leadership Training with Judge Carl Stewart for Lay Leaders and Dr. Stone Caraway for Church Administrators.
2. Teacher Training Education Workshop with Lynne Westfield of Riverside Church in New York City for Christian Education Leaders.
Both sessions had over 120 persons in attendance.
3. Pastor-Parish Relations Training for members of the Pastor-Parish Relations Committees.

Our other districts have conducted work sessions for their church leaders.

As an outgrowth of the work which was done by Brady Forman for Leadership Development, a Local Church Consultant Committee was named by the Conference Council on Ministries. It will undertake work relating to Conflict Resolution and Consultation.

There are many resources available from Discipleship Resources to assist in the overall development of our leaders.

Leaders, let us continue with our commitment to serve. Let us communicate with our fellow-human beings and rely on prayer with the Holy Spirit. Let us help our churches succeed!

Family Ministries

1. The Revitalization of The Celebrate Marriage Event
We are thrilled to report that the Conference Board of Discipleship sponsored the first "Celebrate Marriage Retreat" in seven years. Thirteen couples from across the conference attended, with three "Leader Couples": Rev. & Mrs. Henry Blount; Rev. & Mrs. Jack O'Dell, who completed their leadership certification per guidelines of the General Board of Discipleship with this event; and Rev. & Mrs. Robert Deich, who are pursuing certification. We are indebted to the pioneering leadership of Jack & Mandy O'Dell and Henry & Marilyn Blount, who have provided the vision and energy necessary to revitalize this ministry.

The Conference Board of Discipleship provided partial scholarships of \$32 per couple toward the \$140 per couple cost of the Celebrate Marriage weekend. Couple evaluations were extremely positive, e.g. "The retreat was one of the most meaningful experiences," they had ever had. In fact, many couples asked if there was a "Celebrate Marriage II," so we have planned a follow-up reunion in the summer for

these enthusiastic couples. We plan to offer another Celebrate Marriage Retreat in February, 1995.

2. **Networking with District Family Ministries Coordinators**
"Cluster" planning sessions have been planned throughout the state to provide shared leadership for Family Ministry, promote communication of training events, evaluate present programming, and provide motivation and accountability.
3. **Survey of Family Ministry Needs**
I have not followed through on this goal to develop a tool to assist in planning assessing ministry needs to families. I plan to adapt the model in the "Guideline For Ministry" series and send results to each district coordinator.
4. **Family Ministry Conference**
The Family Ministry Team will be planning a conference as part of the '95-'96 "S.T.O.R.E." event, under the leadership of Rev. Tom Dolph and others. This will be a major workshop to be offered on an annual basis.

Conclusion

This has been a challenging, active year of ministry. We continue to learn about the needs of families in our conference and work toward building effective ministries for them and those who lead them.

Evelyn Deich, Chair

Single Adult Ministries

During the past year the Singles work area has continued to develop a network of communication for singles ministry involving churches where SAM are active. There are now 53 churches in the quarterly mailings. The network mailings have been used by these groups to share events and activities across the conference and many of the churches have added this resource to their own mailings. Louisiana hosted the Friday night opening of the Jurisdictional Training Event at Mt. Sequoyah with a Mardi Gras theme party and chicken and sausage gumbo prepared by Chef-Rev. Wayne Taylor, Singles Coordinator of the Lake Charles District. Several Louisiana folk were instrumental in the preparation and success of this annual SAM training event which had its largest ever attendance in October. The later part of the year placed emphasis on a retreat for single pastors. There are fifty-three (almost 10% of our pastors) single, divorced, widowed pastors in our conference of which half responded to a survey exploring the need for such a gathering with a request for its organization. Time and scheduling difficulties have played havoc and the retreat will be scheduled next conference year.

Larry Norman, Chair

Youth Ministries

This committee's excitement increases as we continue to seek professionalism in youth ministry. To this end we have formulated a process to train and certify persons to address one of the most important issues for teens today, human sexuality.

To be a certified presenter of our Junior High Sexuality and Morality Seminar, one must complete the following events: Training event 1 - Candidates will experience the seminar as if they were a youth participant, with time being given to reflection. Emphasis will also be placed on sharing the educational and theological foundations for the seminar; Training event 2 - Candidates will present a portion of the seminar under the direction of a previously certified presenter. Critical feedback will be shared from the supervisor and peers; Training event 3 - Candidates will present a weekend on their own under the supervision of a previously certified presenter.

If you would like more information on how to become certified or if you would like to host the seminar in your church, please contact the Conference Director of Youth Ministries or the chair of this committee.

In the next year, the process will be expanded to encompass a Senior High event as well as to provide training for adults who wish to deal with this topic effectively in their own churches. We are also looking for ways to address the difficulties faced by at-risk youth, to include drugs and violence. As always, this committee stands ready to assist the Louisiana Conference's ministry to and with youth in whatever way possible.

Thomas E. Dolph, Chair

Youth Serving

The National Association of United Methodist Scouters was held in Nashville. Although all members are invited to attend, only Raymon Owens, Don Shelmire and Doug Smith represented the Louisiana Conference. The group previewed the new literature and discussed changing its name to YES - Youth Engaging Services. Most conferences have different titles for their Scouting Ministries groups. YES will unite the conferences under one name, making for less confusion.

The Conference Scouting Coordinators received training in April and will be training District Coordinators, who will, in turn, train Local Scouting Coordinators. This training covers all new information and new materials available.

This year the Louisiana Conference is awarding three Torch Awards and one Bishop's Award of Excellence. The criteria for the Torch Award includes: Christian character supporting Youth Serving Ministries at district and conference level at least 10 years; member of Church Committee on Scouting, and promotes religious services within the program. The honorees are Ray Holt, Douglas Smith, and Jerry Hammons. To earn the Bishop's Award of Excellence, a unit must have 50% or more youth working toward or hold the appropriate religious emblem program. Fifty percent or more adults are members of the United Methodist Church; take part in Scouting Sunday services; perform a service project; observe worship services when camping on Sunday; and have Chaplain and Chaplain Aide. Boy Scout Troop 236 of First United Methodist Church, Hammond, has met all criteria and has been awarded the Bishop's Award of Excellence.

Shreveport and Ruston Districts held a Bishop's Banquet for Scouting at First United Methodist Church in Bossier City. We are truly blessed to have Bishop Oden, who not only supports the Youth Services of Boy Scouts of America, Girl Scouts of the USA, 4-H and Campfire, but was also a member of two of them. Alexandria, Monroe and New Orleans Districts will have Bishop's Banquets this year.

Plan for 1994-95

1. Train all coordinators in their jobs.
2. Get the God and Country Programs in all churches.
3. Encourage all units to work toward the Bishop's Award of Excellence.
4. Promote regular attendance at all coordinator meetings.
5. Have Louisiana Scouters join NAUMS.

Douglas Smith, Chair

Worship Committee

The Conference Worship Committee in seeking to meet the needs of our local churches concerning worship, has set forth the following tasks to be accomplished:

To clarify the role of the District Chair of Worship so that there will be a clearer understanding of their responsibilities:

- A. Construct a document that will identify areas of responsibility for District Chair of Worship
- B. Establish means for networking ideas and plans among the various district chairs.

To create a newsletter that will address topics of special interest in the worship area:

- A. Each newsletter would have a possible theme, i.e. what is the lectionary and how can it help us plan for worship; how do you make baptism a more significant part of worship; what is the value of congregational prayer and possible resources; what are creative ways that the arts can be used in worship; ways that team planning can be used in worship planning.
- B. This newsletter would be sent to District Chairs as well as chairs in the local churches.

To bring together teams that will be available to District Workshops and/or local churches and provide training in aspects of worship.

- A. These teams would consist of people who possess knowledge in the areas that have been mentioned in our theme newsletters.
- B. Through networking, key people to lead these workshops will be identified.

To establish a Music Leaders' Conference:

- A. Possibly two such workshops in our state would be offered--one in the north and one in the south.
- B. Give a look at the liturgy and how you plan music to work in harmony with the Bible text.
- C. Offer helpful suggestions in the area of music to all sizes of churches, i.e. what special use can be made of music when there is no choir and you want to have music in addition to the congregational singing; what other instruments can be used in worship and ways to accomplish this.
- D. Have music publishers show what choral music is available and opportunities to hear the music.

BOARD OF GLOBAL MINISTRIES

In the following reports you will see something of the breadth of activity that takes place under the auspices of the Board of Global Ministries. We have had a productive year in helping to spread the Good News of Jesus Christ throughout the world. I want to express my appreciation for all who have served so unselfishly to make the work of our Board possible.

The challenge of restructuring our Board continues as the role and focus of our Board is shaped by the cry of those in need. We have elected Eddie Morgan as the new coordinator for a new Refugee Ministry, sponsored by UMCOR. You will be hearing more about this important ministry in the future. We have also elected Van Dickens as the new Chair of our Hunger Task Force. Charles Langford, our Conference Mission Secretary, continues to lead us in establishing vital linkage between our local churches and our United Methodist missionaries through the Global Mission Partners program. James Poole, our new VIM Coordinator, has helped link the Sager-Brown Center for Enabling Ministries to Volunteer in Missions in a special way. The decision of our Conference Council on Ministries to lift up the needs of Missional Congregations in Louisiana and at the same time reach out to missional needs in Africa, Cuba and Russia via our special offering at our Annual Conference Session, reflects the compassion and concern of our Annual Conference, at home and abroad.

The needs are great. The opportunity to serve has never been greater. The following reports reflect our Board's efforts in meeting of those needs.

Dwight Ramsey, Chair

The FISH Program

The FISH Program (Louisiana United Methodist World Hunger Scholarship Program) continues to serve the church by supporting young scientists from developing countries in their Ph.D. graduate programs in various fields of food production and human nutrition. At the present time, five students are being supported. Because of the greater hunger problems in Africa, we are shifting our support toward African students. Two of the students now in the program are from Africa; two are from the Philippines; and one is from India.

William H. Patrick, Jr., Director

Hunger Task Force

Hunger Task Force continues to focus on three adopted projects. Globally, the Fish Program (Louisiana United Methodist World Hunger Scholarship Program) continues to train indigenous people in modern agricultural techniques so as to better food production in their own countries. Nationally, we encourage all local congregations to become members of Bread for the World (Advance #982325-3). Locally, we continue to support Harvest of Hope and the Gleaning Network.

With the support of the Hunger Task Force, an intern was hired to serve as Gleaning Network coordinator for the summer of 1993. Over 12,000 pounds of otherwise wasted produce was salvaged by close to one hundred volunteers and distributed to various foodbanks throughout the state.

J. Van Dickens, Chair

Conference Secretary of Global Ministries

Training and covenant relationships were the focus of my efforts this year. I feel a foundation is now laid to expand the involvement of the churches of our conference in the work of missionary personnel around the world.

Two Global Mission Partners (GMP) training events were held during the year with Elizabeth Howard leading both of them. Over 25 persons were trained. Following this training three GMP Coordinators were appointed: Rev. Mary S. Baugh for the East Tri-district (Baton Rouge, New Orleans and North Shore), Rev. M.C. Cady for the North Tri-district (Monroe, Ruston and Shreveport), and myself for the South Central Tri-district (Acadiana, Alexandria and Lake Charles). These three are concentrating on assisting churches in their area become covenant churches (\$3/member or \$1,000 per year) with Board of Global Ministries missionaries around the world. This is necessary because the base of covenant churches was found to be considerably smaller than first believed.

As of March 21, 1994, there are 32 covenant churches in the conference and several in the process of becoming covenant churches. There are several churches evaluating new covenant relationships which had formerly supported the Lowrys. Those churches which presently enjoy or are entering into a covenant relationship will be encouraged to take further step by becoming GMP churches.

Global Mission Partner churches support international (non-U.S.) persons-in-mission (PIM) and are committed to missions education in their own churches and neighboring United Methodist churches. The six criteria for being a GMP church are as follows:

1. Pay 100% of apportionment.
2. Have an ongoing program of mission education in addition to that of the UMW.
3. Provide congregational service to the local community.
4. Are a Covenant Relationship Congregation.
5. Pledge support for international persons-in-mission (PIM).
A local church shall assume the responsibility for the support (\$2.00 per member for churches of 333 or fewer members; \$1,000 or more for a congregation of over 333 members) of international PIMs serving in their own country, or in another country.
6. Share their story with specifically selected United Methodist congregations in their immediate vicinity.

Churches which are or have emphasized being a "Serving Congregation" are encouraged to consider a covenant relationship and becoming GMP churches as a means of participating in Christ's work around the world and enlivening the community of faith at home. Each of the tri-district coordinators are eager to assist you and help you find answers to your questions about missions.

In the next two conference years I will be assisting the Education, Cultivation, and Promotion Committee of the Conference Board of Global Ministries in putting on two conference-wide missions saturation events. These events will seek to expose as many United Methodists in Louisiana as possible to missions, missionaries, and volunteer in mission opportunities. Be looking for the dates and locations of these events to be announced before the end of the year.

Last October I had the privilege of visiting the Red Bird Missionary Conference in Kentucky, and this year I am scheduled to travel to the Alaska Missionary Conference. I am

willing to speak to church groups on these and other areas where the United Methodist Church has mission work. Questions concerning the programs of the General Board of Global Ministries may be addressed to me, Rev. Charles R. Langford (Conference Secretary for Global Missions) 2727 Jackson Street, Alexandria, LA 71301 (318) 443-5696.

Volunteers In Mission

Volunteers in Mission is an extension of our response to the call to be members of the **Body of Christ**.

People respond to God's call in many ways, according to our gifts, usually. As there are many ways to express these gifts.

Volunteers in Mission became a mission of our Conference Board of Global Ministries in January 1994. A group is being formed to enable all Louisiana United Methodists to use their God given gifts. This will be done by training, offering special gifts, sharing information about needs, equipping special ministries, providing seed money for projects, encouraging mission events, celebrating God's Victories, and being open to the leadership of God's Spirit.

The Louisiana Conference has been the recipient of approximately 500 VIM Teams from all over the nation as a result of Hurricane Andrew Response. But teams of volunteers have been coming to our state and from our state long before the response to Andrew. Teams have worked at Mission Centers to care for needs that might go unnoticed if it weren't for the Christian's response. We have truly had the opportunity to experience the call to care for one another which Christ makes on all of us.

Our Interim Committee of VIM would like to develop a comprehensive response to the Mission field at home and beyond. It is a blessing for those who are served, but equally an experience of Christ's presence for volunteers who share their love with those who are in need.

We are asking that this program be funded between the Board of Global Ministries and VISION 2000. We appreciate all that you can do to help us promote and make VIM a reality in the Louisiana Annual Conference of the United Methodist Church.

1. We propose to the Louisiana Annual Conference through the Board of Global Ministries that there be a VIM Committee for the Conference under the supervision of the Conference Board of Global Ministries.
 - A. We propose an interim committee to develop an operational manual and report back to the Board of Global Ministries.
 - B. We propose that this Interim Committee be authorized to continue to work with, and cooperate with UMCOR and the Louisiana Annual Conference Disaster Relief Committee during this interim period.
2. We propose that Sager-Brown be the official operational center for the Louisiana United Methodist Church VIM.
 - A. Sager-Brown will be the official Training Center for VIM
 1. First time VIM
 2. Continued training for VIM
 - B. Sager-Brown will provide a Louisiana Annual Conference Manual with guidelines to be followed:
 1. In Planning
 2. In Training
 3. In Debriefing
 4. In Evaluation
 - C. Sager-Brown will provide a list of opportunities for and coordination of VIM in:
 1. Louisiana

2. USA
 3. Other countries
 4. Youth VIM
 - D. Sager-Brown is to be notified of all VIM activity beyond the local community
 - E. Sager-Brown will report to the Board of Global Ministries an account of VIM
3. Monies
 - A. We propose that a Louisiana Annual Conference Advance Special Fund Number be established.
 1. That the Conference VIM Committee be authorized to disburse these funds
 2. That the Conference VIM Committee will report the Board of Global Ministries.
 - B. Others
 4. We propose that VIM be recognized as a VISION 2000 Project
 5. We propose the following as Interim Committee:
 - A. James Poole, Chair
 - B. Sarah Schoeffler, Vice-Chair
 - C. Susan Pugh, Secretary

 6. We propose that each District Superintendent shall appoint a district VIM Coordinator to serve at the district level.
 - A. They will actively represent VIM within their district
 - B. They will serve on the VIM Interim Committee

Task Force on Missional Congregations

The Conference Board of Global Ministries took action to identify and assume responsibility for the Conference Ministry With Missional Congregations.

Definition:

A missional congregation is one that, for economic reasons based on the level of income of the congregants, is not able to be self-supporting, but is considered to be necessary to the overall mission of the Annual Conference. Such congregations are considered missional due to those whom it serves, be that congregations where English is a second language or where there is a particular ministry to another culture. Missional congregations, supported by Conference funding, must be designated by Conference Board of Global Ministries in order to receive extended funding. The Conference Board of Global Ministries shall evaluate and renew funding on an annual basis.

1. Conference Board of Global Ministries shall assume responsibility for raising and distributing funds for missional congregations.
2. Conference Board of Global Ministries shall appoint a chair and sub-committee to do such work as the missional congregations.
3. The Missional Congregation Committee shall coordinate work with Equitable Compensation and other agencies and boards to insure that funds are available to

- provide pastors serving designated missional congregations with health insurance, MPP and CPP.
4. Missional Congregation Committee shall promote and secure covenant relationships with local churches to raise necessary funds for pastors serving missional congregations.
 5. The Louisiana Conference will not provide ½ insurance coverage for ministers who have opted for their spouse's program to be family insurance program. The ½ insurance will only pay toward the Conference insurance program.

Dulac Community Center

With the coming of the new year there has also been the coming of new life to the Dulac area. A spirit of community and mutual support has begun to emerge so that the Community Center, Clanton Chapel, and UMCOR are now part of a total ministry; functioning with cooperation and love to serve the people of the area.

The geographic area of service includes the communities of Dulac, DuLarge, Grand Caillou, Four Points and Point Aux Chene. The residents of this area are primarily Native Americans of the Houmas Indian tribe who seek to earn a living by shrimping and trapping in the marshes of South Terrebonne Parish.

Some of the programs currently underway at the old Community Center include a food bank, Head Start, Child Advocacy, day care, commodity distribution, medical assistance, youth activities and Native American Heritage programs. Programs at Clanton Chapel UMC include a Christian pre-school, clothing and food banks, youth ministry, community outreach, and worship experiences. UMCOR is directing its efforts toward housing rehabilitation, teaching adults to read, supervising minor offenders doing community service time, and assisting with drug prevention in the immediate neighborhood.

As is always the case, people like to dream about the future. In the case of the Dulac ministry, there are several programs being cooperatively planned with the local church (pastored by Rev. Kirby Verret), UMCOR (directed by Alice and Rock Rothrock), and the Community Center (directed by Rev. Donald Morgan). Some of our plans and dreams of the future include the following: 1) Securing and establishing a playground/ball field in the area adjoining the facility; 2) Providing classes for a Nichols State University branch at the Community Center complex; 3) Establishment of a library for the residents of the community; 4) Extending the medical program currently underway to include a mobile clinic with regular stops at the Community Center; and 5) Perhaps our greatest dream is to establish a permanent Museum/Craft Shop where the Houmas Indians can display their past heritage for visitors to see, and also provide for exhibition and sales of local crafts which are handmade in the area.

We, at Dulac, gratefully acknowledge the assistance provided by the Board of Global Ministries (both the Women's Division and UMCOR), the Louisiana Annual Conference and its many local churches, and the numerous people who have volunteered their time to be a part of our ministry. Especially, we thank Rev. Kirby Verret, Rock and Alice Rothrock, the Board of Directors and staff for their cooperation and efforts.

As is the case with all missions, funds are continually needed. Your monetary gifts should be sent through your local church to the Area Office where they will be duly processed and forwarded to Dulac.

Donald Morgan, Executive Director

MacDonell United Methodist Children's Services, Inc.

MacDonell United Methodist Children's Services, Inc., is a child care agency located on an oak tree shaded campus at 1210 East Main Street in Houma, Louisiana. The property is owned by the Women's Division of The United Methodist Church. The National Division of the General Board of Global Ministries is responsible for our program. The agency is governed by a Board of Directors made up of 15 elected citizens from across the state of Louisiana. There are also two ex-officio and five honorary members on the board.

Since 1919, MacDonell's mission has evolved to meet the ever-changing needs of the children of south Louisiana. Over the last decade, MacDonell has grown into a very different type of child care agency. We are now licensed to provide 24 hour-a-day care, education and Christian nurturing for 36 permanent residents. Residential care is provided for children with problems that prevent them from living in a family setting. The majority of admissions are for boys and girls between the ages of five and sixteen who have the potential to achieve in public schools. Even though children are accepted from anywhere within the state of Louisiana, most children in our care are from the parishes of Lafourche, St. Mary and Terrebonne so services may be rendered to the families whenever there is a possibility of reconciliation. The rules for acceptance and participation in the program at MacDonell are the same for everyone without regard to religion, race, color, national origin, age, sex or physical challenge. Anyone considering placing children at MacDonell should contact our office.

The goal of treatment at MacDonell is to work in partnership, whenever possible, with parents and children and to assure the child of his right to his own family. Professional counseling services are arranged for and provided by MacDonell.

Life at MacDonell utilizes the unit plan of group living in three residences on our campus. The child care staff is on three, eight-hour shifts similar to that of a hospital setting. The "cottages", as the residences are called here, are decorated with modern colors and furnishings to instill a sense of love and warmth in the environment. The children are encouraged to learn self-reliance by assisting with routine household tasks.

Most of our children attend public schools. An on-campus classroom with limited student-teacher ratio is available for children, both in our residential program and the immediate community, who meet the criteria by the Terrebonne Parish School Board.

MacDonell welcomes all inquiries concerning services. Representatives from our staff are available for speaking engagements to interested groups and organizations. We are always happy to arrange tours for groups and individuals by appointment. We do not give tours while the children are on campus in order to protect the confidentiality and preserve the dignity and trust of the children we serve.

As recommended by the Child Welfare League of America, the president is required to hold a Master's Degree in social work (MSSW). The Board of Directors requires that the

president, G. J. "Jerry" Bridges, be certified and licensed by the State of Louisiana (BCSW), to practice social work and belong to the Academy of Certified Social Workers (ACSW).

Michael Guidroz (ACSW, BCSW) is vice-president of social services and is also required to have a Master's Degree in social work. He is responsible for completing an intake study when a child is referred here that determines the needs of the child and assists in the decisions as to whether or not the agency can meet those needs. Each child receives counseling on a one-to-one basis.

The children in care at MacDonell have been frequently exposed to a tremendous amount of stress prior to entering our program. A great deal of loving, nurturing care is required to help them grow and develop toward their greatest potential.

MacDonell depends heavily on the Louisiana Office of Community Services for fee payment for children placed in custody. Due to the economic climate, these funds were drastically cut during the past few years. We also receive assistance from the Board of Global Ministries of The United Methodist Church and private donations from churches and individuals. Seventy-six percent of all income goes directly to help the children we serve. The remaining 24% is utilized for administrative salaries and expenses such as printing, office supplies and equipment, etc. Each day we become increasingly reliant on the generosity of individuals and organizations. It is vital that we count on your continued prayers and financial support through proper channels to bring MacDonell into the 21st century. We are so thankful to The United Methodist Women for their concern and support.

Last year 12,071 child care days were provided through the residential program. During this past year, 51 children used our residential program.

Russian Initiative

Since the first meeting of the Russian Initiative Advisory Committee, June 19, 1993, the Louisiana Conference has responded to many needs of the Ekaterinburg United Methodist Church, and new dreams have been born to deepen faith and broaden ministry during these difficult times of transition in Russia.

The Ekaterinburg United Methodist Church, the largest in the CIS, continues to be mission-centered, which includes starting other churches in Russia. Bishop Minor has expressed interest in Ekaterinburg becoming the Methodist Center of Russia and being the site of a Methodist seminary. Assistance to the Ekaterinburg UMC ripples beyond that congregation.

In July, at the request of Pastor Lydia Istomina, two church members (Ludmila and Marina Vaschekina) were brought to Centenary College to attend the Louisiana Conference School of Christian Mission. They were an inspiration to participants and returned home to teach the Gospel of Matthew.

In August, a mission trip was made to train teachers for Vacation Bible School and for the Methodist School, as requested by Pastor Istomina. The mission team volunteers paid their own expenses.

In September, meetings began with Centenary College officials regarding acceptance of and scholarships for designated United Methodist students from Ekaterinburg. Recognizing the mutual benefit of this relationship, Centenary College has been most generous.

In December, through the voluntary Christmas Connection contributions from various churches and individuals, over \$2,500 was given to the church for the children and the elderly.

In February, a mission trip was made which had five components: education, medical, groundwork for construction of the building, promotion of continuing good relations with the Russian Orthodox Church through Archbishop Melkhisedek, and developing a linkage between Centenary College and an Ekaterinburg University.

Plans are under way to assist the General Board of Discipleship with a spiritual retreat and Christian education for Russian church leaders this summer.

The Russian Initiative is based on a heart-to-heart approach. It is not a program to be pushed, but a mission born in the heart. Several churches contribute to the expenses of the Ekaterinburg Church, the pastor's salary, the scholarship fund for the Centenary students from Ekaterinburg, and miscellaneous needs. Speakers and video tapes are available through the Conference office, and donations can be made (both by individuals and church groups) to the Conference Treasurer.

Sager-Brown Center for Enabling Ministries

The doors of Sager-Brown were blown open by the winds of Hurricane Andrew, August 26, 1992, and remain open now as of March, 1994 to be known as Sager-Brown Center for Enabling Ministries.

We move into Phase II of disaster relief with much excitement and determination to address the reasons why so many people in south Louisiana were unable to take care of their own needs after the storm. And the main issue is the unacceptable and disabling disaster of Poverty, with all its evils of destruction - substandard housing, poor education, shortage of job skills, lack of job opportunities, paralysis of prejudice, and indifference to the care for and needs of others.

For the past nine months we have been working ecumenically and with many other agencies to begin addressing these crippling problems. We are continuing to eliminate substandard housing with volunteer labor, of which we are in great need.

After-school tutoring classes have begun with the plans to provide classroom space for the adult literacy program.

We will provide a summer feeding program for children with on-going opportunities for leisure reading, games, and just a wholesome atmosphere for young people to "hang-out".

Jobs and job skill preparation has great potential through the opening of our Carpenter's School, Mentor/Apprentice Program, short course training in specific areas of skilled needs, and hopefully, in the making now, there will be a Plumbing School, an extension class of Young Memorial Vo-Tech School, located on campus.

We are, as this report is being typed, plowing up the back 40 for our first large truck farm. Large and small farmers from throughout the surrounding communities are participating with us in planting vegetable gardens to support the "Sager-Brown Farmers' Market" to open in mid-May. Youth 4-H, FFA and various clubs are being asked to participate.

The family is a major concern of ours. We are hosting a Black Parenting Class, a Teen/Young/New Moms New Baby Class and have been the instrumental agency in forming a Teen Pregnancy Task Force in St. Mary Parish.

A time to bring families together is an ongoing part of our ministry. We have had meals on the grounds, Christmas, Easter, May-Pole Festival, Gospel Sings, and among many others to come will be a SAGER-BROWN REUNION!

It is also a vision of Sager-Brown to help better equip our own Louisiana Conference in Volunteers in Mission. In partnership with the Conference VIM and Disaster Coordinators, we are providing Conference-wide training workshops in Volunteers in Mission. We hope to be, after this Annual Conference, the appointed coordinating agency for all Volunteer Mission Trips out of our conference.

It is Sager-Brown Center for Enabling Ministries' mission to equip communities directly affected by Hurricane Andrew, as well as communities throughout our state, nation and world; by providing opportunities to bring about change in lives through a Christian response by our actions and our spoken words.

Sarah Schoeffler, Director

BOARD OF HEALTH AND WELFARE

In this second year of the quadrennium, the Conference Board of Health and Welfare Ministries will continue to focus upon the critical and health needs of children, youth, and older adults; ministries with persons with physically and mentally challenging conditions and persons living with the HIV disease; enabling congregations to be healing communities and working with the conference-related institutions.

During the month of August 3-7, 1993, I had the opportunity to visit our conference-related institutions and to be in dialogue with the directors and staff. Our time of sharing was very informative.

Sub-committees have been formulated to aid in the development of new programs and to strengthen present ones. These committees are as follows:

1. The Bishops' Initiative on Drug Abuse/Domestic Violence Chair, Terrel DeVille
2. HIV Infection/AIDS Ministry Chair, Peter Braswell
3. Physically and Mentally Challenging Conditions Chair, Sarabeth Atkins
4. Institutional Ministries Chair, Richard Hodges
5. Legislative Liaison Chair, Rosemary Ewing

Through the special efforts of these committees, a Plan of Action was presented and approved.

The major missional thrust of the board is the "Bishops' Initiative on Substance Abuse and Domestic Violence."

The 1992 General Conference adopted a "Special Program on Substance Abuse and Related Violence" that involves general agencies, working with the Council of Bishops, in a cooperative effort to continue, on a nationwide basis, the "Bishops' Initiative on Substance Abuse and Domestic Violence," begun in the fall of 1989. This program is spearheaded by Bishop Felton E. May.

The program will concentrate on local model development, consultation, training and networking. Emphasis will be placed on the involvement of UMC congregations, cooperative parishes, community centers, metropolitan ministry and other mission agencies.

Thus, the Board of Health and Welfare Ministries will move forward in addressing the issues of drugs through resources of other boards and agencies such as Church and Society, Youth Ministry, laity and clergy throughout this conference.

To begin the drug awareness process, a panel discussion on the "Bishop's Initiative on Substance Abuse and Domestic Violence" was presented at our fall meeting, September 26, 1993, at the Louisiana Methodist Children's Home in Ruston. Participants were Helena Wright-Butler, Samuel Butler, Alonzo Campbell and Freddie Henderson. Invaluable information was shared by these outstanding presenters.

Additionally, team participation is encouraged to implement this ministry through training seminars during 1994-1996. Substance Abuse Mission Strategy Training Seminars will be held at both Wesley Theological Seminary in Washington, D. C., and Gulfside Assembly in Waveland, Mississippi. The theme is Developing Local Substance Abuse Ministries" Singing God's Song in a Strange Land." The training seminar for Gulfside Assembly is scheduled for September 21-24, 1994.

I was invited to participate in the Health and Welfare Chairpersons' Planning Meeting in Orlando, Florida, February 4-6, 1994. This event was sponsored by the General Board of Global Ministries, Health and Welfare Ministries Program Department.

Consultants for this event were Charles Carnahan, Executive Secretary for Research and Planning; Donovan Gardner, Conference-Related Health Institutions; and SuAnne Breen Holmes, Program Director, Ministry of God's Human Community, Church and Society.

The purpose of this planning meeting was to assist chairpersons in their responsibilities and how local churches and conference-related institutions can play a leading role in outreach and global mission.

Our conference was well represented at the 54th National Convention of the United Methodist Association of Health and Welfare Ministries, March 12-16, 1994, at Williamsburg, Virginia. Participants were Terrell DeVille, Richard Hodges, Augie Aamodt and Bruce Willis. The theme was "Pioneering Partnerships: Forging Fresh Frontiers."

The board will continue to promote the two Good Samaritan Offerings and the two Children's Homes' Offerings that support the five Health and Welfare institutions of the conference.

Disability Awareness/Advocacy Sunday (Access Sunday) will be observed on Sunday, October 30, 1994. A conference-wide Disability Seminar will be held on October 6-7, 1994 at Horseshoe UMC, Alexandria, Louisiana.

As a new year approaches, the Health and Welfare Ministries looks forward to your continued support in our missionary endeavors. It is vitally important that our church makes a direct impact on the health needs of our communities, cities, states and country. This force will not only aid in healing physical, mental, and emotional illnesses, but will also foster spiritual renewal and guidance.

Gloria Lester-Hygh, Chair

AIDS Task Force

Unfortunately, the AIDS Task Force has had a busy year! After attending Annual Conference, where over 9,000 brochures were distributed, we were busy assisting with planning of the worship service at St. Louis Cathedral which was co-sponsored by the AIDS National Interfaith Network (ANIN) and the Regional AIDS Interfaith Network (RAIN). This worship service was the centerpiece of the national ANIN Conference.

Outreach efforts have included educational events held at summer camps and retreats, special events held for local church congregations and groups, and health fairs held at local churches, where information was provided.

As this tragic epidemic continues to unfold, statistics support our claims that minority communities are being disproportionately affected. Additionally, a dramatic rise has been seen in the heterosexual population, to include both men and women. On a national level, senior citizens have experienced a large jump in the number of infections in their age group. Louisiana has always followed the national "trends" of this epidemic, so it is safe to assume that this will become reality here as well. Florida, with a large number of senior citizens has already had many cases.

Efforts in the coming year will be expanded to include the elder community, as they too are now at risk. Other outreach efforts will be assisting local congregations to reach out to all persons infected or affected by this disease. Infections and deaths in the last year prove the old saying, "Our church has AIDS."

Peter Braswell, Chair

Committee on Ministries to Persons With Handicapping Conditions

On January 28, 1994, the proposed 1994 Budget of this committee was approved at the Convocation of Boards meeting of the Board of Health and Welfare. At this meeting, our group gained the interest of several others wishing to become involved with our important ministry. For this we are grateful as our work force grows from four to fourteen. We are "not working" within the Health and Welfare Board. Members are working outside their own to help and learn of other committees' functions.

On April 16th, the committee met at Horseshoe Drive UMC, Alexandria, and proceeded with a vengeance to plan the Disabilities Seminar to be held at that church on October 7-8, 1994. It must be noted that Horseshoe Drive UMC has made an all-out effort to make their building accessible to our needs, and this group commends Rev. Larry O'Dell and his congregation for their work. For the committee there was much work to be done. After responsibilities and duties were meted out, the members set out to complete their tasks to meet back in late August or early September to firm up plans. We hope to gain support from each local church with a representative attending the seminar. With commitment of support from each district superintendent and Bishop Oden we feel that response to our efforts will be very satisfactory.

This year the committee will, again, in part fund the trip to the Seminar for Physically Challenged Ministers in Dallas for Rev. Mickey Stringfield.

October 30, 1994, will be observed as Access Sunday in all local churches of the Louisiana Conference. This is on the Conference Calendar, as is October 29, 1995.

The 1994 objectives of the committee are three in number. First, we shall sponsor the Disabilities Seminar on October 7-8, 1994, in Alexandria. Second, we shall make every effort to assure the observance of Access Sunday on October 30, 1994, in each local church in the Conference. Third, we shall see that each local church begins the Accessibility Audit beginning in 1994, with completion and corrections made by 1997.

Our rationale is to see that each local church conference-wide is all-inclusive by 1997, with all barriers removed for physically, emotionally and mentally handicapped persons.

It is quite gratifying to witness the keen interest of the committee members and to see that interest grow throughout the clergy and laity of our conference.

Please advertise and support the Disabilities Seminar on October 7-8 at Horseshoe UMC, Alexandria.

Sarabeth Atkins, Chair

Louisiana Affiliation of Methodist Ministries

On January 28, 1993, a group of individuals representing various ministries relating to the United Methodist Church met at First United Methodist Church, Baton Rouge, for the purpose of forming an organization which is called Louisiana Affiliation of Methodist Ministries (LAMM). A mission statement and an organizational statement of operation and procedure were adopted. The following officers were elected: Terrel DeVile, Chairperson; Michael Guidroy, Vice Chairperson; and Betsy Irvine, Secretary. Areas of concern were identified and task forces were formed to address these concerns.

A document was prepared and presented to the Annual Conference meeting in June of 1993 as part of the report of the Health and Welfare Board, detailing the mission, purpose and operating procedure for LAMM. The Annual Conference unanimously affirmed this effort by accepting this voluntary organization as an instrument to assist the conference and its ministries.

A second meeting was held during Annual Conference on June 7, 1993. The third meeting on an annual basis called for by the operating procedures took place on September 25, 1993. This meeting was held in the Pastoral Care Center at the Methodist Children's Home in Ruston. This meeting was scheduled to coincide with the meeting of the Health and Welfare Board of the Annual Conference. The meeting in the fall will be scheduled at one of the conference institutions or ministries on a rotating basis.

The final meeting during this reporting period was on January 28, 1994, during the Convocation of Boards held at First United Methodist Church in Baton Rouge. The officers elected to service for 1994 are: Peter Braswell, Chairperson; Richard Hodges, Vice Chairperson; and Terrel DeVile, Secretary.

The next meeting will be during Annual Conference in June of 1994.

Terrel J. DeVile, Secretary

Lafon Home

The progress made by the Lafon Home is recent years through the acquisition of a modern physical plant well equipped with modern machinery and appliances, all designed to meet the health of its residents in the New Orleans Community, has been tremendous.

In addition, the administrator, nurses, staff, and all personnel identified with the Home are in continuous training through workshops designed to increase their professional skills in order to better serve the residents in meeting their various physical, mental, social, and recreational needs.

Moreover, Christian values are fostered and each person has an opportunity to worship God in accordance with his own professed faith. The chapel is provided for this service.

As we are in the process of evaluating the programs, activities, projects, and experiences which have been sponsored in the past, we became acutely aware of the new approaches which should be made for continued improvement in the future.

That which looms large on the horizon is the need to tell the full story of Lafon in pictures, in words, in all the media so that the entire New Orleans Community will be aware of our presence - The Lafon Protestant Home of the Louisiana Conference of The United Methodist Church. To distinguish this Home from other institutions is necessary and important.

The Development Office in cooperation with the Administrator is working toward that end. Several successful projects have already been completed and others are now in the works in which cooperation and support comes from the community at large.

We have indicated that in the matter of wills and legacies one would do well to consider The Lafon Home. The Rev. N. P. Williams, a board member of Lafon, has responded to this appeal by making a will leaving his entire estate to the Lafon Home: A valuable piece of property located on South Miro in downtown New Orleans.

The Development Office continues to seek ways and means for future expansion. Long range plans include the erection of an additional building on the triangular land facing the present site. We feel that there are untapped resources in the New Orleans Community that will support this project. Our challenge is to give an historical account of the growth and development of Lafon and then make the appeal on the basis of its present commitment and stewardship.

Edward J. Lang, Administrator

Louisiana Methodist Children's Home

The Board and staff are pleased to report that 1993 was a very successful year in terms of services to children, youth, and families on behalf of the Louisiana Annual Conference. The direct-care services remained populated at operational capacity throughout the year. A total of 473 individual children were referred for residential services. We were able to admit 212 (45%) of the new applicants. A total of 422 individual children were served in the total aggregate programs of direct care.

During 1993 there was a total of 1,092 individuals served through the Family Development Center. There were 380 out-patient clients, and 383 residents and their family members seen. The Family Development Center staff taught 45 individuals the course of "Helping Children Cope with Divorce" and 2 individuals in Premarital Counseling.

In Court Referred Family Training a total of 207 individuals were seen and 75 other individuals attended special presentations.

In addition to all of the services listed above, there were a total of 375 participants (professionals, ministers, staff, and others) that received training through the Training Resource Center which offers continuing education and professional training.

The Methodist Children's Home received a total operating income of \$2,509,855 during 1993. Contributions received directly by MCH was 10.5% of the total. The church offering provided 2.5% of the income. Interest earned from the Home's invested funds provided 28%. Forty-nine percent came from the purchase of service fees and 10% from Reserve Funds. The total operating program expense was \$2,773,924.

Quality of care continues to be the primary goal. As we implement the Strategic and Long Range Planning goals during the next years we will increase and improve our delivery of care. We realize that we will be confronted with new challenges and we welcome these, for that is what keeps us accountable and responsive. This is an exciting time to be a part of the ministry of the Children's Home.

The Board of Directors of the Methodist Health System Foundation, Inc. includes: M. Kenneth Schor, Chairman; Charles E. McHale, Jr., Vice Chairman; Marian Eggerton, Secretary; Judge Thomas L. Giraud, Treasurer; Willis A. Baker, Jack T. Styron, and Frederick C. Young, Jr., Methodist Health System Foundation President, Members.

The Foundation, which functions as a holding company, has a number of subsidiary corporations and operations. The purpose of the Foundation, as well as the subsidiaries, is to provide additional economic resource to Methodist Hospital, particularly in this time of increasing competition and general economic downturn. As such, the Foundation's primary goal is that of ensuring that Methodist Hospital is able to build upon its tradition of providing healthcare to the Greater East New Orleans community and beyond. While most of these subsidiary operations are involved in activities outside the hospital proper, they are all involved with healthcare-related services, most of which are on a freestanding basis.

The Methodist Psychiatric Pavillion is a good example of a subsidiary operation which provides an unmet clinical need within the community in the area of mental health and substance abuse. At the same time, it provides an economic return to the Foundation and subsequently to the Methodist Hospital.

Current social and economic forces encourage that surgery be performed on a same-day basis whenever possible. Advances in clinical technology also enable more surgical cases to be done on a same-day basis. Methodist Ambulatory Surgery Center assists Methodist Hospital in competing effectively on this front by offering cost-effective, high quality, and convenient surgical services. The Center is a joint venture between the Foundation and a group of surgeons associated with Methodist Hospital.

Methodist Hospital recently acquired the latest medical advancement for the treatment of kidney stones. Methodist is the only hospital in the East New Orleans area to provide the lithotripter to the community.

One of the fundamental changes which has occurred within the healthcare delivery and payment system has been the development of "managed care" programs. As such, Methodist Hospital has proactively sought to be a major force within the realm of managed care in the New Orleans marketplace. By virtue of its convenient location, and broad-based, high quality services offered at competitive prices, Methodist Hospital has been sought as an institutional provider by virtually all of the managed care programs entering the community, and has become the provider of choice in East New Orleans.

The Methodist Occupational & Industrial Medicine Clinic provides prompt economical health care services for employees of metropolitan area businesses by providing a wide variety of services from emergency treatment for injured or ill employees to rehabilitative care.

The Physicians Medical Plaza is the newest addition to the Complex. The Plaza is a three-story, 50,000 square foot structure with 150 associated parking spaces. Suites are custom designed to meet the individual needs of the practice of each physician.

While Methodist has the capability to provide for surgery and chemotherapy, radiation therapy treatment has not been available in East New Orleans. The Methodist Cancer Center adds the dimension of radiation therapy and allows us to provide a comprehensive cancer treatment program. Due to the high volume of utilization, which far exceeds projections for the first two years, the Methodist Cancer Center was expanded to accommodate the increase in patient usage.

During 1993, The Methodist Home of New Orleans continued its ministry of Licensed Residential Treatment, Licensed Therapeutic Foster Care (TFC), and Marriage, Family and Parent Education. The direct care services remained populated at or near capacity throughout the year. A total aggregate number of 144 children were served in The Methodist Home of New Orleans' various programs.

During 1993, The Methodist Home of New Orleans provided services under a continuum of care through Licensed Residential Treatment of Moderate and Severe Intervention to emotionally disturbed children. These children ranged in age of birth through fourteen years. These children are victims of abuse (sexual, physical, verbal and psychological), abandonment and neglect.

During 1993, The Dr. George W. C. Calvin, Sr., was appointed to work on behalf of The Methodist Home of New Orleans as Director of Special Ministries/Institutional Development. During 1993, Dr. Calvin continued the implementation of his Fund Development Plan, to include the cultivation of potential donors and interpretation in local churches.

1993 was a most difficult year financially as evidenced by the following:

The Methodist Home of New Orleans received:

	1992	1993
Operating Income	\$2,128,937	\$2,113,008
Church Contributions	\$56,024	\$48,211

Individual Gifts	\$96,035	\$79,775
Interest on Investments	\$14,400	\$16,400
Purchase of State Services	\$1,949,591	\$1,957,973

The Board of Directors of The Methodist Home of New Orleans, requests the following action by the Louisiana Annual Conference:

Ms. Gail McGlothlin - President
Rev. Doug deGraffenreid - Vice President
Dr. Clyde Frazier - Secretary

Dr. Richard E. Hodges,
Chief Executive Officer

The Jonathan Owen Nelson Cancer Fund has been established at the Methodist Health System in memory of Jonathan Nelson, son of Chaplain Judy Nelson. Through his mother's dedicated services as a Chaplain at Methodist Hospital, and as a result of his illness, Jonathan became interested in supporting cancer research and treatment programs associated with the Hospital. Funds designated for this special Fund will be used for treatment, research, equipment and any other needs that will advance the cure of cancer through the Methodist Health System.

The Methodist Neurosurgery Center provides treatment for disorders of the brain, spinal cord and major peripheral nerves.

Over 9,700 members have joined Senior Focus for adults 55 and over. Recognizing the special health care and financial needs of older adults, Senior Focus offers a package of health-related services and activities.

The latest addition to the full range of services offered by Methodist Hospital is The Advanced Surgery Center. The Center offers an innovative and comprehensive package of health-related services and activities.

Methodist Hospital recently embarked upon a comprehensive \$21 million master facilities and site workplan project, which includes the construction and development of a 131,000 square foot East Tower addition to the main hospital. The two-year project also includes site improvements to its healthcare campus and capital acquisitions to meet the everchanging technological demands of today's healthcare environment.

Methodist Hospital has made an educational commitment to the United Methodist ministers of the Louisiana Conference, offering a series of lectures and programs that qualify for continuing education credits. The Hospital again hosted a Clergy Orientation Day for ministers throughout the State of Louisiana. In addition to the Health Care Update Seminar, Chaplains Durbin and Nelson hosted a tour of the Hospital, as well as the freestanding facilities.

Members of the United Methodist Clergy will receive a special 20% discount on their portion of the bill for services rendered at Methodist Hospital. Clergy from other denominations may receive a 10% discount under this program.

The Methodist Psychiatric Pavilion, through a special arrangement with the Louisiana Conference, offers psychiatric evaluations for individuals who enter the ministry.

Methodist Hospital requests the reappointment of Chaplain Paul Durbin as Chaplain and Director of the Department of Pastoral Care, and the reappointment of Chaplain Judy Nelson as Associate Chaplain.

Frederick C. Young, Jr., President

Methodist Home of New Orleans

The Board of Directors and staff of The Methodist Home of New Orleans are pleased to report that 1993 was a most successful year for services to the children, youth and families of Louisiana.

Peoples Methodist Community Center

Nineteen ninety-three was an exciting and a productive year for the Peoples United Methodist Community Center. Our short-term operational goals were accomplished and the ministry to children and families is being heralded a success. The sixteen member Board of Directors, the Executive Director and the staff of Peoples Center takes pride in the revitalization of this seventy-six-year-old institution of the Louisiana Conference after only eighteen months of reorganization. Founded in 1918 and organized in 1922, we remain focused on the mission to serve children and families and to meet the needs of the Community through "Outreach Ministries." In 1993 we served 95 children.

Achievements:

For the second consecutive year, Peoples Center has received a Class A Classification from the Louisiana State Board of Social Services. Outdoor Playground Equipment was installed and dedicated at a cost of \$22,000, made possible from a New Orleans Community Development Block Grant and from a private donation.

For the first time in many years, Peoples closed out the financial year in the "black". This was due in part to balancing the budget, staff reductions, decrease in working hours, strategic planning, cost effective management both of revenue and operational expenditures.

By year's end, all delinquent tax liabilities owed the Internal Revenue Service for the years 1989-1992 were paid in full and to date there are no outstanding tax liabilities, thus reaching still another milestone to be added to our progress.

While United Way for the Greater New Orleans area drastically reduced its allocations to Peoples, we successfully managed to stay solvent by personal donations, Louisiana Conference, state funding and grants awarded from various services that enabled us to add and improve our existing curriculum and programmatic emphases, make major repairs and much-needed capital improvements. Fundraisers were held by the Board of Directors, Ruth B. Carter Auxiliary for Peoples Center and the Peoples' parents.

To add to our progress, we have been blessed with a volunteer in the name of Mr. Louis Morris who gives his time to the needed handyman chores and provides a beautifully landscaped breezeway. To date we await an additional \$40,000, the remainder of the New Orleans CBD Grant to make other capital improvements and to equip Peoples Center with accessibility for the physically challenged and handicapped children.

Peoples has developed a relationship with The Methodist Home and Methodist Hospital of New Orleans. This year we added Napoleon United Methodist Church to Felicity and Munholland United Methodist Churches who have adopted Peoples as mission projects. The Good Samaritan Offering, The Conference units of United Methodist Women and United Methodist Men, Ruth B. Carter Auxiliary, local church groups and organizations outside of the United Methodist Church have all shared in the vision for Peoples' future.

We deeply appreciate your generosity and we give you our thanks for your support.

Last summer we held a Summer Camp under the direction of Mrs. Delores Giles. Two additions were added to the program, an Enrichment Program and a Computer Class. In addition to the workshops for caregivers, Peoples hosted a volunteer from Quality Assurance.

The State Department of Education worked with us to develop a Comprehensive Early Childhood Development Program now in force.

While we are beginning to experience some minor relief in our cash flow, there is a lot of room for improvements toward a more substantial reserve to feel comfortable. We are fortunate to have working with us towards this means Dr. George W. C. Calvin, Sr., Director of Institutional Development who has instituted a Planned Giving Program to raise \$50,000 over the next five years through wills, endowments, legacies or individual pledge commitments.

The Board of Directors of Peoples United Methodist Community Center requests the following action by the Louisiana Conference for persons nominated as officers by the Nominations Committee:

Rev. Abraham E. Davis, President

Mrs. Irene Reed, Vice-President

Mr. John Davis, Treasurer

Mrs. Celina Johnson, Secretary

And the reappointment of Executive Director, Rev. Marva L. Mitchell

1993 Budget \$262,000 (estimate)

1993 Peoples Operating Income \$217,641.08 (actual)

1994 Budget \$220,000 (estimate)

Marva L. Mitchell, Executive Director

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The Board of Higher Education and Campus Ministry supports two institutions of higher education in Louisiana from which we take great pride: Dillard University of New Orleans and Centenary College of Shreveport. Dillard University is one of our historic black United Methodist schools of higher education which has been in New Orleans since 1869. It has about 1600 full-time students and 108 full-time faculty. It is organized around six major divisions: business, education, humanities, natural sciences, nursing and social sciences. Sixty percent of its faculty have doctoral degrees. Its graduates have distinguished themselves in community leadership as educators, lawyers, judges, nurses, business executives, clergy, linguists and performing artists. Dr. Samuel DuBois Cook, President, has just completed and dedicated a new Fine Arts Center.

Centenary College is the oldest college west of the Mississippi River. It had its beginnings in 1825 in Jackson, LA but moved to Shreveport just after the turn of the century. It has over 800 full-time students, 272 part-time students and 72 full-time faculty. It has been recognized nationally by U.S. News and World Report and Money Magazine several years running as one of the best small liberal arts colleges in the nation. Dr. Kenneth Schwab, in his third year as President, has established himself as a leader in the academic as well as administrative roles of Centenary.

The work of the Board of Higher Education and Campus Ministry is centered around the work of its six committees:

Campus Ministry
The Work Unit
Finance

Scholars
Facility Maintenance
Publicity

The Board has set forth six major goals for the rest of the quadrennium:

1. To write a Statement of Purpose which is consistent with the General Church but which reflects the direction of Louisiana United Methodist Campus Ministry.
2. To encourage every local church to contribute to the Board of Higher Education and Campus Ministry apportionment; and to raise the percentage of giving from 81.05% in 1993 to 100% by 1995.
3. To recruit not less than 150 college students to attend a convocation in Louisiana in 1995.
4. To encourage each campus minister to make a minimum of fifty contacts per year in local church settings such as in worship, Sunday School, UMYF, UMW, UMM, Administrative Boards, Council on Ministries, etc.
5. To provide well designed posters for each local church to publicize the work of campus ministry.
6. To provide each local church with information from the board with reasons why campus ministry is significant to every local church, as well as how campus ministry can be helpful to each of their students.

The Facilities Committee has established a policy of granting funds from the interest of its Capital Funds account in order to maintain campus ministry facilities. The following formula is used to allocate such funds:

45% for major repair per year
45% for preventive maintenance
10% re-invested into the Capital Funds Account

The Wesley Foundation at Southern and the Campus Ministry Unit at Northeast University were granted \$2,367 for major maintenance upkeep that they incurred during 1993. The Louisiana United Methodist Foundation has also granted some fifteen thousand dollars to help with major maintenance requests for 1994. Rev. Alfred Bakewell chairs the committee.

The Campus Ministry Committee has developed a new means to evaluate the work of Campus Ministry. Each campus ministry unit will be evaluated once a quadrennium in a very intensive and thorough way. The evaluation will take two full days. It will have a committee consisting of the following:

1. Professional Campus Minister Staff from Nashville
2. Cabinet Member (District Superintendent) from Louisiana
3. Board Member from Louisiana
4. Local Campus Ministry Board Member

At present every member of the Board is encouraged to visit and report to the Board at least one Campus Ministry Unit every year. The new evaluation process will seek to evaluate each unit by the Purpose Statement of the Conference Board as well as the goals of each local unit. It will evaluate additional funding received, program, student participation, facility maintenance, and relationships with local churches and district offices as well as Conference Board. This committee is chaired by Rev. Jim Wilson.

The Scholarship Committee will present the names of two students at Annual Conference who will each receive a one thousand dollar scholarship to church related colleges. The

Student Day Offering supported by local churches throughout Louisiana funds one of the two scholarships. The United Methodist Foundation for Higher Education funds the second one. Rev. Ted Standley chairs this committee.

Jane Blackwell, a Volunteer Campus Ministry Coordinator, has taken on the task of developing a larger scholarship program for students as she works with each local Campus Ministry Unit and the Conference Office. The task will be to provide more scholarships for students through the campus units.

The Work Unit Committee is working with our Board and the denominational representatives of the Presbytery of the Pine (North Louisiana) and the South Louisiana Presbytery to develop a common campus ministry program. A document defining the terms of the working relationship will be brought to Annual Conference for a decision in 1995.

The Board will sponsor Inga Patterson, a Dillard University Sophomore from Baton Rouge, to provide information about and promote the Black College Fund in Louisiana from June 5-19th. At Annual Conference the student will share the story about the Black College Fund. Then local churches will be given the opportunity to have the student sign up in order to visit and speak at local churches throughout Louisiana during that two-week period. If you would like to know about what the Black College Fund supports, please indicate that to Rev. Willis Dear, Chairman, or Rev. LeBaron Taylor, host for the student in Louisiana.

The Board will present at Annual Conference the second Francis Asbury Award to the person in Higher Education who has supported, strengthened and promoted the church's work in Higher Education ministries (schools, colleges, campus ministries, scholarships, Black College Fund, Africa University).

The Board of Higher Education has much to do in order to make the work of Higher Education and Campus Ministry the work of the church.

Willis Dear, Chair

Campus Ministry

The number one term to describe Campus Ministry is Evangelism. One of its primary benefits can be Church Growth. One mainline denomination which receives most of its members by conversion finds that their prime target is a university. Although the age of college students is rising each year, the majority of those in college are 18-25 years of age. During this time, the major decisions about life are being made and fine-tuned -- e.g. marriage, family, vocation and religious outlook. The United Methodist Church has lost many people in the last few years, a trend we need to reverse. Campus Ministry and the local church acting in concert can work toward that goal.

We are in a new day in the area of student ministry. Campus ministry will continue to interface theology with the other academic disciplines. We shall continue to offer the challenging word of the Gospel which makes sense of the proliferation of new discoveries in the realm of scientific inquiry. We shall continue to offer the high standards of Christian ethics for all relationships.

Young adults are searching for the saving grace the church proclaims. This is a new age for young adults -- today, they understand that community of faith is a good thing. This is a

nationwide trend, as witnessed in Christian student movements being formed at national and state levels and a renewed interest in Christian student conferences. We are expecting 4000 students to gather in St. Louis this December. The North Louisiana Conference on Vital Piety was received with enthusiasm in the name of Christ. We now have in place a Louisiana Student Christian movement for the first time in over 10 years. It is a new day, thanks be to God.

To build on this renewed interest in Christianity, the church needs a deliberate plan of action. (The church is here defined as local church and campus ministry.) The local church must learn who their students are and where they go to college, and maintain ministry with them during those years they are away from home. Some means of doing this include:

1. Send the church bulletin and newsletters weekly;
2. Have someone from the church visit the campus at least once a year;
3. Include the campus pastor in the visit;
4. Involve your students in the Student Day Service;
5. Notify campus pastors of the presence of your students on their campuses. Do this in May or June before the beginning of the first year of study. If a student has not decided for sure on a school, notify two or more campus pastors and let the student receive several welcoming letters;
6. Invite a campus pastor or a student to address your UMYF at least twice each year;
7. Have daily prayer for your students and their campus pastors.

Campus ministry must take seriously the responsibility to interpret to the church how ministry is being carried on. Campus ministry cannot fund itself as does a local church, so stewardship takes on a new definition. Campus ministry is run by a Board of Directors elected by the Annual Conference. This ministry will of necessity differ from the local church ministry, since we are located in an artificial environment. All students are transient, knowing they cannot set down roots, but must rather be planning what their lives will become. We must design ministry that recognizes this basic truth.

Campus ministry is not a local church and not intended to take the place of local church; no church membership is allowed with the campus group. Leadership development must therefore be of a different nature than in the local church. Our task is to return students to you who are eager to learn how your church operates so they can place their gifts and graces to the best use.

These are ideals that we must be deliberate in pursuing. Together we can claim our own and see the Realm of God become once more the prize of faithful living.

James E. Wilson, Chair

Centenary College

As Centenary College completes its 169th year, the college continues to view each new challenge in light of the successes of our past and the demands of the future. During this past year, our students, faculty and staff have continued to grow, to mature, and to succeed in many areas.

Selected National Recognition and Institutional Achievements

* Money Guide magazine ranked Centenary 10th in the nation in its value rankings of small liberal arts colleges as well as 47th among the top 100 of the nation's "Best College Buys." Centenary was ranked 12th among 25 colleges in the Southeast as "Best Buys in Your Area."

* For the fourth consecutive year, Centenary was nationally ranked by U.S. News and World Report in its annual guide to America's Best Colleges.

* Centenary's new Master Plan will guide the College into a new era of excellence and toward planned growth in several academic areas.

* Students from nine states and the largest number of participants ever competed for scholarships on our annual Scholarship Day.

* Centenary continues to attract quality students because of our small student-faculty ratio (11 to 1) and the excellent and individual attention that students receive from their professors.

During the past year, Centenary continued its tradition of producing outstanding students and of providing the resources necessary for the modern college student. Some examples are:

Ministerial Education Trust Fund -- The Hazel and Claude Fendlason Ministerial Education Trust Fund was established with their \$600,000 bequest, and will benefit students at Centenary and Southern Methodist University.

Endowment for Support -- The college continues to invest in scholarships, endowed chairs and professorships, and additional support of racial, ethnic and religious diversity. Centenary received \$1.2 million in matching dollars from the State of Louisiana Eminent Scholars Fund, which will be added to gifts from the James family of Ruston to enhance the T. L. James Chair of Religion and to establish two new endowed chairs made possible by the estate of Mr. Harvey Broyles. In addition, Mrs. Alberta Broyles has recently contributed \$300,000 toward an endowed chair in memory of Mr. Broyles, and \$100,000 to endow scholarships for the Centenary Choir. A \$750,000 gift from the estate of Mr. and Mrs. A. J. Linco was made available and will establish another Eminent Scholars Chair and a President's Fund for Innovation.

School of Church Careers -- Established 19 years ago, the Centenary School of Church Careers prepares students for religious service. Churches of many denominations actively recruit graduates endorsed by the program, which has served as a model for other programs throughout the country.

Computerization -- During this past summer, with a significant grant from the Frost Foundation, the College added two new computer labs with 40 networked personal computers with access to worldwide information and communications networks.

Pre-Professional -- Centenary students continue to outperform the nation 2-1 in graduate school acceptance rates in Pre-Law and Pre-Med. Accounting students have the highest first-time pass rate for CPA exam in Louisiana. We are one of the smallest colleges to offer 3-2 programs in engineering, speech pathology and mathematics/computer science.

Mentor Program -- Adopted in 1988, this program is designed for gifted students who are dedicated scholars. The students are groomed for Rhodes, Rotary, Fulbright Scholarships, and

for Mellon and other prestigious graduate school fellowships. Centenary has boasted of Rhodes contenders in each of the past four years. A current student follows closely on the heels of another Centenary student as the recipient of one of the three prestigious Goldwater Scholarships awarded in Louisiana every two years. Our faculty are regularly granted awards for these prestigious programs, as well.

Annual Leadership Conference -- Though Centenary is the smallest college in NCAA Division I Athletics, we are still very competitive. This spring our basketball team made it to the TAAC semifinals, and recorded its best record since 1990-91. Over the years, the Centenary Ladies and Gentlemen have earned regional titles and national rankings in basketball, gymnastics and soccer.

Woodrow Wilson Visiting Fellows -- Centenary has had more Woodrow Wilson Visiting Fellows on Campus than any other college or university in the United States. The program brings leaders in their fields to the campus for a week of classes, informal discussions with students and faculty, and career counseling. It brings together people from diverse backgrounds with differing points of view in an atmosphere in which they can learn about each other.

Corrington Award for Excellence in Literature -- Each year Centenary gives an award for achievement in literature. The award is named for the late Bill Corrington, acclaimed author and Centenary graduate. This year's recipient was the renowned poet Miller Williams. Past recipients include Eudora Welty, James Dickey, and Ernest J. Gaines.

Students -- Our goal is to attract 1,000 highly qualified undergraduates from many different ethnic, geographic and racial backgrounds by the year 2000. Our students are leaders. They work closely with a gifted faculty and inquisitive peers. The small classes and interactive learning enable our students to produce their very best.

The Centenary Plan -- The three-pronged Centenary Plan is designed to enhance every student's traditional liberal arts curriculum with: Service Learning; Career Exploration; and Intercultural Awareness. These experiences are essential to the complete Centenary experience, which recognizes that learning occurs on many levels beyond the traditional classroom. Every student is required to give something back to the community via volunteer work anywhere in the world. Every student will study in a different culture -- from Tokyo, Moscow or London to an Indian reservation or Amish community. And every student explores career options beginning in the sophomore year.

Internationalization of the Campus -- We have increased our focus on other cultures and countries and have made many opportunities available during the past year. These include a new exchange program just negotiated with L'Universite Catholique de Lille in Lille, France, and through other existing programs such as the one with the University of Aarhus, Denmark, and the Aarhus School of Business. In addition, there are international opportunities through concert tours with the Centenary College Choir, British Studies at Oxford, and professional meetings and other special events.

Community -- Centenary is a laboratory for leadership development. We have worked to build a more thoughtful community that enhances trust, commitment, and high morale. We strive to be a place of joy, celebration, and fun. Community service is an important part of our mission, and we believe it is a valuable addition to this area's quality of life. A new emphasis has been placed on programs and services to develop the physical, spiritual, and mental health of the Centenary community, also.

Facilities -- The newly updated campus Master Plan is in its final stages. As a result of this planning process, we plan to upgrade our science facilities to continue to offer state-of-the-art science education in a hands-on environment. We are also planning for other major improvements, including additional academic facilities and the renovation of residence halls.

At Centenary, the academic program is our reason for being. We will continue to attract highly qualified faculty, to give leadership in student-faculty research and develop new academic programs to meet the changing needs of the students.

Since its beginnings in 1825, Centenary has stood for high-quality, student-centered liberal arts education. As an institution of the United Methodist Church, Centenary continues its commitment to cultivating in its students an awareness and appreciation of the values of the Judeo-Christian tradition with its emphasis on the dignity of the individual, its reverence for truth, and its compassionate understanding of human weaknesses and aspirations.

The successes of the past lend excitement and enthusiasm to the Centenary Experience and to our co-ministry with the Louisiana Conference. It is indeed exciting and inspiring to be a part of our community of faith and to prepare its leaders for the challenging world ahead.

Kenneth L. Schwab, President

Dillard University

Beginning with the summer of 1993, the current academic year at Dillard University has been marked by an impressive array of stimulating artistic, cultural and educational programs. These activities include lectures by renowned authors, scholars, theologians and diplomats; exhibits by outstanding artists; and special projects providing continued impetus to the University's commitment to improving professional and career options for its students as well as serving the local community.

In August of 1993, Dillard University held its Fifth Summer Intensive English Program for Japanese teenagers. A group of 36 Japanese teenagers from the all-male Kwansei Gakuin Junior High School in Nishinomiya, Japan arrived on campus on July 29 for three weeks of exciting and effective instruction in cross-cultural communication and cultural diversity. The Sayonara program was held on August 19 in Lawless Memorial Chapel, and the highlight of the program was Japanese students reciting Dr. Martin Luther King, Jr.'s famous "I Have A Dream" speech. This annual program is a significant corollary component of the University's ground-breaking Japanese Studies Program.

Also in July of 1993, the University hosted representatives of 15 UNCF colleges in a seminar on the development of curricula for arts administration programs at member institutions. Developed and implemented by the Humanities and Business Divisions and sponsored by Prudential and the UNCF, this seminar brought a number of leading practitioners to the campus and resulted in the creation of practical guidelines and model programs.

With a major grant from the Department of Transportation, the Division of Business initiated the Student Training and Education Program (STEP), designed to provide Dillard students with key information leading to careers in the area of transportation. A major element in the program was a lecture series by experts in the field.

Among the many lecturers who visited the University this year were the following: Dr. Cornelius L. Henderson, President of Gammon Theological Seminary of Atlanta, featured speaker during Religious Emphasis Week; Dame Joycelyn Barrow, Deputy Chairwoman of the Broadcasting Standards Council in Britain, sponsored by the UNCF in conjunction with the British Foreign and Commonwealth Office; Dr. Yossi Beilin, Israel's Deputy Minister of Foreign Affairs, who delivered a major policy speech on the Dillard University campus; Professor William Kelly of Yale University, noted anthropologist and specialist on Japan, sponsored by the Japan U.S. Friendship Commission; Dr. Jeffery Sammons, of the New York University History Department, University Eminent Lecturers Series; Dr. Margaret Walker Alexander, poet/novelist, University Eminent Lecturer Series.

In addition to the aforementioned guests, the University presented the widely acclaimed Caribbean poet and New York University professor, E. Kamau Braithwaite, as keynote lecturer in its "Language of the Drum" series, a four-part program celebrating the cultural linkages between Africa, the Caribbean and New Orleans.

In conjunction with the New Orleans Jazz and Heritage Foundation, the University also featured the legendary performer B. B. King in a workshop presentation.

The University's continuing commitment to community service was evidenced in such programs as the Teen High-Risk Assistance Program and the Division of Natural Sciences' Saturday Science Academy, which encourages grade school students to explore technical careers.

Finally, the University's unwavering dedication to the fostering of universal brotherhood was evident in the Fifth Annual Dillard University National Conference on Black-Jewish Relations. Dr. Gardner C. Taylor, Pastor Emeritus of The Concord Baptist Church of Christ, Brooklyn, New York and Rabbi David Saperstein, Director of the Religious Action Center of Reform Judaism, Washington, served as keynote speakers. The theme of this year's conference was "Black-Jewish Relations In The Context Of The Christian-Jewish Dialogue For The 1990s." The conference also featured formal papers delivered by three distinguished Black clergy and three prominent rabbis from across America.

Samuel DuPois Cook, President

DILLARD UNIVERSITY AND CENTENARY COLLEGE OF LOUISIANA STUDENT EXCHANGE AGREEMENT

Rationale

Dillard University and Centenary College of Louisiana recognize that their students will spend their productive lives in the 21st century, where increasingly they will be required to confront the challenges and joys of living in a multicultural society. Both institutions acknowledge their responsibility to prepare their students both intellectually and spiritually for the task of providing creative leadership to a diverse society. Moreover, we acknowledge that only through shared experience can individuals truly begin the process of self-exploration that allows us to value what is uniquely our own while learning to treasure the diversity found in the other. Our commitment to these beliefs bears testimony to our mutual roots in the tenets of Methodism and the liberal arts ideal.

In an effort to enhance the likelihood of developing the kind of leadership and global citizenship envisioned here, we herein establish an ongoing program of student exchange between Dillard University and Centenary College of Louisiana.

Guidelines

The Dillard University/Centenary College Student Exchange Agreement will be governed by the following general guidelines:

1. Although the Dillard University and Centenary College Student Exchange Program is aimed primarily at involving white students from Centenary College and black students from Dillard University, black or white students from each institution will not be excluded from participating. Students must be of junior classification.
2. In preparation for the fully implemented program, both institutions will initiate, in the Fall 1994 semester, a number of special short-term visitations involving both students and faculty members on each campus.
3. The target date for full implementation of the exchange program will be the spring, 1995 semester, with up to two exchange students placed on each campus for semester-long experiences. Over time, the exchange partners commit themselves to maintaining a reasonable balance in the number of students exchanged between each institution.
4. The integrity and primacy of the exchange student's curricular program will be guaranteed through the establishment of communications between a specially appointed adviser at the host institution and the home-based adviser, who will be responsible for filing the student's program of study at the host institution.

5. Students will not be allowed to drop courses without the approval of the adviser from the home institution.
6. In the registration process, priority will be given to exchange students selecting courses.
7. Students will receive a comprehensive orientation to the rules and expectations of the host institution and will abide by those rules and expectations.
8. Students must receive parental approval, as evidenced in the signing of a "Parental Consent Form," to participate in the Exchange Program.
9. The host institution will develop and provide support structures for visiting students, including peer advisers, local churches, and local alumni of the two institutions.
10. Students will pay tuition, room and board, and any other fees required by their home institution.

ON THIS DAY, June 7, 1994, WE, THE PRESIDENTS OF DILLARD UNIVERSITY AND CENTENARY COLLEGE OF LOUISIANA, SIGN THIS AGREEMENT.

Candler School of Theology

Since its founding in 1914, Candler School of Theology at Emory University has helped to equip men and women to live out God's call to ministry. Candler graduates have distinguished themselves as bishops, preachers, pastors, teachers, scholars, chaplains, church administrators, and lay leaders in all walks of life. The largest seminary of the United Methodist Church, Candler has become known for its strong faculty, a curriculum combining theological study with the practice of ministry, and innovative joint-degree programs with other Emory schools and divisions.

Faculty at Candler continue to take an interdisciplinary approach to research and problem-solving that helps move the church to new levels of understanding. For example, Dr. Nancy Ammerman, associate professor of the sociology of religion, is working on a research project titled "The Congregation in Changing Communities." Funded by a grant from the Lilly Endowment, the project examines the dynamics of congregational and community change by studying how congregations make sense of new situations and how they develop new strategies for action.

In the classroom and through research like Dr. Ammerman's which benefits local congregations, the Candler faculty seek to educate creative and faithful leaders for the church's ministries. More than ten books were published by Candler faculty authors in 1993-1994. In fall 1993, we welcomed Dr. Belle Miller McMaster, former director of the Social Justice and Peace-making Unit of the Presbyterian Church (USA), as acting director of the Program for Women in Theology and Ministry. Bishop W. T. Handy, Jr., recently retired from the active episcopacy in the Missouri Area of the United Methodist Church, also joined the faculty as Visiting Arthur J. Moore Professor of Evangelism.

Fifty-eight rising high school seniors from across the country gathered at Candler last summer to explore the meaning of religious faith and how that faith relates to the world around them in the first annual Youth Theology Institute. The month-long program was directed by Dr. Don Richter and funded by a grant from the Lilly Endowment. Participants used Atlanta as their classroom, and guest speakers from a variety of theological backgrounds enriched their study. Another session will begin in July 1994.

We continue to ask for support from local churches through the Ministerial Education Fund (MEF) and through prayers for our faculty, students, and staff. Increased support of the MEF will directly reduce student debt and assure that the church of the next millennium is served by pastors who are committed and effective. We are grateful for the trust that you have placed in Candler School of Theology at Emory University as with you we share the work of preparing creative and faithful leaders for the churches of this conference.

R. Kevin LaGree,
Dean and Professor of Divinity

Iliff School of Theology

A deep commitment to Christian service, academic excellence, openness and diversity has characterized The Iliff School of Theology in Denver, Colorado, for over 100 years. Because it has never imposed narrow dogmas on its students or professors, it always has been a theological community in search of truth.

One of the thirteen United Methodist seminaries, Iliff seeks both to be closely related to our sponsoring denomination and to serve God's broader ecumenical communities of faith. Iliff is grateful especially to United Methodists for their generous gifts via the Ministerial Education Fund. Without the MEF, Iliff could neither survive nor serve in Christ's name. Although the majority of Iliff's students are United Methodists, over twenty denominations are represented.

The thirteen United Methodist seminaries have initiated "Agenda 21" so that the seminaries might be in dialogue with laity and clergy throughout the United States in the next few years. We need to hear and respond to what "grassroots" Christians are telling us about what is happening in the church and world, and how we should be helping to prepare ministers for the 21st century. Iliff sponsored the first of these church-seminary dialogues in Seattle and in Denver in January of 1994. While other seminaries have smaller, neighboring geographical areas to cover, Iliff is listening to the diverse visions of Nebraska, Colorado, Wyoming, Oregon, Idaho, and Washington, plus a few representative voices from Alaska and Montana!

Iliff's master of divinity curriculum is designed especially to emphasize theological education in a global context. By accenting both scholarly academic excellence and practical theological understanding, Iliff seeks to break through the false dichotomy of theory and practice. Preparing persons for effective pastoral ministry is a high priority. Iliff sponsors many programs of continuing education for clergy and laity through the Iliff Institute, the Summer School program, and the annual Iliff Week of Lectures and Rocky Mountain Pastors' School, scheduled in 1995 for the week of January 23-26.

Iliff's faculty speak regularly to many church conferences and groups around the world. If we can be of special service to your conference or church, please give us that opportunity.

Persons interested in pursuing graduate theological education, either in response to God's call for ministry or to explore personal interests in theology, should write or call (1-800-678-3360). Visitors are welcome on our campus to attend classes, explore the library and meet the faculty, students and administrators. Visitors are welcome on our campus to attend classes, explore the library and meet the faculty, students and administrators. Within Iliff's United Methodist ethos, we seek to be both affirming and challenging, encouraging persons to strive for academic excellence as they prepare for Christian ministry.

Donald E. Messer, President

Perkins School of Theology

I would be remiss if I did not take notice in my last year of service as Dean of Perkins School of Theology, of the encouragement and support which I and others at Perkins have received from you through the years. Many of you have provided financial support, encouraged students to attend, welcomed them as interns into your congregations, utilized our resources for continuing education, and experienced the leadership of members of our faculty in programs like the Disciple Bible Study. We are pleased and anxious to be of service, and we are grateful to you for your interest.

This year we have conducted searches for two persons in the field of theology, and for one in Christian Education. All of these individuals are expected to be in place at the beginning of the 1994-1995 academic year next September. It is our expectation that a new dean will be named by that time, too. Dean James F. Jones, Jr. of Dedman College has chaired the Search Committee. Professors Clifton Black and Danna Nolan Fewell were awarded tenure and promoted to the rank of associate professors last May.

The year has seen a number of new books by faculty authors. Included among them are Danna Nolan Fewell's Narrative in the Hebrew Bible and Gender, Power, and Promise: The Subject of the Bible's First Story both of which she co-authored with David Gunn. Jouette Bassler was associate editor for New Testament of The Harper Collins Study Bible, Ruben L.F. Habito published Healing Breath, John Holbert joined S.T. Kimbrough and Carlton R. Young in Psalms for Praise and Worship, W.J.A. Power published Once Upon a Time: A Humorous Retelling of the Genesis Stories, and a second edition of Charles Wood's The Formation of Christian Understanding: Theological Hermeneutics was published. In addition, numerous articles by Perkins faculty appeared in a variety of journals and church publications.

We enrolled a total of 391 students last September, 247 of whom were M.Div students. Two hundred six (83.1%) of our M.Div students are United Methodists, 97 (39.1%) are women, 24 are African Americans and 13 are Hispanics. Thirty-one point four percent (31.4%) of our M.Div students are not Caucasians. The Perkins community is a diverse and lively environment for learning.

The second group of lay persons to be honored with the Woodrow Seals Award included Elizabeth Johannaber of Dallas and Earl R. and Martha Lee Wyles Wilson of Jackson, Mississippi. Dr. Robert C. Harder (1954), secretary of the Department of Health and Environment for the State of Kansas, was named Distinguished Alumnus.

We are grateful to all of you for your continuing interest and support as Perkins seeks to carry out its mission on behalf of the Church.

James E. Kirby, Dean

Saint Paul School of Theology

In the last five years applications for admission to Saint Paul have increased by 84%! This dramatic increase has permitted increased enrollment and an increase in quality to take place simultaneously. The current enrollment reflects more students from the immediate region and more from beyond the region. Thirty states and five countries are represented in our three degree programs this year.

Saint Paul's clear commitment to the local church was revealed in a recent survey of the faculty. The seventeen faculty members have had a total of 161 years of local church ministry. Most of that time served was as pastor of a local church. As important as these years of local church experience are, there exists an even larger and more pervasive commitment of our entire faculty to ensure vigorous integration of their disciplines with the actual practice of ministry.

Our faculty are also productive scholars. Faculty books published in 1993 include: The God We Worship by Sondra Matthaai, Hard Living People and Mainstream Christians by Tex Sample, A Troubling in My Soul edited by Emilie M. Townes, Womanist Justice, Womanist Hope by Emilie M. Townes, and Church Leadership by Lovett H. Weems, Jr.

Dr. Henry H. (Hal) Knight III has joined the faculty in the E. Stanley Jones Chair of Evangelism made possible by The Foundation for Evangelism. Funds for a permanent endowment for the position are currently being raised by Missouri United Methodists. We look forward to what Dr. Knight will contribute to our already strong and diverse faculty. The first task for John Wesley was always evangelism. It is in this spirit that we emphasize evangelism at Saint Paul and are seeking ways to strengthen our work in evangelism.

Saint Paul and the General Council on Ministries joined together to survey what laity most seek in their pastors. The values most admired by laity in their pastors turned out to be caring, followed by cooperative and honest. The skills most sought are preaching, management/administration, and pastoral care.

Last November, eighty young persons from nine Annual Conferences participated in "Knowing God's Call" held on the Saint Paul campus. This event was designed for persons to explore their call to ordained, consecrated, or lay ministry; it was a regional follow-up to the national Lilly Enlistment Project. This was a cooperative effort sponsored by the Boards of Ordained and Diaconal Ministry in the six Annual Conferences of Iowa, Kansas, Missouri, and Nebraska.

Saint Paul received a \$500,000 Challenge Grant from the Kresge Foundation. The grant goes toward renovation of the library building including an elevator to make the entire building accessible and a climate control system to preserve the book collection. Also included is the construction of an enclosed passageway which will link the library and the primary classroom building.

Saint Paul School of Theology is preparing a new generation of leaders for the church in the Wesleyan tradition. There is no more worthy endeavor to which any of us could give our energies and resources. We thank you for being partners with us in this mission.

Lovett H. Weems, Jr., President

Southern Methodist University

I am pleased to comply with the 1988 Resolution from the Jurisdictional Conference in the South Central Jurisdiction.

I am also pleased to report on several new initiatives for 1993-94 that have strengthened our educational mission. Among them:

* One of the newest leaders in our academic community brings to us a unique understanding of the diversity of human culture. After a nationwide search, I appointed Anya Peterson Royce as SMU's newest provost, vice president for academic affairs, and professor of anthropology and dance. Provost Royce was formerly vice chancellor for academic affairs and dean of the faculties at Indiana University in Bloomington. An anthropologist who is an expert on the cultures of Mexico, she is fluent in eight languages.

* Reflecting the diversity of our global society, SMU's first-year class in 1993-94 is the most diverse in our history -- minority students represent 22.3 percent of the first-year enrollment. Total minority enrollment has increased from 830 students or 9.4 percent in 1987 to an all-time high of 1,403 this fall, 15.7 percent of SMU's student body. In spite of the decreased numbers of college-age students, SMU also has been able to maintain the academic quality of the first-year class.

* Dedman College of Humanities and Sciences has added two new international programs of language study: in Xalapa, Mexico, and Boulouris, France. In addition, the College has initiated more intensive first-year courses in languages ranging from French to Japanese.

* The School of Engineering and Applied Science introduced two new Master of Science Programs in 1992-93. The Manufacturing Systems Management Program aims to help professionals to integrate the entire product commercialization progress -- from concept to production -- with national and global issues driving the marketplace. The Software Engineering Program is designed to offer a balance of management and technical expertise necessary to succeed in this rapidly evolving field.

* Recognizing the growing role of technology in music composition and production, SEAS and Meadows School of the Arts have instituted a joint Bachelor's Program in computer science and music.

* The School of Law initiated a new curriculum with a greater emphasis on public law and statutory material and an innovative, required course on "Lawyering" to help students develop skills essential in the practice of law.

* The DeGolyer Library has established the Center for Notable Women in the Southwest and has acquired the Horton Foote Archive, a J. Frank Dobie Collection, and the Stanley Marcus Archive.

We continue to operate with a balanced budget, but we continue to be more enrollment driven than we would like to be. We need your support in sending your outstanding United Methodist scholars to SMU.

We are very appreciative of the support from the Jurisdiction of the SMU United Campus Ministry Program, under the able leadership of Reverend Greg Ligon. Through your support and Reverend Ligon's direction, the ministry continues to grow.

By late spring, we hope to have appointed a new Dean for Perkins School of Theology. We have been blessed to have had the leadership of Dean James Kirby for the past 13 years.

We are deeply appreciative of your interest, prayers, gifts, and leadership -- all of which strengthens our vision for SMU.

A. Kenneth Pye, President

Gregory K. Ligon, Director

BOARD OF LAITY

The Board of Laity has been very active during the past year in encouraging laity to be of service to the church and to the community. The Board has continued to work toward broadening the service and leadership opportunities for laity in the local church, district, and conference. It has also developed and implemented programs which sought to better equip laity to answer God's call to servant leadership. Many opportunities to work in partnership with clergy have been realized throughout the nine districts of our conference.

At our Annual Conference in Shreveport last year, we had some very stimulating sessions. They were:

1. The Conference Committee on Lay Speaking Ministry provided leadership for the Monday laity session. The theme for the laity session was "Laity Proclaiming God's Love Through Service." An inspirational message entitled "The Primary Task of the Local Church, A Challenge to the Laity" was given by Dr. David L. White, Associate General Secretary of the General Board of Discipleship and a lay member of the Indiana Annual Conference.
2. The Annual Board of Laity Breakfast format was changed to dispense with normal business matters and to allow food and fellowship to be enjoyed by the 237 persons who attended. Our own Dr. Tom Matheny, President of the United Methodist Church Judicial Council, enriched the breakfast session with his words of inspiration and challenge.
3. The Board of Laity produced 500 copies of "A Guide for Lay Members of the Annual Conference." This booklet was designed to help lay members understand the acronyms, nuances and proceedings of Annual Conference. It was also hoped that

this guide would aid lay members in noting ideas for their reports back to the local churches.

Following Annual Conference, the Board of Laity engaged in intensive planning for a first-time Louisiana Laity Leadership Conference. The Leadership Conference was held on Saturday, November 13, 1993, at First United Methodist Church, Alexandria. The theme for the conference was "Developing Leaders for the 21st Century, A Challenge to United Methodists." Mindful of the scripture in Luke 2:10, "the harvest is plentiful but the laborers are few," the Board of Laity invited local churches to identify emerging young leaders to explore the topic of leadership in the context of Christian discipleship for the church and community. Attending the 7½ hours of training were 178 laity and 6 clergy representing the racial and ethnic diversity of the conference. Seventy-six churches representing all nine districts were present.

The conference morning session was led by Dr. Robert Brewer, a private consultant and adjunct professor at Centenary College. Dr. Brewer's presentation on "The Art and Heart of Leadership" used audience participation in exploring the dynamics of leadership. A booklet handed to each participant aided their involvement and gave them a lasting resource. The four afternoon workshop sessions were: 1) "Empowering Lay Volunteers for Ministry" led by Mrs. Marilyn Oden, Author, Lecturer, and Church Leader; 2) "Deploying Class Leaders for Congregational Ministry" led by Dr. Donald Avery, Alexandria District Superintendent; 3) "How to Work Effectively with Others" led by Dr. J. Philip Woodland, Monroe District Superintendent; and 4) "Using United Methodist Structures for Action" led by Dr. Donald C. Cottrill, Conference Council on Ministries Executive Director. The Board of Laity is immensely grateful to these leaders as well as the pastor, staff and members of First United Methodist Church, Alexandria, and for several worship service participants from the Alexandria District who made the conference a success.

Laity Sunday was observed throughout the conference, primarily on the third Sunday in October 1993. The 1993 theme was "Rejoice, God's People Sing With Joy." Throughout Louisiana, voices were raised in unity celebrating God's goodness through song and verse. We encourage joyous and creative celebrations in October 1994 of the Laity Sunday theme, "Rejoice, God's People Serve With Compassion."

As Conference Lay Leader, I have enjoyed many stimulating experiences while representing Louisiana. The conference year has been filled with opportunities to participate in local church worship services, district training events, Vision 2000 celebrations, and programs in the South Central Jurisdiction and at the general church level. I was honored to serve as keynote speaker at the 1994 National Association of Annual Conference Lay Leaders meeting in Nashville, Tennessee in February. Speaking on the theme, "Partners in Ministry," I shared with 67 other annual conference lay leaders present my views on opportunities for laity to work in partnership with the clergy in the church and community.

As evidenced by the individual group reports which follow, laity throughout the Annual Conference have been very active in not only the work of the connectional church, but also in spreading the "Good News" in the communities where they live. We look forward to an exciting and spiritually uplifting new conference year.

Judge Carl E. Stewart,
Conference Lay Leader

United Methodist Women

Evaluation reports for 1993 indicate the 320 units of United Methodist Women have 11,691 members, an increase of 299 over 1992. It is not certain if this is an actual increase in members or additional reporting; however, four new units were formed during this year.

The Conference Treasurer reported:

* Total Paid on Pledge to Mission (undesignated)	\$290,463.22
* Designated Funds	<u>34,773.03</u>
* Total giving through Conference Treasurer	\$325,236.25

The 1993 Louisiana Conference School of Mission was held July 15-18 at Centenary College in Shreveport. The theme was "Confronted by Christ---Empowered by the Spirit." Lois Heath served as dean and Betty Ferrington as assistant dean. There were 11 Study Group Leaders and 226 students. Lyudmila and Marina Vashekina, a mother and daughter team from Ekaterinburg, Russia were two of the Estelle Dameron Scholarship recipients. The 1994 West Gulf Regional School for Study Group Leaders and Conference Elected Officers will be held June 22-26, 1994 in Georgetown, Texas. Our Louisiana Conference School will be held July 21-24, 1994, at Centenary.

Horseshoe Drive UMC in Alexandria was the site of the Conference Annual Meeting, September 17-18, 1993, with the theme, "Carrying Out God's Promises---Count Me In!" Natalie Sleeth's "Hymn of Promise" was interspersed throughout the meeting in a very meaningful way. Janet Wreath, A Director from the Women's Division, was the keynote speaker. Hazel Steely brought greetings from the South Central Jurisdiction Core Planning Group. Retiring officers were recognized, including President Norma Winegeart, who served four years with diligence and faithfulness. The 1993-1994 Annual Report and Directory was dedicated to her. Those who participated with special music and worship were very inspiring.

District Elected Leaders Training (DELT) was held October 23, 1993 in First UMC, Pineville. Chaired by Geneva Bell, assisted by Hilda Sills, this event continued with the theme from the School of Christian Mission, "Confronted by Christ---Empowered by the Spirit." Dr. Carol Walker, a Peace With Justice Educator, spoke on violence and abuse of children and women and the role we as United Methodist women play to help combat and dispel such crimes.

A Leadership Development Workshop was held January 14-16, 1994, led by a team from Women's Division. This was a lively and informative event and greeted with much enthusiasm by the Conference Mission Team.

United Methodist Women's Sunday, January 23, 1994, was observed throughout the Conference. In 1993, 214 reports were received on the observance of this day. Louisiana Conference UMW was one of five in the South Central Jurisdiction selected by the Strategic Planning Process of the Women's Division for a Focus Group to share in a visioning of the second century of mission. This was held in conjunction with the Mid-year Executive Committee Meeting, February 18-19, at Tall Timbers. Focus groups were conducted in Baton Rouge and New Orleans Districts and will be held at a later date in four local units.

Some 120 members are registered to attend the Women's Division Quadrennial ASSEMBLY to be held in Cincinnati, Ohio, April 28 to May 1, 1994. While in Cincinnati, many are expecting to visit Service Center, the publishing house for UMW literature.

It is our custom to award a Special Mission Recognition Pin at Annual Conference. This will be done again this year, but the recipient is a surprise.

Pat Cobb, Conference President

United Methodist Men

The high point of 1993 in United Methodist Men was the International Congress of United Methodist Men at Purdue University. Over 45 men from Louisiana attended the event held in West Lafayette, Indiana. The Congress was attended by over 4,500 men from all over the world. The men saw displays of men's activities in just about every phase of ministry. They also attended several workshops as well as the special services led by well known United Methodist leaders. As always, the singing led this year by Jack Tharpe, was just tremendous.

The Conference UMM will hold two CMA (Christian Motivation Assembly) events in 1994. The first one on April 9, 1994 at University UMC in Baton Rouge led by Dr. Chris Andrews and one in the Fall in Shreveport (time to be announced). These events are designed to give inspiration to our men as they return home to carry out their work in UMM. Election of conference UMM officers will be held at the Baton Rouge meeting.

We continue to grow in our UMM program EMS (Evangelism, Mission, and Spiritual Growth). Several of our districts and local units received awards this past year for their increased activity in this program. We have chartered several new units but still have a long way to go to reach our goals of 100%.

The Conference UMM leaders have agreed to increase our participation in the area of scholarships and are making plans to get a new program designed to provide scholarships to young adults going to State Universities. This will be a locally sponsored program to benefit the young adults in each local church which chooses to participate. Resources will be provided to the local UMM unit to raise funds which will be used to provide scholarships through the Board of Higher Education and Campus Ministry. Further information on this program will be announced later in 1994.

Ron Sarver, Conference President

United Methodist Youth

The 1993-94 Conference Council on Youth Ministries has worked hard to be a powerful witness for Christ in the Louisiana Annual Conference.

At District Council on Youth Ministries Training, representatives from all nine districts came together at Centenary College on June 4-6 to increase their effectiveness as leaders, study Robert's Rules of Order, learn more about the Youth Service Fund, and prepare for the activities of the upcoming year. Over 200 youth and adults attended.

The CCYM traveled to Fayetteville, Arkansas for "Spiritual Life Rally," held at the University of Arkansas. Here the team had fun and fellowship with other youth and adults from the Jurisdiction while learning how to become more effective Conference leaders. Later this summer, Doloris Giles, Tiffany Giles, and Tiffany Hincks represented the youth team at

the National Youth Ministry Organization Convocation in Rochester, New York, where Doloris was elected to represent the South Central Jurisdiction as an adult on the National Youth Ministry Organization.

Held at Louisiana College in Pineville on September 25, Fall Convocation was our first big event. Five hundred youth and adults from all over the conference attended for fun, fellowship and the World's Largest Twister Game!

On November 12-14, the Youth team held a Junior High Retreat at Tall Timbers. The topic was "Communication," led by Karen Edenfield and Scott Edenfield. Seventh and eighth graders from all over the conference attended.

On February 4-6, the youth team sponsored Senior High Retreat at Tall Timbers. Facilitated by Rev. Betsy Irvine, this retreat brought to the attention of 9th-12th graders issues dealing with violence, anger and the real-life experience of our speakers.

The youth of the Louisiana Annual Conference contributed \$6,145.64 to the Youth Service Fund for 1993. Funds are continually raised for this worthy cause.

Upcoming Youth events are listed on the Conference Calendar. Please take note of these.

Kristin Hunt, Conference President

Bob Lay Memorial 1000 Club

The Bob Lay Memorial 1000 Club raised funds this conference year for the Memorial United Methodist Church in Simsboro in the Ruston District.

This organization is now 42 years old. During that time, many things have changed and the general economic climate has changed, perhaps to the greatest extent. In 1952, \$10,000 was a good sum of money. It isn't anymore, at least in building new churches. Now, we attempt to raise \$75,000 for each church.

The 1000 Club calls on every United Methodist in the Louisiana Conference to help in our financial drives. To those who have helped in the past, we say thanks and God bless you! Now we ask that you give continued support to this most worthy cause.

Cecil E. Bland, Chair

Daughenbaugh-Matheny Scholarship

This scholarship was established to help qualified young adults attend Centenary College and Dillard University. A student must have a G.P.A. of 2.5 and maintain the grade in college to apply the next year. Students planning a career in Christian Education are given preferred consideration.

Carolyn Dove, Conference Youth Coordinator, distributes 1500 applications to the youth of the conference. I attend Laity Banquets and hand out applications. We ask that

applications be in by April 1st. When applications are received, forms are sent to be filled out by the applicant's guidance counselor, principal, teacher and minister. I also telephone for an interview. The District Lay Leader and District Scholarship Chairperson are invited to attend the interview. The applicants have held offices and have been active in The United Methodist Youth Fellowship at their local church and district level.

Last year, six scholarships were given in the amount of \$900 each; five to Centenary and one to Dillard. Jessica Stringfield, Leigh Ann Boston, and Lynd Matt, are from the Lake Charles District. Samantha Earl is from the Alexandria District, and Kasia Robinson is from the Shreveport District. They attend Centenary. Keisha McGee is from the North Shore District and attends Dillard.

This year we hope to give five, six if possible, scholarships valued at \$900 each. We are proud to contribute to the future leaders of United Methodism.

Lay Speaking Ministry

The Apostle Paul told the church at Corinth that each Christian has some spiritual gift. Peter said that each individual is responsible to exercise his or her own gift. Paul outlined a plan to the Ephesians for equipping all Christians to participate in the work of ministry.

I feel that every Christian has some desire to be useful in service for the church when it comes to assisting his or her fellow human beings. This can be done through the Lay Speaking Ministry which challenges us to lead, care and serve.

Our Lay Speaking Ministry now offers voluminous opportunities through its varied new resources for laity to receive training in Biblical foundations, faith sharing, caregiving, doctrine, heritage and organization of The United Methodist Church.

A Lay Speaker is an active supportive member of a United Methodist Church who is eager to serve through the church; well-informed on the Scripture, and the doctrine, heritage, organization and life of The United Methodist Church; committed to witnessing through church and community leadership, caregiving ministries, and spoken communication; and willing to improve his or her skills for service.

It has been most gratifying to have our District Lay Speaking Chairpersons plan and implement Lay Speaking Schools in the Fall, Winter and will be forthcoming this Spring.

There was an average of 35 persons in attendance at our nine Lay Speaking Schools who were enrolled and studied the following:

- Basic Course - 1993-96
- Lay Speakers Lead In Stewardship
- Lay Speakers Lead In Evangelism
- Lay Speakers Interpret To Others Our United Methodist Heritage
- Lay Speakers Lead In Worship
- Faith-Sharing
- Lay Speakers Practice Christian Community

The instructors for these courses were Certified Lay Speakers, clergypersons and college

professors. Certificates denoting the Lay Speakers' participation were issued by District Superintendents and our District Lay Speaking Chairpersons.

We will share a listing of all Certified Lay Speakers in our conference in a Directory of Lay Speakers from each district.

The District Lay Speaking Chairpersons who organized and promoted our Lay Speaking Schools were the following:

Acadiana	Bob Sides
Alexandria	Joanne White
Lake Charles	Otis Marsh
Monroe	Edgar "Buddy" Harrison
New Orleans	Irene Reed
North Shore	Carlyn Abarr & Ernest Easterly
Ruston	David Bazer
Shreveport	Morris Inabnet

Lay Speakers will be challenged to participate in ministries in varied settings that will take them to prisons, hospitals, Homes for the Elderly and many other places where their particular gifts and graces can be enriched as they serve others.

Untold joy awaits our Lay Speakers as they participate in the service of Our Lord.

Anita H. Crump, Chair

Lay Witness Mission

"Lay Witness Mission," the original name applied to renewal weekend programs for local churches, is now sometimes used in a general way. Several specific programs such as "Key To Joy," "Discipleship Celebration" and others are recommended for specific emphasis on needs of a church. The use of a weekend program as the main part of stewardship campaign has been very effective. Three months advance scheduling is recommended. D. THE LOUISIANA UNITED METHODIST CONFERENCE CENTER

Since our last report to the Annual Conference, the Board of Trustees of the Conference Center is happy to report that the Financial Campaign conducted during the early part of 1993 was a success with total pledges to this project reaching \$6,150,000. To date, a little over \$1,100,000 has been received in cash and pledges from the churches, clergy, laity and challenge gifts. This is a remarkable achievement and will allow the work of the Conference Center to proceed on schedule. A word of thanks to the clergy and laity of the Conference for their support and their interest in this project.

During these past few months, the architects have been busy doing the working drawings on the various buildings that will be erected on the Conference Center site. In addition to this, the drawings and design for the lake and the dam are proceeding and probably by the time this report is read, a bid will have been let for the construction of them. The architects report that

all work should be completed on the drawings for the various buildings that will be constructed and that advertising for bids should take place by the first of May. It is hoped that on May 28, we might be able to have a ground-breaking event on the Conference Center site.

Much of the work now being done by the Conference Center Board of Trustees has been allocated to various committees. They are as follows:

1. **Finance Committee** - This committee is headed by Mr. Leroy Harvey, an active layman in the Jackson United Methodist Church. This committee interviewed a number of financial institutions throughout the state regarding the borrowing of money for the construction of the Center. All of those institutions that were invited to participate gave us a very good proposal, but the Hancock Bank in Baton Rouge presented the most attractive proposal and agreed to loan up to \$4 million at 5¼% interest. The Board of Trustees accepted this proposal and when time comes for borrowing money, they will work with Hancock Bank in handling the arrangements.
2. **Design Committee** - This committee works under the direction of Dr. Chris Andrews and has been busy working with the architects in dealing with various matters regarding the designs of the building and the various materials that will be used in the construction.
3. **Search Committee** - Under the leadership of Dr. Odell Simmons, this committee has been preparing job descriptions for the various positions that will be needed when the Conference Center is completed and in operation.
4. **Operations Committee** - Dr. Gerald Richardson is chairing this committee and is working on various recommendations for the operation of the Center when it is completed. In order to fully understand more the needs and their responsibility as a committee, a number of them traveled to Simpsonwood Retreat Center in Atlanta, GA., in January to discuss with their staff what each person did and how the operation of the Conference Center took place. This committee learned much about food service operation, the need for linen services and how it should be provided, what was necessary for the maintenance and the care of the grounds and the buildings. All of these matters were of extreme importance to the committee and much was gained from this trip.
5. **Follow-Up Committee** - Under the direction of Dr. Rod Kennedy, it was felt that a Follow-Up Committee was needed to continue to emphasize the need for financial support for the Conference Center. Some churches were not able to participate in the financial campaign in the spring of 1993 and will be doing it at different times throughout the year. This committee is offering guidance and leadership to those churches as they seek to secure funds and participate in the overall financial program of the Conference Center.

Many hours have been spent by the personnel of these various committees, and the Board of Trustees expresses its thanks to those who have given of their time, guidance and suggestions to the work of the Conference Center.

The Conference Center property has now been incorporated into the city limits of the Village of Woodworth. The Board of Trustees is grateful to Mayor Butler of the Village of Woodworth for his continued help and interest in this project. By being a part of their city limits, it will enable the village to provide the Conference Center with water, police protection,

garbage pick-up and other benefits that go along with being a part of that village. Since the Conference Center does not pay any property taxes, this is not costing us anything at all but is enabling us to have many benefits that ordinarily we would not enjoy.

In addition to the 400 acres that the Conference Center owns, Dr. Matheny just recently announced the gift of 168 additional acres to the Conference Center site by an anonymous donor. This will give the Conference Center a total of 568 acres of ground located just 5½ miles south of Alexandria. The value of this additional acreage gives protection to the Conference Center site on Highway 165 with some 3400 feet fronting on the Lake Charles Highway. This most valuable piece of property will eventually be used for further development of the Conference Center facilities, although no immediate plans are on the drawing board for the utilization of this acreage. This property, too, will be annexed into the Woodworth city limits under the guidance of Mayor Butler. The Board of Trustees wishes to express a word of appreciation to Dr. Tom Matheny, President of the Board, for the countless number of hours he has spent giving legal guidance and direction for the right-of-ways necessary for the utility companies, as well as the preparation of legal documents needed and required for the properties that the Conference Center now owns.

The Conference Council on Finance and Administration and the Conference Council on Ministries approved two dates on the Conference calendar for sharing information regarding the Conference Center. The first of these was held on February 27, 1994, and the Board is grateful to the churches that participated in this special day by having bulletin inserts presented to their congregations. Another Conference Center Sunday will be observed on November 6 of this year, and a brochure will be provided for the churches giving additional information regarding the progress of the building of the Conference Center. It is hoped that each church will observe this day and that the ministers will give special attention to this important Conference project.

This has been an extremely busy year for the Conference Center Board of Trustees and on behalf of each one, we express to the laity and clergy of the Louisiana Annual Conference our thanks for their support and concern as we move forward with this project.

E. UNITED METHODIST FOUNDATION OF LOUISIANA

It is inevitable that a Foundation's success is judged by the number of accounts, endowments, trusts, annuities and the amount of funds under management. This is a relevant standard of measurement and by this criteria your Foundation is doing very well. There is another gauge that is equally important. How has the Foundation and its staff related to the conference and churches of Louisiana Methodism in the ministry of Jesus Christ that we both share? We try very hard to remember at all times why our organization exists.

Foundation assets grew by \$4.2 million in 1993. We opened at least sixty new accounts and now manage almost \$28 million. We are continuing to pay 5.5% on our Short Term Fund. Even in last year's volatile investment climate we had a good return for our investors. Our 1993 returns were as follows: Long Term Fund - 8.3%, Pensions - 8.9%, Methodist Home - 9.9%, and Stafford - 7.9%. Our total return for the Long Term Fund over the last nine years

is 12.2%. However, investors should note that the investment results of the Long Term Fund are based on historical performance and will fluctuate over time. Any presentation of this fund's yield, effective yield, or total return for any prior period should not be considered a representation of what the fund's yield or total return may be in any future period.

This year we launched our church loan program and expect to make several loans in the near future. If you are considering a building program or refinancing call our office for more details. We also expect to expand our outreach dramatically with the additions of a new Development Officer, Mr. Ray Caraway. Mr. Caraway is an attorney and most recently, Director of Development for Garrett-Evangelical Theological Seminary. He will join our staff on June 1, 1994 and will assist the Executive Director in expanding our ministry in Louisiana.

At our Annual Meeting, which was held on April 7, 1994, the Board of Trustees elected the following to serve as officers of the Foundation for 1994-1995:

President	Mr. Bridger Eglin
Vice President	To be announced
Secretary	Mrs. Nina Nichols Pugh
Treasurer	Mr. Arthur Faulk, III
Foundation Attorney	Mr. Phillip Preis
Appropriations Chair	Mr. Irwin Felps
Budget Chair	Mr. Mat Kawasaki
Investment Chair	Mr. Arthur Faulk, III
Loan Chair	Mr. John Peak
Promotion & Development Chair	Mrs. Vera Packer

Martha Diehl, Stacie Schneider and I appreciate Bishop Oden, our Board of Trustees, and United Methodist members: churches and institutions all over the state. We are grateful to be allowed to serve and share this ministry with you.

Executive Director

F. PROFESSIONAL MINISTRIES

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry interprets the meaning of diaconal ministry to the church, assists in enlisting persons for diaconal careers, counsels and guides persons in the process of professional certification and renewal and provides general ongoing support for all persons employed by the church in non-clergy related careers.

Persons who wish to serve the church in fields of Christian education, church music, youth work, counseling, health science, etc. are encouraged to seek professional certification and become candidates for consecration as diaconal ministers. The process begins with a personal letter of intent to the chairperson of the Conference Board of Diaconal Ministry. A mentor

will then be assigned to assist the person in the process of sorting out the various ministry options available and clarifying God's call to ministry. After preliminary work in the candidacy journal with a mentor, the interested person will seek approval by his/her Pastor/Parish or Staff/Parish Relations Committee and Charge Conference and will then be interviewed by the Conference Board of Diaconal Ministry.

Scholarship funds for those seeking consecration and certification are available through the Conference Board of Diaconal Ministry. Other scholarship assistance is also available from the General Board of Higher Education and Ministry, Division of Diaconal Ministry, but the interested person will have to contact the General Board at his/her own initiative. All requests for scholarship aid from the Annual Conference Board of Diaconal Ministry must be made in writing to the scholarship registrar of the Conference Board by January first of the year in which the candidate expects to receive that aid.

BOARD OF ORDAINED MINISTRY

The Board of Ordained Ministry will be focusing special attention on the Ministerial Education Fund during the 1994-1995 conference year. This conference benevolence is vitally important for the development of pastoral and diaconal leadership for the churches of our conference. On behalf of the members of the Board of Ordained Ministry, the many men and women preparing for ministry, and those already providing leadership for our churches, I want to express a word of gratitude to the churches of the Louisiana Conference for your faithfulness toward the Ministerial Education Fund.

Twenty-five percent of every dollar that your church gives to the Ministerial Education Fund is retained in the Louisiana Annual Conference. It is the responsibility of the Board of Ordained Ministry to distribute these funds. In 1993 the churches of our conference paid

eighty-four percent of the Ministerial Education Fund apportioned to our conference. Instead of having \$91,350 to recruit, train, and provide continuing education for persons in ministry within our conference, that amount was reduced to \$77,128. This meant stretching the Ministerial Education Fund to the limit. That's why it's so important that each church pay this fund in full. Our future depends on it!

It is no small task to provide for our church's future leadership. It takes a united effort on the part of every church and the Board of Ordained Ministry to assure that we provide every opportunity for persons to respond to God's call to servant ministry. To give you some idea of the task, here are a few of the many things the Ministerial Educational Fund provides for the Louisiana Annual Conference:

- Training for ordained and diaconal ministers responsible for helping persons explore their call to ministry
- The Candidacy Program for exploring the call to ministry
- The Licensing School for Local Pastors
- Scholarships for the Course of Study School for Local Pastors
- Seminary Scholarships for persons perusing ordained ministry
- Diaconal Ministry Scholarships
- The Center for Pastoral Effectiveness
- Continuing education programs to assure continued competence in ministry

Your giving to the Ministerial Education Fund is a vital ministry within itself. Each dollar you give will return many times through the ministry of competent ordained, diaconal and lay leaders. You can provide critical resources needed for the recruitment and education of new ministers for our churches. Encourage your church to pay the Ministerial Education Fund benevolence in full. It is an investment in our future.

G. ANNUAL CONFERENCE COMMISSIONS

COMMISSION ON ARCHIVES AND HISTORY

The Louisiana Annual Conference Commission on Archives and History labors within two major areas of concern--preserving and remembering the former experiences of the bodies and constituents of The United Methodist Church in Louisiana and its antecedents. Directives for fulfilling these responsibilities are delineated in ¶738 of the Discipline. In response to its mandates, the Commission:

1. Maintains repositories for local church, district and conference records on the campuses of Centenary College and Dillard University.
2. Offers the services of Ms. Ella Edwards, the Conference Archivist in the Peters Research Center at Centenary College.
3. Encourages local churches to write and send their histories to each archive for preservation and research.

4. Urges District Superintendents and other conference agents to send their records to the archives for use by scholars.
5. Takes note of churches with long and distinguished histories by presenting them with historical markers to memorialize their adventures.
6. Fosters historical research and scholarship by encouraging the use of our conference archives at Dillard and Centenary.
7. Suggests that every local congregation observe Heritage Sunday and avail themselves of the resource materials available from the General Commission.
8. Stands ready to assist local churches with tasks relating to the chronicling and preserving of their histories.

In the interim since last Annual Conference, the Commission presented historical markers to three congregations--the Wesley-Booneville United Methodist Church of Bunkie, which has the distinction of being the oldest African-American church in Rapides Parish; the Glenmora United Methodist Church on the occasion of its centennial, and the First United Methodist Church of Leconte on Heritage Sunday, which was also its 110th anniversary.

While it has its ongoing responsibilities to fulfill, we of the Commission stand ready to resource any church or agency in our conference that requires information or assistance in our area of concern.

James W. Jones, Chair

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

Unity is biblically based, is a part of our United Methodist tradition and should be a part of the overall mission of the local, district and general church. The Commission on Christian Unity and Interreligious Concerns sees its role as an enabler for mission, study, and other means. Unity can be accomplished by reaching an understanding of the biblical mandates for Christian unity and the importance that such unity has upon the religious congregations to value interfaith discussions, dialogues and understandings.

During the past twelve months there have been numerous ecumenical events taking place in our conference that have provided for dialogue, worship, study and mission to occur. Among these have been the Louisiana Interchurch Conference with its annual meeting being held in Alexandria, to which the Rev. Larry O'Dell was elected as a regional coordinator; Dr. Stone Caraway serving as Treasurer; Dr. George Calvin, Sr. and Rev. Hulen Warren being elected as Board Members At-Large for the LIC. In March, the Rev. James B. Brown, Bishop of the Episcopal Diocese of Louisiana sponsored a conference on the Methodist-Anglican International Dialogue with Bishop William B. Oden and the Very Rev. Guy F. Lytle, III, being the leaders for that conference. Once again, the Commission on Christian Unity and Interreligious Concerns was represented at the National Workshop on Christian Unity held in Providence, RI by the Rev. John Williams and the Rev. Hulen Warren.

As your Commission continues to become more involved in dialogues and conferences, the importance of strong programs continues to grow. The Commission continues to offer ten (10) limited scholarships for youth of other denominations to participate in the Louisiana United

Methodist Camping Program. For those youth that have friends of other religious backgrounds this opportunity offers a unique and positive approach for dialogue at an early age. For more information on camping scholarships contact any member of CUIC. We also continue to provide funding for the various Ulster Projects in our state while exploring the possibilities for new locations for this ecumenical endeavor. Even in all that we are doing, the Commission continues to seek those local community ecumenical ministries that demonstrate a sense of unity and concern.

Just as unity and covenanting of relationships were introduced to the early church, let us continue to use our gifts and graces in this age as we experience the various communities of faith through ecumenical and interreligious enterprises.

Hulen C. Warren, Jr., Chair

COMMISSION ON EQUITABLE COMPENSATION

The Book of Discipline clearly states that "the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (722.4 and 248.13). In addition, the Annual Conference provides a program of support for the ministers (not the individual churches) to assure them a livable level of financial support when serving a full-time appointment. Towards this end, the Commission on Equitable Compensation recommends the following program.

1. The formula for grants will be based on the 1993 Louisiana Annual Conference Average Compensation.

- A. The minister's Conference relationship sets the equitable compensation he/she is eligible to receive as outlined below. Any changes in Conference relationship during the year will change eligibility.

Conference Relationship	'93 Conf. Average Compensation	Percentage Applied	EC Grant
Full Connection	31,627	70%	22,138
Probationary	31,627	66%	20,873
Associate Member	31,627	62%	19,608
Full-time Loc. Past.	31,627	57%	18,027

- B. For the purposes of determining the Equitable Compensation grants, the minister's total base compensation includes base salary, travel, utilities, and any continuing education funds in excess of \$500. This would begin January 1, 1995.
- C. Ministers receive an additional \$100 for each year of full-time service up to a maximum of 10 years of service.
- D. Ministers receive an additional \$200 a year for each church over one.
- E. Equitable Compensation pays its share of MPP and CPP based on the minister's income.
- F. Equitable Compensation pays Continuing Education equal to the cost of Minister's School at Centenary College less the amount the charge pays for Continuing Education.

- G. Annual grants approved by the Commission shall be paid in monthly installments on the basis of available funds at the beginning of the calendar year. Appropriations shall be made on a pro-rata basis, in the event of insufficient funds.
 - H. The Charge to which the minister is appointed must be classified by the Cabinet as a full-time appointment for the minister to be eligible for full compensation.
 - I. All income from salary, wages or compensation from services rendered will be considered in determining eligibility for Equitable Compensation grants.
 - J. District Superintendents must submit to the Commission on Equitable Compensation chairperson an application on each minister in their District seeking assistance from the Equitable Compensation Fund. These are to be sent after Charge Conference but no later than December 31 and for all new appointments, as soon as possible, using application forms furnished by the Commission.
 - K. All ministers receiving Equitable Compensation grants are required to renew their applications when receiving a change in appointment, and to notify the chairperson of the Commission on Equitable Compensation of any change in compensation or Conference relationship.
 - L. Special consideration will be given in unique cases upon recommendation of the Cabinet and concurrence with the Executive Committee of the Commission on Equitable Compensation.
 - M. Ministers appointed for less than full-time service as defined by the Book of Discipline will be considered for participation in the Equitable Compensation Fund upon recommendation of the Cabinet.
- II. REGARDING MOVING EXPENSES: Charges of 250 members or less which have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:
- A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of the actual moving expenses up to a maximum of \$500.
 - B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of the actual moving expenses up to a maximum of \$300.
 - C. If the pastor is moved after three or more years, no assistance shall be available to the charge.
 - D. The pastor must be living on the charge in order for the charge to receive such assistance.
 - E. Verification of moving expenses shall be made by submitting a copy of the bill to the District Superintendent in whose district the charge is located.
 - F. Requests for assistance shall be initiated by the charge, approved by the District Superintendent (in whose district the charge is), then submitted to the Chairperson

of the Commission on Equitable Compensation.

- G. Special consideration will be given in unique cases by the Cabinet's recommendation, by the willingness of the District making the request to provide 50% of the requested amount, and concurrence with the Executive Committee of the Commission on Equitable Compensation.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The mission of the Commission on the Status and Role of Women is to serve as advocate, catalyst and monitor to empower women and to transform the church; so that an inclusive people of God may be in ministry and mission. In this regard, the Commission annually honors an outstanding woman in Louisiana United Methodism with the "Sojourner Truth Award" to recognize that woman's contributions as a caring Christian to her congregation and community.

The Commission contributes to the Clergy Women's Retreat as part of its commitment to an inclusive clergy. With the General Commission, the Louisiana Commission is concerned with the issue of sexual harassment and supports the development of sexual ethics policy for the Louisiana Annual Conference.

One member of the Louisiana Commission attended the meeting of the General Commission, held at Gulfside, Mississippi, in February of 1994. At that meeting, discussion focused on the vision of CSRW with advocacy being a major emphasis.

During Annual Conference, the Commission sponsors a luncheon to which delegates and alternate delegates to Annual Conference are invited. The Commission also sends "The Flyer", a publication of the General Commission to anyone interested in receiving it.

Mary Louise Cassingham, Chair

COMMISSION ON RELIGION AND RACE

Roughly four years ago, this commission received from the General Commission on Religion and Race a booklet which is entitled "Breaking Down Walls, Building Bridges." Within the booklet appears a final report of a two-year project called "The Pedagogy of Change." Briefly, the project had to do with transforming the current reality of a church and society plagued by racism.

"The Pedagogy of Change" presented the commission with a basic theoretical framework which seemed very promising. The commission had to commit to a period of serious study, and following some significant dialogue, we gained increasing clarity about purpose. No longer could we ignore the deep seated presence of racism within our church. Racism is ruinous to the entire church and hurts everyone affected by it; including those who benefit from unjust power relationships and those oppressed by the same.

"Racism" according to the General Commission, "is the value system which assumes that one race is innately superior to all other races and that the superior race has the inherent power to dominate all other races." "Every human being, created in the image of God, is a person for whom Christ died. Racism, which is the use of person's racial origins to determine the person's value, is an assault on Christ's values and a rejection of His sacrifice..." (World Council of Churches, Racism in the 1980's). Moreover, the Council of Bishops has said, "Racism. . . is encased in a multitude of systemic and institutional forms which give privilege and status to some by the mere accident of birth and color, while perpetuating disadvantage to others."

While the definitions of racism listed above are acceptable, we suggest the following: **RACISM IS RACIAL PREJUDICE PLUS AN ABUSIVE - OFFENSIVE USE OF POWER.**

The reference to racial prejudice is not to be confused with mere prejudice. All peoples have some prejudice. Simple prejudice is an attitude which tends to change with additional information.

Racial prejudice, unlike mere prejudice is an attitude which is disparaging of a person and the group to which that person belongs. Too frequently new information or an acquaintance will not impact the attitude at all. It is as if the attitude is empowered by a larger entity, which is not easily influenced.

Important and undergirding concepts included in the undoing of Racism and Racial Prejudice are: Power, Judgement, and Action.

Power: Power is not good or evil within itself. Whether power becomes evil depends on its distribution among groups of peoples and how it is used. When power is unequally distributed or is deployed in an evil fashion, sin becomes the agent of disruption. The agent of power in the Christian's life should be the Holy Spirit.

Judgement: The term "racism" evokes anger, guilt, and grief among many persons, according to the Bishops' pronouncement, 1985. Even to talk about racism encourages some Christian sisters and brothers with the conference to become indignant. But the Biblical witness mandates judgement in unequal power relationships. "Then God said, I have seen the affliction of my people who are in Egypt, and I have heard their cry because of their taskmasters. . . I have come down to deliver my people." (Exodus 3:7-8).

Action: Knowing that racism is on the march is not enough. Becoming angry or indignant does not go far enough. God, having seen the affliction of God's people, sent a message and a messenger to Pharaoh. Jesus drove the money changers out of the temple for their abusive - offensive use of power. Neutrality about racism nurtures the forces of racism.

Dialogue can be the first step toward change. Reuel Howe states that, "Dialogue. . . can bring relationships into being, and it can bring into being once again a relationship that has died. There is only one major qualification to these claims for dialogue: it must be mutual and proceed from both sides, and the parties to it must persist relentlessly." (The Miracle of Dialogue)

To that end the commission recommends the study course "CREATING A NEW COMMUNITY: God's People Overcoming Racism". This resource is available as an official resource for the United Methodist Church and was prepared by our Division of Church School Publications. The commission has reviewed this resource and recommends its use as widely as possible throughout Louisiana United Methodism. Interracial groupings of churches, ministers, district groups, the cabinet, other conference-wide groups, adult church school groups, etc.; are strongly encouraged to walk through this excellent study and formulate action steps afterwards. Commission members can be used as resource persons for such study.

In addition to the resource, "Challenge and Possibilities" published by United Methodist Communications is recommended as a resource to help make our churches more inclusive through the use of church media. In as much as these guidelines in this publication are recommended by the General Commission on Religion and Race, we recommend that these guidelines be employed on our conference.

H. ANNUAL CONFERENCE COMMITTEES

COMMITTEE ON COURTESIES

Bishop Oden and members of the Louisiana Conference, the Committee on Courtesies is happy to offer this report of thanks.

We express special appreciation to our host District Superintendent, Rev. Robert Potter, the leadership of the Conference Staff -- in the conference arrangements under the guidance of Dr. Stone Caraway and Dr. Don Cottrill, the president of Centenary College, Dr. Kenneth Schwab, the pastor of First United Methodist Church - Dr. Pat Day, and the staff and laity of First United Methodist Church for their usual generosity to the conference. And we thank Dick Anders, Richard Rouse, Joy Jeffers and Jack Lee of Centenary College, who with their tireless and dedicated staff provided for our every need and joy. We appreciate the daily help and assistance of the Courtesy Staff and the sound specialists, Claiborne Sharp, John Chadsey and Robert Murray.

This conference has been special in a multiplicity of ways, our spirits lifted and our minds challenged by the preaching of Rev. Marva Mitchell and that of our special guests Bishop Dan E. Solomon, and Dr. Tom W. Boyd.

The music has been magnificent and we are indeed grateful to our song leader, Rev. Judy Loehr, the choirs, quartets and other voices that will linger in our heart, mind and soul in the months and years to come.

Finally, we thank our Bishop, William B. Oden for his personal leadership as our chief pastor along with his wife, Mrs. Marilyn Oden. We thank him for his courtesy and patience. His leadership, his energy, his spiritual and moral vision. His great intellect and wisdom have been essential to our conference in these difficult times.

Many challenges, demands and problems are working upon and within the United Methodist Church and the Church Universal today. Our theme, "God Is Here," increases in relevance when His presence is felt wherever His spirit leads us to go and serve! We are thankful to God for Jesus Christ, alive in us. He is the living Lord by whose cross joy has come into the world. May our lives as United Methodists be a journey of service through grace, responding to Christ, seeking to be faithful to his will now and in the years to come!

Respectfully,
Committee on Courtesies

COMMITTEE ON EPISCOPACY

The Committee on Episcopacy has met twice during the year in its attempt to provide support between the Louisiana Conference and the Area Episcopal Office. The first meeting was held on September 29, 1993 at the Conference Headquarters Building in Baton Rouge. Bishop Oden discussed with the committee his concern for the best way to fulfill the renewal leave required of all Episcopal Leaders during each quadrennium. He prefers to take his leave in two terms rather than all at once since he does not feel that being away from his office three months at one time is in the best interest of the conference. The committee will work with him

in this matter. Bishop Oden is tentatively planning to use July, August, and September to work in his renewal leave, with the possibility of a seminar in Switzerland during part of the time.

The second meeting of the year was held during Convocation of Boards, January 28, 1994. Bishop and Mrs. Oden hosted the group in their home. A lovely meal was served prior to the meeting. Attendance has been good at both meetings.

We have strived to be supportive in our work with our Episcopal leader--listening to his concerns and sharing ours. As he completes his sixth year in Louisiana and begins the last two years of this quadrennium, we are again reminded of how blessed we are in our episcopal leadership to have William B. Oden and his talented and capable wife, Marilyn. They bring MUCH to the Office of the Episcopacy and we are thankful they have "come our way!"

I. ORGANIZATIONS AND AGENCIES***HISPANIC MINISTRIES***

A new congregation is born as Spanish-American Ministries fades out.

After fourteen years as a group that worshipped together in different facilities throughout the New Orleans District, on May 29, 1994, the group Spanish-American Ministries became the new Iglesia Metodista Unida El Mesias (Messiah U.M.C.). For their worship services they will continue to share the facilities of Messiah United Methodist Church in Kenner. During the 1994 Annual Conference they will be recognized as a newly organized church in the Louisiana Conference.

Benjamin Santana is the pastor for both Messiah U.M.C. and Iglesia Metodista Unida El Mesias. Rev. Santana was born in Puerto Rico, USA citizen, and married with two children. He has served as an ordained minister for the past 16 years. He joined the New Orleans District on September 15, 1993.

Casa Hispana, "Flame of Hope," is the new program that will take over some of the social outreach that Spanish Ministries covered.

The people directly to be served are mainly undocumented Hispanics with non or little knowledge of English. The majority of them are adult females between 18 and 35 years of age, with a low academic level, living in a critical social and economic situation.

In future months after Annual Conference, all congregations will receive more information about this program and how to give a helping hand.

Besides the social outreach, "Flame of Hope" will recruit and train leaders (lay persons/missionaries) in the areas of Bible class teaching and evangelism that will go to the community to spread the Gospel of Jesus Christ. To this effect Ben Santana has already attended various training sessions by the General Board of Global Ministries. Responding to the National Plan of Hispanic Ministries as approved by General Conference 1992, our goal is to create four new Spanish speaking congregations during the next ten years.

We are here to serve and to give from what the Lord gives us. Please remember us in your prayers.

Benjamin Santana, Director

LOUISIANA INTERCHURCH CONFERENCE

On February 26, 1970, the Louisiana Interchurch Conference was organized in response to God's call "to demonstrate the oneness we already share through faith in Jesus Christ as Lord and Savior," and we constituted ourselves into the Conference "as a contemporary instrument of our obedience." We give thanks to Almighty God for our worship, work and witness during these past twenty-four years.

"Health Care: A Christian Perspective" was the theme of the Louisiana Interchurch Conference Annual Assembly held in Alexandria, January 24-25, 1994. The Assembly was keynoted by Dr. Sandra Magie, Assistant Professor of Moral Theology, University of St. Thomas School of Theology at St. Mary's Seminary, Houston Texas. Dr. Magie challenged the Assembly with a moral framework for confronting ethical questions presented by modern medicine and health care.

In 1993, the conference strived to make significant contributions to the quality of life in Louisiana. The Task Force on Television reported that VISN/ACTS is now FAITH AND VALUES Channel. The name change should clearly define the nature of programming.

The conference continued its work with farmers in distress in 1993. Mrs. Betty Puckett, Farm Credit Counselor represented farmers at FmHA administrative hearings where several adverse decisions were reversed. The Commission on Aging continues to hold educational workshops throughout the state and is working to increase its membership.

During 1993, efforts continued to assist victims of disasters in our state. Funds were distributed to several chapters of Habitat for Humanity. Efforts continue in the areas of hurricane and disaster preparedness. An active partnership with Church World Service has been developed, and a CWS Disaster Resource Consultant has been endorsed by LIC.

At our Fall Board Meeting, a new mission statement was developed and reads as follows:

Recognizing that Jesus calls all people to be one, the Louisiana Interchurch Conference, representing diverse communions, strives to proclaim in word and deed to the people, churches and institutions of Louisiana that faith which we hold in common, in the hope that by our common witness we will grow toward greater unity in Christ Jesus.

A long range planning committee is at work to develop specific goals to complement the mission statement. In 1994-95, the Louisiana Interchurch Conference is celebrating its twenty-fifth anniversary which will culminate in Annual Assembly to be held in Lake Charles, LA, March 13-14, 1995.

LOUISIANA MORAL AND CIVIC FOUNDATION

Introduction

On September 25, 1942, LMCF's first organizational meeting was called to order by Dr. W. L. Doss, Jr., DS of the Baton Rouge District, Louisiana Conference (South Central Jurisdiction). Since then LMCF has strived to serve as a front-line agency, a channel of communication, a forum for discussion, an instrument of cooperative Christian action, and an agency through which all Christian denominations work together to do something effective about serious moral issues which would be difficult to solve alone. LMCF serves not only its members and the religious community but the entire state of Louisiana by providing, promoting and protecting a positive moral climate for our state whenever and however the opportunity presents itself.

Administration

In the fiscal year 1993 LMCF received total gifts of \$179,298.98. Approximately \$3,052.86 was given by Louisiana United Methodists. This amount is down from 1992's total of \$3,931.60. Our asking of \$1.00 per member per year in 1993 remains the same in 1994. We shall continue to be good stewards of that which is given and sincerely appreciate each gift received.

Ministry

LMCF in 1993 ministered through four major programs: *Awards, Educational, Legal and Legislative.*

In the **Awards Program**, the 1993 J. Henry Bowdon Preaching Award, named after J. Henry Bowdon, Sr., one of our founders, was awarded to Reverend Fred B. Wideman, pastor of the Henning Memorial United Methodist Church in Sulphur.

In the **Educational Program**, LMCF continued to conduct seminars, research and distributed literature, as well as giving assistance to other organizations in conducting programs.

The **Legal Program** of LMCF again provided a resource for concerned citizens who actively involved themselves in the struggle to improve the moral climate of their community and state. This program includes a very up-to-date law library, highly responsible legal counsel, and a monitoring service of major agencies of state government, Attorney General's Opinions, and court decisions.

In the **Legislative Program**, religious denominational leaders, including key United Methodist leaders, received during the first 14 days of the 1993 session a brief digest of each bill filed. They were given the opportunity, along with LMCF's staff to select the bills that in their opinion could possibly influence the moral climate of our state. After this "monitoring list" was established, each of these leaders were provided with

a Weekly Digest of all the action taken upon these bills. As the session progressed they were kept abreast by frequent "Moral-A-Grams" on the status of those bills which seemed to call for a timely response from the religious community. To the Legislators, LMCF continued to be a ready resource for research on moral issues and a timely reminder when legislation of moral consequence was pending. Each time the chairman of the Legislative Liaison Committee or the office of the Bishop called upon LMCF, we responded as quickly and completely as possible.

Conclusion

Louisiana United Methodists will in 1994 continue to exercise their influence on LMCF through their elected Board members: Jimmie D. Pyles, First Vice-President; and Bob Nash. Additional participation and influence from Louisiana United Methodists comes from the Conference's members on the State Advisory Council. LMCF shall always seek to follow the directions and suggestions of the Bishop and those in leadership positions in the Louisiana Conference.

Throughout 1993 and now in 1994, our prayer remains to better serve...the people in Louisiana called United Methodists. Thank you for this privilege.

Ken Ward, Executive Director

LYDIA PATTERSON INSTITUTE

Eighty years of ministry entered the pages of history in the life of Lydia Patterson Institute in 1993. Throughout 80 years Lydia Patterson, an institution of the South Central Jurisdiction, has been responsible for touching thousands of lives which have come to form a significant part of our society, our country, and the entire church. Its mission of educating youth and forming strong advocates of the Christian faith continues to be a vibrant force in the El Paso-Juarez community and as far out where boundaries and borders become non-existent in the love of God.

In a spirit of thankfulness, first to God and then to our fellow United Methodists, I am privileged to bring you this report after my first complete year of serving as President of Lydia Patterson Institute. On behalf of our faculty, staff and student body, I wish to express appreciation for your apportionments paid in 1993 and gratefully report to you a 10% increase over 1992.

During the 1992-1993 school year, Lydia Patterson Institute lived the joy of its "80th" Anniversary, the pain and the loss of a President, the changes in administration, and the continuing demand for its services and opportunities for growing ministry. In the midst of emotional and financial demands, and under the care of God's living hand and commitment of our United Methodist friends of the South Central Jurisdiction, we managed to widen our outreach ministry, develop new educational programs, kick-off a \$6 million campaign for Endowment and close the fiscal year in the black. The summer Spanish Language Program for adults was successfully carried out one more time, and of the 51 graduating seniors at the end of the 1992-93 school year, 47 are now enrolled in a college or university.

During the 1993-94 school year, we have enrolled 305 students in both the High School and the English-As-A-Second-Language Program. Our students

continue to come from financially deprived homes with a dream for a better life in Christ and in a bilingual, bicultural society.

After-school classes and summer-school classes have been added to our program. English classes for adults during the evening is another new program begun in the 1993-94 school year with a total of 157 adult students.

The religious life on campus is vibrant and growing under the leadership of our Chaplain, Rev. Edgar Avitia. The students continue to participate in weekly chapel services, spiritual retreats, and outreach programs. Our students serve as tutors in the neighboring elementary schools and, for the first time, our own students will be doing ministry outside the school through work groups traveling to other parts of the jurisdiction.

The three-year, \$6 million Endowment Campaign is well on its way. All seventeen conferences of the South Central Jurisdiction have, in some way, accepted responsibility to help us raise \$2 million within the local churches of the jurisdiction. The additional \$4 million goal is being raised outside the boundaries of the church through other constituencies. A partnership is being formed between Lydia Patterson and the conference foundations so that funds raised in a conference be invested in their own foundation.

The proceeds from this Endowment Fund will be used to fund three major needs. Most importantly, and at the top of our priorities, is our concern for teachers' salaries. The success of the endowment campaign will enable us to bring teachers' salaries in line with state minimum, and it will provide for enhancement of our programs and care of our physical plant.

Lydia Patterson Institute has come to take a very important place on the border in its ministry with Hispanics. Although its financial demands and limitations continue to infringe on its operation and its growth, its potential is without limits. In today's age of open borders and free trade between two countries, Lydia Patterson Institute sits between the two, impacting both sides and touching and preparing lives to deal with these demands.

I thank you for being a part of this moment in history and for sharing our vision of turning Lydia Patterson Institute into one of the finest institutions of the United Methodist Church in the 21st century. Lydia Patterson has known no boundaries. Its doors remain open, and we invite you to join hands with us and to lead this institution and the youth depending on us to a better life as God intended 80 years ago.

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

Mount Sequoyah, United Methodism's Conference and Retreat Center for the South Central Jurisdiction, serves all 17 of the Annual Conferences and other interfaith, community, regional, professional, fraternal, educational, and non-profit groups. Our mission is to enable persons to experience training in leadership development, Christian discipleship, inspiration and worship, to the end that they may better serve God in the church and in the world.

The past year recorded more than 26,000 people day/nights on the mountain. It was the largest attendance year activities here since we began in 1922. We talked about our future last

year and the 1994 theme is "Sequoyah--The Hope!" After more than seven decades of service, the Cross, the Mountain, and the Spirit still give us great hope for unlimited service through Christ to the church and the world.

We moved from primarily a 'hosting center' into the 'programming center' mode with the addition of Ms. Judy Stafford to our staff. This was, in part, made possible by a grant that also enabled us to build our recreational facilities. Programs with a Jurisdictional-wide interest were Summer Vespers, Easter Sunrise Service, Golf & Family Leisure Event, South Central Jurisdictional Work-Camp, Bishop's Week, six Retiree events, Outreach Week-ends, Sizzle in your Stewardship Journey to Excellence, Jurisdictional Singles, SCJYMO, and many others.

Our building and upgrading program continues. We have completed the swimming pool, tennis courts, children's play area, volleyball and basketball areas. Architects and engineers are developing plans for remodeling of the Wesley Hall building to include a youth hostel on the fourth floor and an elevator accessible to all floors. The long awaited Mount Sequoyah House for Administration will be completed by this annual conference.

Our story has been told to all of the annual conferences through our trustees, ambassadors, regular newsletters and our video. Also, many of the major foundations have been invited to join us in "Team Sequoyah--Meeting the Challenge of the Future." We are grateful to all of the annual conferences and area United Methodist Foundations that have given so generously.

Trustees from the Louisiana Annual Conference are: Bishop William B. Oden, Dr. Stone W. Caraway, Dr. Nancy M. Carruth, and Dr. L. Ray Branton.

Ambassadors are: Rev. and Mrs. James Poole, with Rev. and Mrs. Lyndle Bullard as alternates.

Each of you in this annual conference is invited to join "Team Sequoyah" so that we might meet the challenge of the future. We feel that Mount Sequoyah has served faithfully for seventy-one years and to use the term that one of the Fall Retiree Retreats use, "The Best Is Yet To Be!" Come join us in this hope that we will be faithful to Christ and the church for decades to come.

RETIRED MINISTERS' HOMES BOARD

The 1993-94 conference year has been a very significant year for our board. One of the most encouraging things that happened is that for the first time in many years we have received increased support from local churches within our conference. Support had fallen from a high of \$65,000 per year to less than \$18,000. This is on the rise, and we are grateful for it is this support that enables us to administer this important ministry.

We received two generous bequests this past year. One in the amount of \$10,000 and another in the amount of \$40,000. These bequests have been placed in a newly established Mike John, Jr. Memorial Administrative Trust Fund.

The property on Farmerville Street in Ruston that contains six apartments, two homes and a duplex has served our board well for over thirty-five years. The neighborhood has been in transition and has evolved into a high-crime area. Our residents have felt uncomfortable living in the area. An adjacent clinic has offered to buy the entire property. A generous donor has given enough land for our board to build lovely new homes for the five residents in the complex for which we are responsible. Construction should begin this summer.

We have been very fortunate in getting buyers for several homes that had become a liability. The sale on one of these homes has been completed. The other two sales should be completed by the time of Annual Conference.

A new home has been completed on the land adjacent to and given by First United Methodist Church in Monroe. The home was built with funds secured from the Elizabeth Langford estate.

We have a very active and concerned board. Our board is very appreciative of continued support of the Louisiana Annual Conference.

Henry Bowdon, Jr.,
Executive Director

SOUTH CENTRAL JURISDICTION

Volunteers in Mission continued to grow in the Jurisdiction. The three largest projects were: Hurricane Andrew response in south Louisiana (four thousand persons), Midwest flood response (projected to be ten thousand persons), and Operacion Hogar - a project to build forty homes in Juarez, Mexico for the working poor (six hundred registered). Operacion Hogar is jointly sponsored by the South Central Jurisdiction, The United Methodist Committee on Relief (UMCOR) and the North Central Conference of the Methodist Church of Mexico. The Executive Director led a group to Cuba to explore new VIM projects. SCJ VIM News' circulation was expanded to more than 7500 copies when the recent edition was mailed to every pastor in the Jurisdiction. The Jurisdiction provided seed money and encouragement for a regional VIM rally in Clovis, New Mexico. The Jurisdiction office maintains an up-to-date list of mission projects in the US and a list of contact persons for VIM work in foreign countries. This information is available upon request.

Korean Ministries continued in the Jurisdiction under the leadership of Dr. Won Kie Kim and the Executive Director. Dr. Kim led Jurisdictional gatherings for pastors newly arrived from Korea and for college students of Korean descent. Dr. Kim also provided consultative services upon request for Bishops and District Superintendents in their work with Korean churches.

The Jurisdictional Youth Team sponsored SpiLiRa (Spiritual Life Rally) at Fayetteville, AR. More than 600 youth attended. Many persons made commitments to Christ and/or commitments to full time church-related service. The Jurisdictional Lab School at Mount Sequoyah became Journey to Excellence, with an expanded format that included both laboratory classes and numerous short courses on subjects of interest.

Twenty networks exist in the Jurisdiction to assemble persons across Annual Conference lines for training, support and inspiration. Two new networks began in the last year: A network for District Superintendents began with the first DS Day on the Monday prior to Bishops Week at Mount Sequoyah. A New Church Pastors Network began with its first meeting at Albuquerque, NM in October.

Executive Director of Mission
and Administration

TOWN AND COUNTRY MINISTRIES

The rural and small membership churches of the Louisiana Conference are doing great things in mission and ministry. Your Town & Country Ministries Committee exists to serve as resource and to provide fellowship and training events for the rural and small membership churches of our conference.

On March 7-8, 1994, the Sixth Annual Rural Pastors' Retreat, now known as the Rex Squyres Town & Country Retreat, was held at the Uskichitto Retreat Center near LeBlanc, LA. The resource leader for this year's retreat was the Rev. Dr. Jim Pledger, former District Superintendent of the Sherman-McKenny District of the North Texas Conference. Dr. Pledger, at the time of the retreat had just become senior pastor of the First United Methodist Church in Sherman, Texas.

The focus of the retreat was two-fold: "Climbing Jacob's Ladder" - a program designed to help increase Sunday School Attendance; and "Recovering Pentecost" - a new concept design for an evangelism project. The retreat was well attended by both clergy and laypersons.

At this year's Annual Conference, we look to chartering the "Rex Squyres Chapter of the United Methodist Rural Fellowship in Louisiana." To date, the chartering chapter has 24 members. Charter membership will remain open through Annual Conference for any clergy or layperson interested in joining. Membership dues are set at \$10 per person.

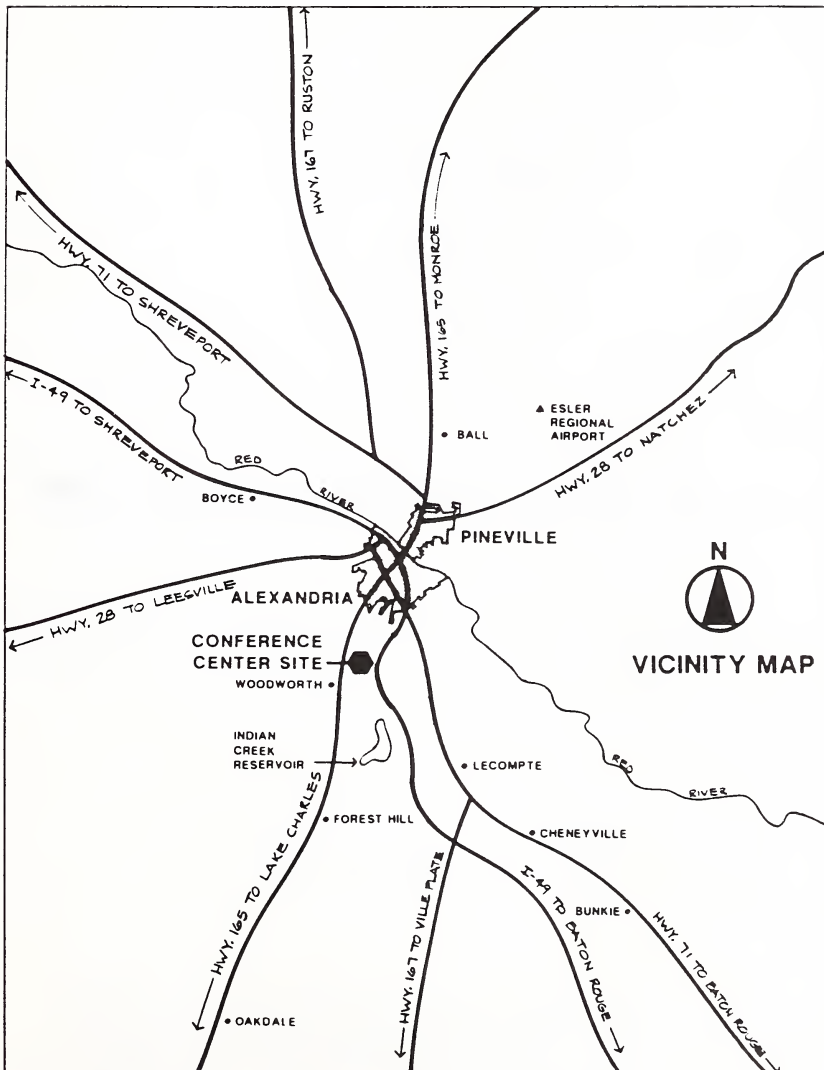

We continue to encourage all rural and small membership churches to claim the observance of Rural Life Sunday (4th Sunday in April). We also invite pastors and lay members of rural and small membership churches to join the Louisiana Chapter of U.M.R.F.

For Action: We would seek "affirmation" of the Annual Conference in the chartering of the "Rex Squyres Chapter of the United Methodist Rural Fellowship in Louisiana."
